Re: Letter Terminating LI Project - 17-3 Indiantown Rd from US1 to A1A (FM# 4415721)

Dear Mr. Price:

As was advised on January 04, 2022, the Town Council rejected the staff recommendation to award the subject project to FG Construction, LLC; I have attached the meeting synopsis provided by the Town Clerk. Due to the timing of the project, the majority of the Town Council voiced concerns that the project would overlap the US 1 Bridge Reconstruction detour, having a negative impact on traffic.

The Town's estimate of construction time and preliminary schedule indicated an overlap of approximately 3 months without any utility relocation delays. Due to the extent and scope of the storm drainage system, we had anticipated a number of utility adjustments during construction by AT&T. With the timing of the known adjustments and any unknown conflicts that may be encountered, it was conceivable that our schedule could slip, and extend the overlap with the detour upwards of six months. Any delay in our project would likely cause the overlap to negatively impact the US 1 bridge detour, due to having only two of four lanes available for vehicular traffic on Indiantown Road from US 1 to A1A.

Based on the Type I Categorical Exclusion, the project is in an area designated as attainment for all the National Ambient Air Quality Standards under the criteria provided in the Clean Air Act. Therefore, the Clean Air Act conformity requirements do not apply to the project. Implementation or non-implementation of this project will not impact air quality.

The Town understands the importance and magnitude of the US 1 Bridge project. Accordingly and as noted, the Town Council did not award the contract. The Town is requesting termination of the LAP Agreement.

Please advise if you have any questions or need any additional information from the Town.

Sincerely,

Thomas V. Driscoll, P.E.

**SUBJECT: Palm Beach Transportation Planning Agency
TIP Amendment Request FY 2021/22 – 2025/26
FM # 449520-1 ADVANCED WWD DETECTION SYSTEM PALM BEACH
COUNTY**

Dear Ms. Neilson:

Pursuant to *Part IV – Chapter 5: Statewide and Local Transportation Improvement Programs (STIP and TIP) of the Work Program Instructions*, the Florida Department of Transportation (FDOT) requests your processing and approval of the attached amendment to the FY 2021/22 – 2025/26 Transportation Improvement Program. This amendment is required because new projects have been added to the work program and needs to be reflected in the TIP. This is a new project solicitation for advance wrong way detection system at the following locations throughout Palm Beach County:

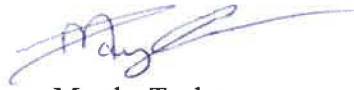

- SR-9/I-95 SB @ Hypoluxo Rd.
- SR-9/I-95 SB @ Linton Blvd.
- SR-9/I-95 NB @ Hypoluxo Rd.
- SR-9/I-95 SB @ 45th St.
- SR-9/I-95 SB @ Northlake Blvd.
- SR-9/I-95 SB & NB @ PB Int'l Airport
- SR-9/I-95 NB @ Atlantic Ave.
- SR-9/I-95 NB @ Belvedere Rd. Signal
- SR-9/I-95 SB @ 10th Ave. N

This Transportation Improvement Program Amendment should be consistent with the Adopted Long-Range Transportation Plan. The adopted TIP remains financially constrained. The TIP amendment is as follows:

PROPOSED	FM#	Project Title	Limits	Description	Project Length
