TIP Modifications FY 2020/21 – 2024/25**

Dear Mr. Uhren:

The purpose of this letter is to inform you of FY 2020/21 - 2024/25 Transportation Improvement Program (TIP) modifications to the Palm Beach Transportation Planning Agency TIP that are needed to reconcile differences between the TIP and the Department's Adopted Five-Year Work Program. The Palm Beach TPA FY 2020/21 TIP modifications are the projects below which should be modified with the following underlined additions and revisions:

1. **4397551** – The project length of 0.363 MI should read 0.164 MI. The project length was a mile post error. There has not been a major change in the project limits.
2. **4415271** – The description should read “Construct sidewalks and multi-use path in Northmore Neighborhood. Includes: 41st St. from N. Terrace Dr. to Greenwood Ave.; 42nd St. from Windsor Ave. to Greenwood Ave.; 43rd St. from Windsor Ave. to Greenwood Ave.; 44th St. from Windsor Ave. to Greenwood Ave.; Windsor Ave. from 42nd St. to 45th St.; W. Terrace Drive from 42nd St. to 43rd St.; N. Terrace Drive from 39th Court to 45th St.” The mile posts and project limits have not changed. It appears these limits were not listed in the TIP.
3. **4415301** – The description should read “Install streetlights and sidewalks in Belvedere Heights neighborhood. Includes: Worthington Rd. from Prairie Rd. to N. Florida Mango Rd.; Whitney Rd. from dead end to N. Florida Mango Rd.; Kenwood Rd. from dead end to N. Florida Mango Rd.; Ardmore Rd. from dead end to N. Florida Mango Rd.; Upland from dead end to N. Florida Mango Rd.” The mile posts and project limits have not changed. It appears these limits were not listed in the TIP.
4. **4460841** – The notes should read “2020 TPA TAP Priority #19-4 Holly Dr. from Military Trail to Lighthouse Dr.; McArthur Blvd. from Northlake Blvd. to Lighthouse Dr.; Gardens East Dr. from Burns Rd. to RCA Blvd.”

If you have any questions or need additional information, please contact me at (954) 777-4401.

Sincerely,
