**A MULTIMODAL SYSTEM**

# CONNECTING COMMUNITIES

With an eye on the future, the Palm Beach Transportation Planning Agency (TPA) maintains a long range forecast of population, employment, and transportation projects and services that advance our regional vision. Grounded in the present, the TPA Board annually adopts a funding program that prioritizes over \$600 Million of federal, state and local transportation dollars per year to implement those projects.

**MISSION** To collaboratively plan, prioritize, and fund the transportation system.

**VISION** A safe, efficient, and connected multimodal transportation system.

# TPA INVESTMENT PRIORITIES

The TPA Priority Projects are consistent with the goals, objectives and values of the TPA's adopted Long Range Transportation Plan and further the TPA vision of creating a safe, efficient, and connected multimodal transportation system.

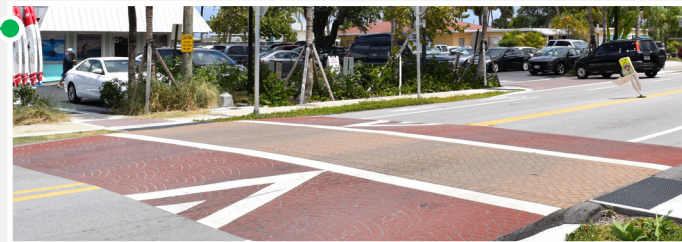

## **\$306,000,000** in Major TPA Projects

Major highway, transit and freight projects prioritized from the Long Range Transportation Plan (LRTP).

## **\$120,000,000** in Local Initiatives Program

Lower cost, non-regionally significant projects submitted annually to the TPA by local agencies and prioritized using a project scoring system based on adopted goals, objectives and values in the LRTP.

## **\$20,000,000** in Transportation Alternatives Program

Active transportation projects annually submitted to the TPA by local agencies.

**AN EFFICIENT SYSTEM**
