

Fiscal Year (FY) 2025-2029

List of Priority Projects

Amendment #1

September 2023

TIP Development Process

Project Development

Regionally significant projects are selected from the Long Range Transportation Plan (LRTP). Smaller projects are submitted by the TPA, FDOT, and local jurisdictions through the TPA's application process.

Projects are evaluated to determine feasibility.

List of Priority Projects (LOPP)

The TPA adopts a List of Priority Projects for the following programs:

- Major Projects
- Local Initiatives
- Transportation
 Alternatives

The TPA submits the LOPP to FDOT for review and inclusion into the Work Program.

Draft Tentative Work Program (DTWP)

FDOT provides a draft of the Work Program for TPA review.

The TPA reviews the status of TPA Priority Projects, FDOT Strategic Intermodal System projects, and other projects of significance.

Transportation Improvement Program (TIP)

The TPA builds the TIP based on the final version of the FDOT Work Program and local projects in local capital programs.
