

TPA GOVERNING BOARD MEETING AGENDA

DATE: **Thursday, April 20, 2023**
TIME: **9:00 a.m.**
PLACE: **301 Datura Street, West Palm Beach, FL 33401**

Attendees may not enter the TPA workplace if in the previous 5 days, they have tested positive for COVID-19, exhibited symptoms of COVID-19, or been in close contact with someone with COVID-19 and are unvaccinated.

To promote awareness of multimodal options for in-person attendance, a map of transportation facilities and services around the TPA Office is provided on page 4.

Members of the public can [join the meeting](#) in person or virtually.

Please call 561-725-0800 or e-mail info@PalmBeachTPA.org for assistance joining the virtual meeting.

1. REGULAR ITEMS

- A. Call to Order and Roll Call
- B. Invocation and Pledge of Allegiance
- C. Modifications to the Agenda
- D. General Public Comments

Members of the public are invited to offer general comments unrelated to agenda items at this time. Public comments related to agenda items will be heard following staff presentation of the item. Comments may be submitted in the following ways:

- A written comment may be submitted at PalmBeachTPA.org/Comment-Form at any time prior to the commencement of the relevant agenda item.
- A verbal comment may be provided by a virtual attendee using the raise hand feature in the Zoom platform.
- A verbal and/or written comment may be provided by an in-person attendee submitting a comment card available at the welcome table.

Note that the Chair may limit comments to 3 minutes or less depending on meeting attendance.

- E. Comments from the Chair and Member Comments
- F. Executive Director's Report

- G. MOTION TO APPROVE Consent Agenda Item
1. Governing Board Meeting Minutes for March 16, 2023
 2. Appointments to the TPA Advisory Committees through April 2026
 - a. Jonathan Reinsvold as the Village of Wellington Technical Advisory Committee (TAC) Representative
 - b. Giles Rhoads as the City of Palm Beach Gardens TAC Alternate
 - c. Michael Giambrone as the Palm Beach County Airports TAC Alternate
 - d. Rasem Awwad as the Palm Beach County Engineering TAC Alternate
 - e. Tim Stillings as the Village of Wellington TAC Alternate
 3. Appointment Renewals to the TPA Advisory Committees through April 2026
 - a. Michael Owens as the Palm Beach County School District Vision Zero Advisory Committee (VZAC) Representative
 - b. Joyell Shaw as the Palm Beach County School District VZAC Alternate

2. ACTION ITEMS

- A. MOTION TO ADOPT a Resolution approving Amendment #4 to the TPA's Fiscal Year (FY) 23-27 Transportation Improvement Program (TIP)

The TIP is the TPA's five-year funding program for transportation projects in Palm Beach County. FDOT has requested approval of two amendments as shown in the attached document and summarized below.

- Add #4527191 Forest Hill Blvd at FEC railroad crossing safety project
- Increase length and associated design costs for #4132601 I-95 at Palm Beach Lakes Blvd.

A roll call vote is required.

- B. MOTION TO ADOPT a Resolution Adopting New Targets for Federally Required Performance Measures (PM) of Bridge, Pavement, and System Performance

Pursuant to Federal Highway Administration (FHWA), the TPA is required to adopt updated targets for the following PMs:

- Percent of National Highway System (NHS) bridges in Good or Poor condition by deck area
- Percent of NHS Interstate pavements in Good or Poor condition
- Percent of NHS non-Interstate pavements in Good or Poor condition
- Percent of Person-Miles Traveled on the NHS Interstate that are Reliable
- Percent of Person-Miles Traveled on the Non-Interstate NHS that are Reliable
- Truck Travel Time Reliability (TTTR) Index on the NHS

TPA and FDOT staff will present the State of Florida's PM targets and the TPA's draft targets for Palm Beach County that are consistent with statewide targets. Attached is the draft Resolution, presentation, and state PM factsheets.

3. INFORMATION ITEMS

A. South Florida Commuter Services

South Florida Commuter Services staff will provide an overview of their programs for the South Florida region. More information can be found at 1800234Ride.com.

B. Partner Agency Updates

Agency staff from Palm Tran, SFRTA/Tri-Rail, FDOT and/or Palm Beach County Engineering may provide brief updates on items relevant to the TPA.

4. ADMINISTRATIVE ITEMS

A. Routine TPA Reports

1. Public Involvement Activity Reports – March 2023
2. FDOT Scheduling Report – April 2023

B. Next Meeting – **May 18, 2023**

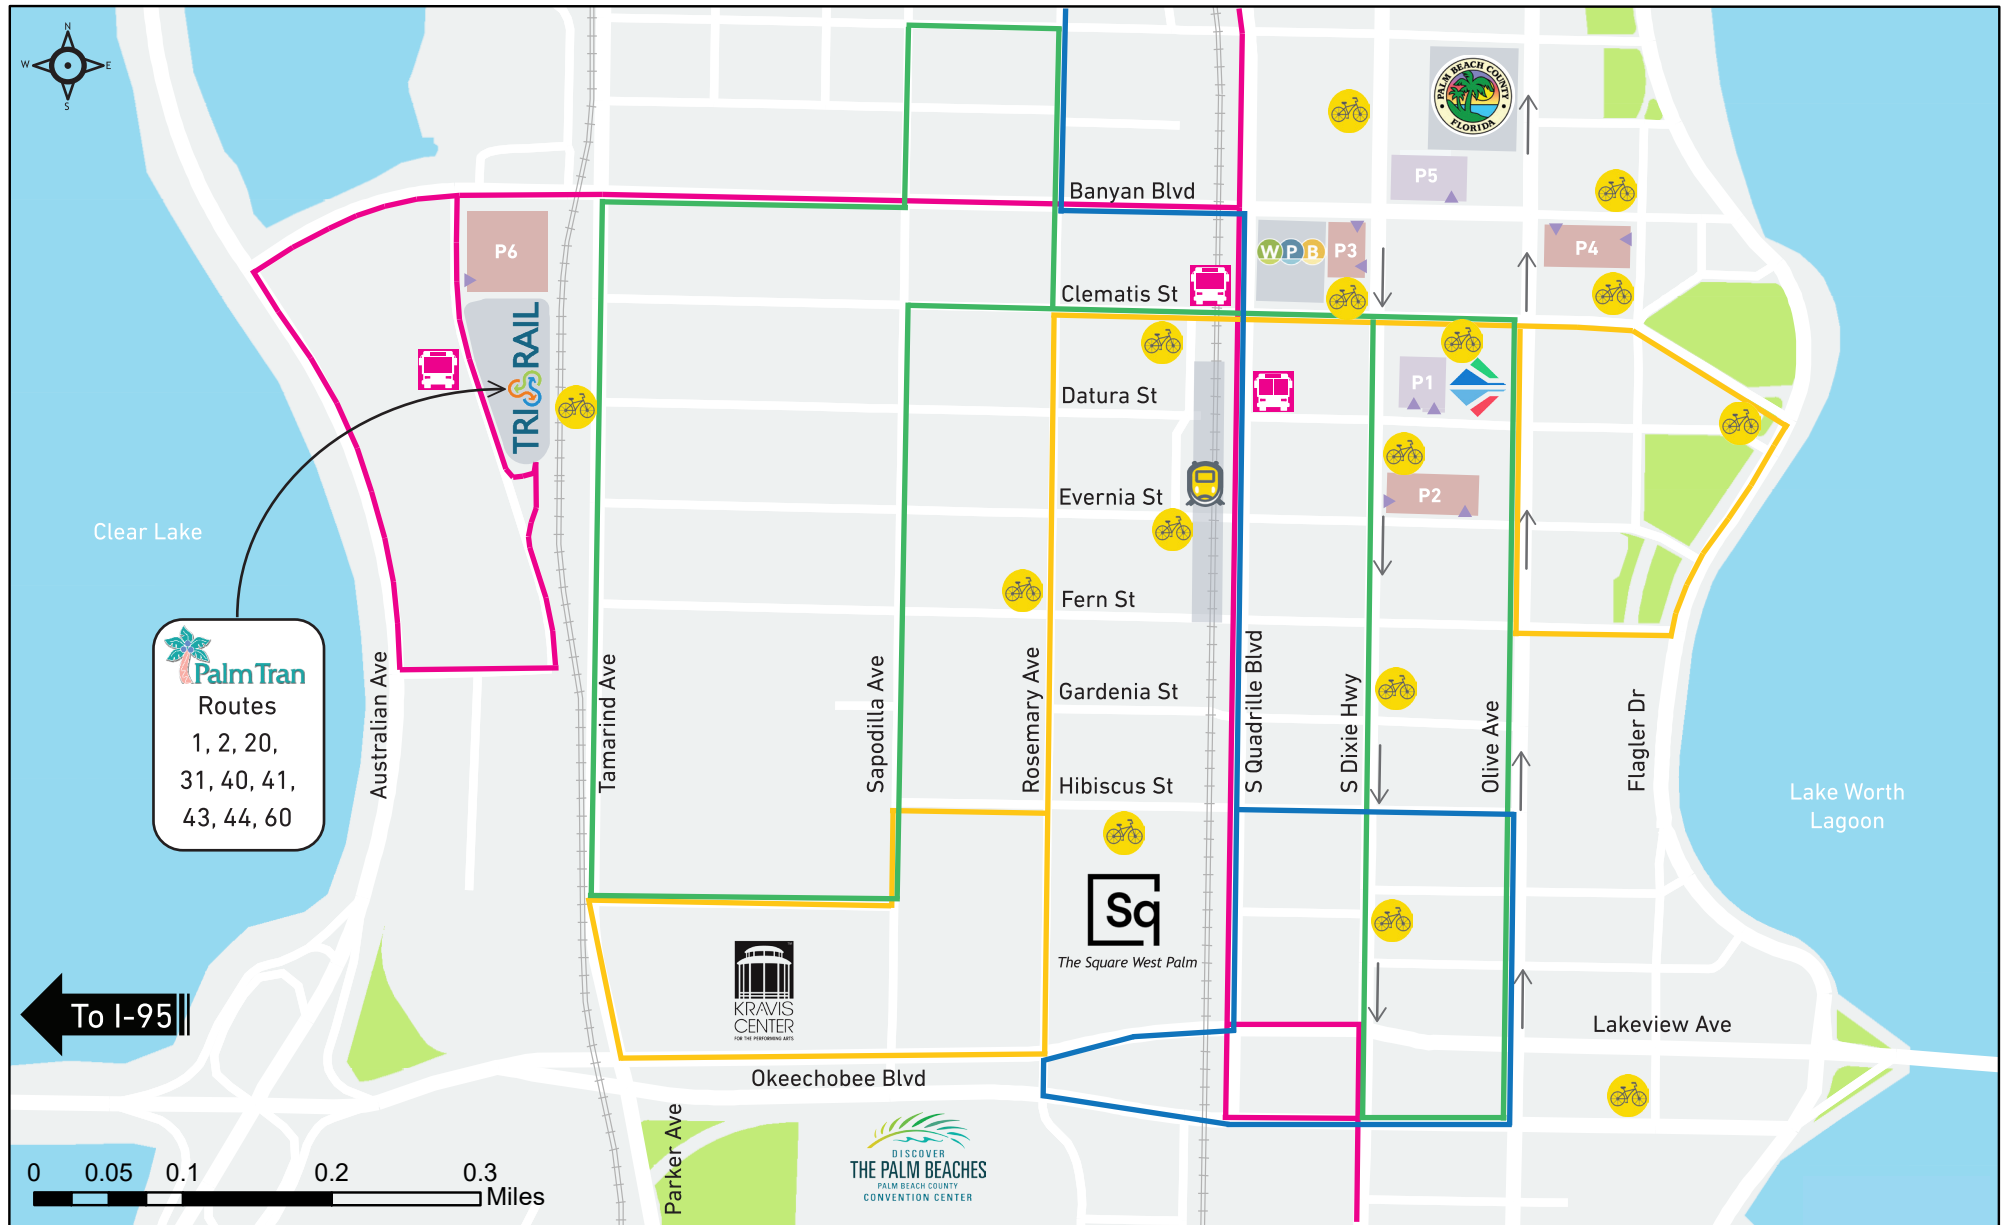

C. Adjournment

NOTICE

In accordance with Section 286.0105, *F.S.*, if a person decides to appeal any decision made by the board, agency, or commission with respect to any matter considered at such meeting or hearing, they will need a record of the proceedings, and that, for such purposes, they may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services for a meeting (free of charge) should contact Melissa Murray at 561-725-0813 or MMurray@PalmBeachTPA.org at least five (5) business days in advance. Hearing impaired individuals are requested to telephone the Florida Relay System at #711.

Se solicita La participación del público, sin importar la raza, color, nacionalidad, edad, sexo, religión, incapacidad o estado familiar. Personas que requieran facilidades especiales bajo el Acta de Americanos con Discapacidad (Americans with Disabilities Act) o personas que requieren servicios de traducción (sin cargo alguno) deben contactar a Melissa Murray al teléfono 561-725-0813 o MMurray@PalmBeachTPA.org por lo menos cinco días antes de la reunión. Si tiene problemas de audición, llamar al teléfono 711.

OFFICIAL MEETING MINUTES OF THE PALM BEACH TRANSPORTATION PLANNING AGENCY (TPA) GOVERNING BOARD

March 16, 2023

301 Datura Street, West Palm Beach, FL 33401
Meeting was also conducted virtually via Zoom

These minutes are a summary of the meeting events and may not reflect all discussion that occurred. PDF versions of the agenda, backup materials, presentations, and audio recordings are available for review at PalmBeachTPA.org/Board.

1. REGULAR ITEMS

1.A. Call to Order and Roll Call

CHAIR REED called the meeting to order at 9:02 a.m.

The Recording Secretary called the roll. A quorum was present in-person as depicted in the table below.

Member	Attendance	Member	Attendance	Member	Attendance
Steve Wilson	P	Reinaldo Diaz	P	Shirley Lanier	A
Yvette Drucker	A	Joni Brinkman	P	Jeff Hmara (Alt)	P
Fran Nachlas (Alt)	P	Deandre Poole	P	Michael Napoleone	P
Angela Cruz	A	Gregg Weiss	P	Christy Fox	A
Shelly Petrolia	P	Marcie Woodward	A	Shalonda Warren (Alt)	P
Joel Flores	A	Maria Sachs	A	Maria Marino	P
Jim Kuretski	P	Mack Bernard	A	Chelsea Reed	P

P = Present A = Absent

1.B. Invocation and Pledge of Allegiance

Mayor Wilson led the invocation and pledge.

1.C. Modifications to the Agenda

The Recording Secretary stated Council Member Yvette Drucker requested permission to participate remotely due to a leak at her home.

There were no objections to her virtual participation, and she was permitted to join the meeting remotely.

1.D. General Public Comments

There were no public comments received.

1.E. Special Presentations

CHAIR REED read the March 2023 Florida Bicycle Month Proclamation.

Mayor Flores and Commissioner Woodward joined the meeting in person.

1.F. Comments from the Chair and Member Comments

CHAIR REED welcomed and invited Board Member Representatives Commissioner Shalonda Warren and Council Member Fran Nachlas to introduce themselves and congratulated Mayor Wilson and Vice Mayor Brinkman on their re-elections. She also noted the Board meeting schedule was provided on the dais.

Councilman Napoleone shared the new Diverging Diamon Interchange (DDI) was open in Boca Raton. Council Member Drucker and Christine Fasiska, FDOT, noted DDI closures would occur on March 24 -27. Member discussion ensued about signage for construction projects when there is a closure.

1.G. Executive Director's Report

There were no public comments on this item.

CHAIR REED encouraged Board members to fill out Palm Tran's Port St. Lucie Express Bus Survey.

1.H. APPROVED: Consent Agenda Items

1. Governing Board Meeting Minutes for February 16, 2023
2. Appointments to the TPA Advisory Committees through March 2026
 - a. Gwendolyn Lowery as the Port of Palm Beach Citizen's Advisory Committee (CAC) Representative.
3. Appointments to the Transportation Disadvantaged Local Coordinating Board (TD LCB) through March 2026
 - a. Nancy Yarnall as the Agency for Area Aging Representative.
4. Resolution amending the TPA Financial Policies to reflect the current Finance Department roles and responsibilities and sharing of audit procedures.

There were no public or member comments on these items.

Commissioner Sachs joined the meeting in person.

MOTION to Approve the Consent Agenda made by Mayor Flores, seconded by Mayor Petrolia, and carried unanimously 17-0 as depicted in the table below.

Member	Vote	Member	Vote	Member	Vote
Steve Wilson	Y	Reinaldo Diaz	Y	Shirley Lanier	A
Yvette Drucker	Y	Joni Brinkman	Y	Jeff Hmara (Alt)	Y
Fran Nachlas (Alt)	Y	Deandre Poole	Y	Michael Napoleone	Y
Angela Cruz	A	Gregg Weiss	Y	Christy Fox	A
Shelly Petrolia	Y	Marcie Woodward	Y	Shalonda Warren (Alt)	Y
Joel Flores	Y	Maria Sachs	Y	Maria Marino	Y
Jim Kuretski	Y	Mack Bernard	A	Chelsea Reed	Y

Y = Yes N = No A = Absent ABST = Abstain

2. ACTION ITEMS

2.A. **MOTION TO ADOPT:** the TPA's Public Participation Plan (PPP) Update

MELISSA MURRY, TPA Public Relations Director, presented this item.

There were no public comments on this item.

MAYOR KURETSKI asked about how the TPA engages the public and how the public feels heard in influencing the planning process.

VICE CHAIR MARINO asked about the 45-day comment period end date.

MAYOR WILSON asked staff to provide opportunities besides social media for public engagement.

COUNCILMAN HMARA encouraged TPA staff to review reports on projects and attend meetings for transportation projects in Palm Beach County.

CHAIR REED asked for the demographics of the 12 comments that were received on the PPP and encouraged other Board Members to subscribe to the TPA newsletter. She stated that the Board is the link between the TPA and members of the public.

Vice Chair Marino, Mayor Weiss, and Mayor Wilson left the meeting.

MOTION to Adopt the TPA's PPP made by Councilman Napoleone, seconded by Mayor Flores, and carried unanimously 14-0 as depicted in the table below.

Member	Vote	Member	Vote	Member	Vote
Steve Wilson	A	Reinaldo Diaz	Y	Shirley Lanier	A
Yvette Drucker	Y	Joni Brinkman	Y	Jeff Hmara (Alt)	Y
Fran Nachlas (Alt)	Y	Deandre Poole	Y	Michael Napoleone	Y
Angela Cruz	A	Gregg Weiss	A	Christy Fox	A
Shelly Petrolia	Y	Marcie Woodward	Y	Shalonda Warren (Alt)	Y
Joel Flores	Y	Maria Sachs	Y	Maria Marino	A
Jim Kuretski	Y	Mack Bernard	A	Chelsea Reed	Y

Y = Yes N = No A = Absent ABST = Abstain

3. INFORMATION ITEMS

3.A. **FDOT Strategic Intermodal System (SIS) Draft 2050 Cost Feasible Plan Update**

RON KAREIVA, FDOT, presented this item.

There were no public comments on this item.

MAYOR KURETSKI sought clarification on the project on Indiantown Road.

COMMISSIONER SACHS asked for further details about projects on I-95 and the Turnpike.

Vice Chair Marino and Mayor Weiss joined the meeting in person.

3.B. **TPA Vision 2050 Long Range Transportation Plan (LRTP)**

NATHAN GEORGE, LRTP Coordinator, presented this item.

There were no public comments on this item.

MAYOR KURETSKI encouraged collaboration between the TPA, Municipalities, and Palm Beach County.

COUNCILMAN HMARA asked for an update on the 561 Plan, and on the modeling process in the LRTP

COMMISSIONER SACHS asked about inclusion of planning for electric and autonomous vehicles in the 2050 LRTP.

COMMISSIONER DIAZ commended the inclusion of housing equity in the 2050 LRTP and improving quality of life for traditionally underserved communities.

MAYOR WEISS commented on changing density in the region, state legislation on housing, and the impact it will have on transportation.

Member discussion ensued about planning for future technology, including electric and autonomous vehicles.

Commissioner Warren, Mayor Flores, and Chair Pro Tem Brinkman left the meeting.

3.C. Transportation Disadvantaged Local Coordinating Board (TDLCB) Update

GREG GABRIEL, TPA Transit Coordinator, presented this item.

There were no public comments on this item.

CHAIR REED noted her involvement with the TDLCB and the impact of the Board.

3.D. Partner Agency Updates

YASH NAGAL, Palm Tran Interim Director of Transit Planning, noted increasing ridership, service changes on the Northlake Route, and the Port St. Lucie Express Bus Service Survey.

VICE CHAIR MARINO asked about collaboration with Martin and Port St. Lucie counties for the express bus service.

COUNCILMAN HMARA asked about upcoming changes to Palm Tran routes.

4. ADMINISTRATIVE ITEMS

4.A. Routine TPA Reports

1. Public Involvement Activity Report – February 2023

2. FDOT Scheduling Report – March 2023

There were no public comments or Board member discussion on these items.

4.C. Next Meeting – April 20, 2023

4.D. Adjournment

There being no further business, the Chair declared the meeting adjourned at 10:54 a.m.

This signature is to attest that the undersigned is the Chair, or a designated nominee, of the TPA Governing Board and that the information provided herein is the true and correct Minutes for the March 16, 2023, meeting of the Board, dated this 20th day of April 2023.

Chair Chelsea Reed

Subject: Village of Wellington Representative / Alternate
Palm Beach TPA TAC Committee

Dear Ms. Nielson:

I would like to formally request to designate Jonathan Reinsvold, P.E. as Wellington's representative on the Palm Beach TPA TAC Committee and Tim Stillings, AICP as the alternate to Mr. Reinsvold. Mr. Reinsvold will be replacing Mr. O'Dell in this position. Mr. Stillings would be replacing Mr. Reinsvold who previously served as alternate to Mr. O'Dell.

Mr. Reinsvold is currently the Village of Wellington's Engineer and has experience in roadway design, capital projects and transportation issues in the Village of Wellington. He is well qualified to serve as the representative replacing Mr. O'Dell on the Committee. Mr. Stillings is currently the Planning, Zoning, and Building Director for Wellington.

Please advise if you have any questions. Resumes for both Mr. Reinsvold and Mr. Stillings are attached.

Regards,

Jim Barnes,
Village Manager

JONATHAN REINSVOLD

PROFESSIONAL ENGINEER

561-701-3972

JReinsvold@wellingtonfl.gov

7686 Hoffy Circle, Lake Worth, FL 33467

RESUME OBJECTIVE:

To continue my career with the Village of Wellington as the Village Engineer, serving since February 2021.

WORK EXPERIENCE SUMMARY:

2014 - Present

VILLAGE OF WELLINGTON

Village of Wellington, FL
Village Engineer, February 2021 – Present
Senior Engineer, March 2014 – February 2021

2010 – 2014

LAND DEVELOPMENT DIRECTOR / CMS ENGINEERING

Boynton Beach, FL
Served as the Land Development Director whose principal client was ANSCA Homes. My chief objective was to maximize the entitlements of the properties they owned by the client. During my time with CMS Engineering I was responsible for the planning, design and permitting of over 600 acres of land including residential, commercial, recreation and civic use.

2005 – 2010

ENGINEERING INTERN / IBI GROUP

Coral Springs, FL
Began my career as a college intern and eventually settled into an EI (Engineering Intern) position after graduating from college. Duties included preparing engineering plans/specifications for a variety of land development projects ranging from industrial to recreation uses. I also prepared permit applications and served as the office gopher from time to time.

- ✓ ICPR 4
- ✓ Microsoft Office Suite
- ✓ Superb problem solving skills
- ✓ Self-directed worker

DETAILED WORK EXPERIENCE:

2014 - Present

VILLAGE OF WELLINGTON

Village of Wellington, FL

- ✓ Serve as Village Engineer since February 2021.
- ✓ Served as the Village of Wellington's in-house design engineer and Engineer of Record for over 30 million dollars worth of construction projects.
- ✓ Project Manager for over 70 Wellington projects.
- ✓ My primary responsibilities are the design, coordination, and implementation of capital improvement projects that are assigned to the Engineering Department.
- ✓ Processes engineering permit reviews including but not limited to proposed plats, site plans, paving/drainage, irrigation, and landscape improvements.
- ✓ Prepares the design of engineering plans and specifications for in-house projects to ensure conformance with applicable codes and standards.
- ✓ Coordinates design and consulting work with specialty engineers, such as traffic and structural consultants.
- ✓ Manages contracts for capital improvement projects.
- ✓ Coordinates bid process with the purchasing department.
- ✓ Prepares budgets for Village Projects.
- ✓ Revises and updates the Village of Wellington Engineering Standards Manual as needed.
- ✓ Prepares and delivers reports related to assigned projects and services.
- ✓ Investigates complaints and requests for services related to the engineering department and meets with the general public as needed.
- ✓ Coordinates construction and project planning activities with other departments and acts as a liaison with other governmental agencies and developers.
- ✓ Provides supervision and technical assistance in department services and projects.
- ✓ Serves as Engineer of Record for Village of Wellington Projects.
- ✓ Checks and reviews plans and specifications submitted by private engineering consultants, and provides guidance to contractors, owners, and architects relative to the interpretation and application of Wellington standards and specifications.
- ✓ Furnishes engineering advice in regard to proposals made, specifications and standards set forth, and soundness of design, theory, and construction practice.
- ✓ Designs and details working drawings of general or specialized public works structures or components of structures.
- ✓ Assists in the formulation of engineering standards and specifications; conducts engineering studies and makes recommendations.
- ✓ Reviews construction plans for private developments for compliance with Wellington codes and proper engineering design standards.
- ✓ Performs project management for municipal construction projects, ensuring contractor compliance with project specifications, and time and budget parameters and coordinating communication of pertinent project information with related governmental agencies, consultants, and contractors.
- ✓ Reviews private project development plans, land due plan amendments, zoning petitions, site plans, variance petitions, and various permit applications for compliance with engineering standards.
- ✓ Provides a professional review of projects for staff and consultants seeking development approval; writes and assists in preparation of engineering reports.
- ✓ Oversees special studies involving road alignment, roads and drainage, and design projects
- ✓ Conduct field inspections of Wellington projects, and private projects as needed.
- ✓ Broad Knowledge of the Village of Wellington's Engineering Standards, Land Development Regulations, and Ordinances applicable to the Engineering Department.
- ✓ Extensive Knowledge of the ACME Improvement Districts Stormwater Management System.
- ✓ Maintains and updates ACME R&R plan yearly.
- ✓ Maintains the capital improvement project list that the Engineering Department is responsible for.
- ✓ Able to complete all work tasks without supervision and without clear directive.
- ✓ Superb organizational and time management skills.
- ✓ Successful completion of WellUP leadership training.
- ✓ Prepared and published the Village of Wellington Engineering Standards Manual.

DETAILED WORK EXPERIENCE (CONTINUED):

2010 – 2014

LAND DEVELOPMENT DIRECTOR / CMS ENGINEERING

Boynton Beach, FL

- ✓ Designed and drafted commercial site plans and residential subdivisions in accordance with Palm Beach County Unified Land Development Code.
- ✓ Prepared zoning/land use applications and served as the project representative through the public hearing process.
- ✓ Reviewed environmental and geotechnical reports.
- ✓ Prepared due diligence studies and reported recommendations.
- ✓ Designed, drafted, and prepared construction plans, specifications, and calculations for commercial and residential projects. Construction plans included Roadway plan/profiles, water & sewer plan/profile, mass grading plans, detailed grading & paving plans, lift station & force main plans, horizontal control plans, and all associated details and specifications.
- ✓ Signed and Sealed engineering plans, specifications, and calculations.
- ✓ Prepared regulatory permit applications.
- ✓ Prepared engineers estimate of probable cost based on the design plans and specifications.
- ✓ Created company engineering & drafting standards and project filing system.
- ✓ Produced company templates including letterhead, transmittals, calculation packages, field reports, project flowcharts, and plan title blocks.
- ✓ Prepared construction bid packages for our client's contractors.
- ✓ Reviewed construction plans, specifications, and calculations for conformance with company and regulatory standards.

2005 – 2010

ENGINEERING INTERN / IBI GROUP

Coral Springs, FL

- ✓ Developed construction drawings and specifications using AutoCAD Software.
- ✓ Prepared engineering calculations for PE review.
- ✓ Prepared regulatory permitting applications.
- ✓ Coordinated project submittals with administrative staff.
- ✓ Served as a field engineer during the construction phase of projects, including construction observation and documentation.
- ✓ Projects included industrial, commercial, residential and civic uses.

March 15, 2023

Mrs. Valerie Neilson, Executive Director
Palm Beach Transportation Planning Agency
301 Datura Street
West Palm Beach, FL 33401-5401

RE: Palm Beach Transportation Planning Agency – Technical Advisory Committee
Alternate Representative

Dear Mrs. Neilson:

As you are aware, the previous First Alternate Representative for the City of Palm Beach Gardens on the Palm Beach Transportation Planning Agency (TPA) Technical Advisory Committee (TAC), Michael Morrow, no longer serves as First Alternate Representative for the City. Section 3.2 (C) of the adopted TPA Operating Procedures states “Each TAC Member may nominate a TAC Alternate(s) with a description of the individual's credentials and submit the nomination in writing to the TPA for consideration and approval by the TPA Governing Board.” Therefore, I respectfully request an Alternate Representative for the City of Palm Beach Gardens on the TAC. I nominate Giles Rhoads, P.E., to be appointed as First Alternate Representative for the TAC, in order to stay informed and to give input on important transportation and transit projects. Please see his title and contact information below, and qualifications in the resume attached.

Giles Rhoads, Operations Director
10500 North Military Trail, Palm Beach Gardens, FL 33410
grhoads@pbgfl.com | (561)799-4291

Natalie Crowley remains as the City's current Representative on the TAC, and Peter Hofheinz would remain as the City's Second Alternate Representative on the TAC. Please let me know if there are any questions or concerns. As always, we appreciate the opportunity for the City of Palm Beach Gardens to participate on the TPA's advisory committees.

Sincerely,

Chelsea Reed, Mayor

- ◆ Applications: Microsoft Office (Word, Excel, Outlook, Project and PowerPoint, Teams), Autodesk
- ◆ Hydraulic and Watershed models: HEC-RAS, PONDS, AdICPR, SFWMM, HEC HMS, SWMM

PROFESSIONAL HISTORY

City of Lake Worth Beach Water Department

Assistant Director - Engineering; August 2016 - Present

- ◆ Facilitating the \$17 million annual Capital Improvement Plan and construction management.
- ◆ Negotiate and administer consultant fees and contracts, establishing the scope of capital improvement projects and initiate and maintain consulting task order agreements, review staffing proposals and approving consultant proposal costs

- ♦ Preparing the qualifications package advertisement for the City's continuing design build contractor and assisted in selection process. Negotiating the consultant rates and final award.
- ♦ Managing the implementation of a third level redundant back up system at the City's regional master sewage lift station
- ♦ Supervising and or participating in the preparation of special engineering studies. Preparing the supporting back up data, test, or drawings
- ♦ Calculating cost and determining feasibility of projects based on analysis of collected data and plans
- ♦ Engineering reviews of public and private development projects. Assisting in preparing developer agreements and verifying project closeout documentation is delivered
- ♦ Attending public meetings and coordinating with civic and professional groups as well as other governmental agencies
- ♦ Managing all phases of the State Revolving Fund bonded projects to replace all galvanized water distribution mains in the service area
- ♦ Assists in the preparation of Agenda Items to the City Commission.

City of Riviera Beach Utility Special District

Assistant Executive Director; Feb 2014 – August 2016

- ♦ Assistant Director for 56-person Utility District as well as serving as Acting Executive Director for nearly 6 months
- ♦ Planning and administering the capital improvement projects, overseeing the budget and reporting to Executive Director and City Manager for all projects with the Utility Districts service area
- ♦ Engineering manager for 17.5 MGD WTP, 27 deep raw water well systems, 176-mile finished water distribution system serving a 40,000 person customer base, four 1 million gallon GWS re-pump stations, 120-mile sewer collection system, and 53 lift stations
- ♦ Plan, design, and coordinate water/wastewater utility improvement/emergency projects on a routine basis
- ♦ Directly assist customers with their concerns and complaints on regular basis and coordinating with the Utility Billing Department to resolve issue or claims
- ♦ Management of multiple engineering consultants and contractors, development of schedules for design bidding and construction and provide coordination with other municipalities and agencies
- ♦ Preparing a compliance management schedule for the 20-year Consumptive Use Permit
- ♦ Assisting with Program Management for the Riviera Beach CRA and the Riviera Beach Marina
- ♦ Serving on selection committees for the City and the Utility District for CCNA selections in civil engineering, architectural services, landscape services, surveyor services, roadway design, structural engineering, rate study services, bond purchasing, and owner's representative services

City of Riviera Beach Utility Special District

Utility Engineer; May 2013 – Promoted Feb 2014

- ♦ Project Manager for several Joint Participation Agreement (JPA) between the Utility District and the FDOT for the utility construction and roadway improvements. Tasks include engineering inspection, permit coordination, design review, along with change order negotiations. All projects closed out under project budget, including change orders all while completing ahead of schedule.
- ♦ Scoping work and implementing the Capital Improvement Projects
- ♦ Alternate appointee to the board of the East Coast Regional Wastewater Reclamation Facility (ECR)

- ♦ Serving on selection committees for the ongoing engineering services consultants and utility rate consultant, as well as hiring employees for the water distribution, wastewater collection & transmission, and water treatment plant divisions
- ♦ Overseeing new and rehab projects for the City's 17.5 MGD lime softening water treatment plant
- ♦ Develop a regulation, compliance, and action plan for implementation in the water distribution system
- ♦ Site plan review and permit review of the City's facilities and developer projects
- ♦ Construction administrator for numerous City, County and State roadway improvement projects; many which utilized interlocal agreement for the installation of public utilities.

ZFI Engineering & Construction, Inc.

Senior Project Manager; Oct 2009 – April 2013

- ♦ Regional contract manager for South Florida branch
- ♦ Business development bids and presentations
- ♦ Direct and supervise work activities of other engineers and drafters
- ♦ Key contact to Water Management District (SFWMD) contracts which were continually renewed and cultivated other contracts
- ♦ Developed site specific HEC-RAS & HEC-HMS regulation models for multiple contracts with the SFWMD and SWFWMD
- ♦ Responsible for civil design retrofitting for multiple SFWMD central and south branch remote telemetry flood control shelters

ZFI Engineering & Construction, Inc.

Hydrological Modeling Contractor for the SFWMD; Dec 2008 – Oct 2009

Primary purpose was to provide general technical support for regional-scale hydrologic modeling for CERP projects in support of the Interagency Modeling Center (IMC) at SFWMD.

- ♦ Computer program and/or script development relating to the pre- and post-processing of model data for the South Florida Water Management Model (SFWMM)
- ♦ Review and analysis of regional model results in relation to developed Performance Measures
- ♦ Development and calibration of sub-regional water budget models
- ♦ Written review of modeling products (model input and output)
- ♦ Finished contract in budget with very satisfactory rating and option for renewal

Hill, Boring & Associates, Inc.

Project Manager; June 2005 - Dec 2008

- ♦ Development of new hydrological conveyance and storage sites for new and retrofit of commercial, industrial, and residential development. Primary design focus on concurrency, costs, accessibility, natural conditions and appearance, roadway, drainage and utility infrastructure
- ♦ Perform site and project feasibility studies through development of conceptual plans, property research and knowledge of ordinances involved in land zoning
- ♦ Field investigation of sites for hydraulic, hydrologic, drainage analysis and tidal patterns, water transmission systems, as-built studies, and transportation issues relative to design
- ♦ Preparing design plans, calculations, model data for stormwater and tidal conveyance, water/wastewater transmission systems, and roadways for permit approval
- ♦ Selecting and coordinating efforts of outside consultants such as surveyors, environmental scientist, geotechnical scientists, pump vendors and historical archeologists in order to meet requirements for permit approval
- ♦ Providing contract and construction administrative services

**Re: Appointment of Michael Giambrone as Alternate for
Palm Beach County Department of Airports**

Dear Ms. Neilson:

Please accept this letter as a request to appoint Michael Giambrone, as an Alternate to represent the Palm Beach County Department of Airports on the Transportation Planning Agency's Technical Advisory Committee (TAC). It is requested that Mr. Giambrone be listed as a 2nd Alternate for the Department of Airports, with the intention of taking over the primary role once he becomes familiar with the TPA TAC organization and processes. Mr. Giambrone is currently Director of Airports Planning for the Department of Airports. Per the attached resume, Mr. Giambrone is more than qualified to represent the Department of Airports on the TAC as an Alternate. His contact information appears below:

Michael Giambrone

Director of Airports Planning
Palm Beach County Department of Airports
846 Palm Beach International Airport
West Palm Beach, FL 33406
Tel. No. (561) 471-7423 Email: mgiambrone@pbia.org

Should you have questions regarding this request, please feel free to contact me at your earliest convenience.

Thank you in advance.

Sincerely,

Gary M. Sypek
Senior Deputy Director
Palm Beach County Department of Airports

Auburn University

Bachelor of Science in Business Administration
Aviation Management

Palm Beach County Department of Airports (November 2022 – present)

Director of Airports Planning

- Director of Airports Planning responsible for professional, administrative, and technical work planning and coordinating airport development at Palm Beach International Airport and three other general aviation airports
- Supervise staff of management, professional, technical, and support employees engaged in planning, technical services, noise abatement and community affairs operations
- Research, coordinate, and implement Airport Master Plans
- Act as contract administrator for consultant agreements
- Develop, update, and implement Airport Capital Improvement Plans

Georgia Department of Transportation, ResourceTek

Aviation Planning Manager (September 2020 – November 2022)

- Aviation Planning Manager responsible for supervising staff, including direct supervision of GDOT's Aviation Planner, Environmental Program Manager, and Aviation Program Safety Data Manager
- Review and approve forecasts for airport planning projects
- Review, comment, and approve Airport Layout Plans and Master Plans for Georgia's State Block Grant Program Airports
- Award Federal and State Funding for eligible and justified projects at airports in Georgia
- Manage statewide airport and aviation-related planning projects (Aviation System Plan, Statewide Air Cargo Study, Statewide Airport Obstruction Surveys, Small Community Air Service Development Program Marketing Grants, Statewide Exhibit 'A' Property Map and GIS Land Inventory, and other studies)
- Coordinate and manage planning and capital improvement projects with federal, state, and local stakeholders

Aviation Planner/Project Manager (June 2018 – September 2020)

- Aviation Planner responsible for assessing, planning, and analyzing Georgia's Airport System
- Assist with managing statewide planning studies to determine airport/aviation needs (State System Plan, Airport Master Plans, Pavement Management, Air Service, Economic Impact, and other airport and aviation-related studies)
- Assist in reviewing and resolving airport compliance issues and Part 13 complaints
- Review, comment, and approve scopes of work, airport master plans, airport layout plans, and other specialized planning studies
- Award federal approval for planning projects on behalf of the State Block Grant Program
- Prioritize airport projects and work with airports to develop their Capital Improvement Plan
- Project Manager for airport capital improvement projects responsible for allocating federal/state funding, working with airport sponsors and consultants, approving scope submittals, payments, plan reviews, and project monitoring

Aviation Project Manager (November 2016 – June 2018)

- Responsible for the direction, coordination, and management of Federal Aviation Administration (FAA) and State Airport Aid Program planning and airport capital improvement projects for the State Block Grant Program
- Construction plans and specification reviews
- Administrative support during project execution
- Inspections of construction sites to verify compliance with federal and state aviation regulations and construction safety
- Develop relationships with airport sponsors, consultants, state and federal agencies
- Ensure proper utilization and allocation of Federal Airport Improvement Program and State Airport Aid Program Funds

Projects:

- Planning, Design, and Construction Projects including Runway Extensions, Terminal Building Construction, Land and Easement Acquisition, Obstruction Removal, Crack Seal and Marking, Airport Layout Plans, Runway Safety Area Improvements, Lighting Rehabilitation, and others

City of Atlanta Department of Aviation - Hartsfield Jackson Atlanta International Airport (ATL)

Airside Operations Supervisor (July 2012 – November 2016)

- Ensure the Aircraft Movement Area (AMA) complies with FAR Part 139 regulations
- Conduct airfield inspections and assist with maintenance and improvement plans
- Work with the FAA air traffic control tower to coordinate construction and maintenance on the airfield
- Issue Notices to Airmen
- Serve as liaison between the Operations, Planning, and Maintenance Divisions
- Instruct the Aircraft Movement Area (AMA) Driver Training Program
- Communicate pertinent information with FAA, NTSB, TSA, ARFF, airlines, contractors, first responders, and other airport stakeholders

Airside Operations Supervisor – Construction/Airfield Coordinator (October 2013 – July 2015)

- Review construction plans, attend project meetings, coordinate schedules with contractors and stakeholders, coordinate airfield closures, issue Notices to Airmen and nightly airfield closure maps
- Attend and conduct meetings with ATL's Maintenance Department, planners, contractors, consultants, and engineers
- Write Letters of Agreement between the Department of Aviation and other entities

Projects:

- Rwy 8L/26R Runway Replacement, Airfield Marking Replacement, Airfield LED Lights, North Deicing Facility, Runway Safety Area, Airfield Repairs, Taxiway Pavement Replacement

Birmingham Airport Authority - Birmingham-Shuttlesworth International Airport (BHM)

Operations Specialist II (October 2009-June 2012)

- Patrol airfield, perform inspections, assist with wildlife control, respond to landside/airside incidents, ensure compliance with applicable FAR and TSAR regulations, staff operations center, assist with SIDA badge program, act as information liaison between the public, tenants, and Airport Authority

University of California, Berkeley – Airport Planning Course (Fall 2021)

American Association of Airport Executives (AAAE)

Certified Member (CM) (2013)

RE: Technical Advisory Committee Alternate Member for Palm Beach
County Engineering and Public Works Department

Dear Andrew,

This letter is to request the appointment of Mr. Rasem Awwad, Manager of Traffic Signal and ITS Systems, as an additional alternate TAC member representing Palm Beach County Engineering and Public Works Department. Motasem Al-Turk, Traffic Division Director, is the Department's representative and Melissa Ackert, Assistant Traffic Director, remains as an alternate as well. Attached is a copy of Mr. Awwad's bio summary.

Regards,

A handwritten signature in blue ink, appearing to read "Motasem Al-Turk".

Motasem Al-Turk, Ph.D., P.E
Director, Traffic Division

MAA:mkb

cc: David Ricks, P.E., County Engineer
Melissa Ackert, P.E., Assistant Director – Traffic Division
Rasem Awwad, P.E., Manager Traffic Engineering Operations – Traffic Division

N:\TRAFFIC\MAA\Correspondence\2022\2023-03-31 (MAA) TPA_TAC Alternate Rep - RA.docx

*"An Equal Opportunity
Affirmative Action Employer"*

Rasem Awwad, PE, PTOE – Manager, Traffic Signal Systems, Traffic Division, Palm Beach County

Rasem Awwad PE, PTOE is the Traffic Signal Systems Manager of Palm Beach County's Traffic Division overseeing traffic signal operations, Intelligent Transportation Systems (ITS) and Traffic Management Center (TMC) operations. Since joining the County in 2018 he has worked on several initiatives including TMC upgrades, managing the deployment of Flashing Yellow Arrows, expanding the Arterial Management Program and development of a comprehensive arterial re-timing program.

Prior to joining the County, Rasem served as the City of Boca Raton's Traffic Operations Manager, where he led the City's traffic operations and maintenance, street lighting, traffic calming, and traffic safety efforts. Rasem also served as the City's Transportation Planning Manager, overseeing growth management, transportation infrastructure improvements and grant funding. Rasem's 20 years of expertise in the transportation design and operations industry also includes serving as City Traffic Engineer at the City of Sandy Springs, Georgia, preceded by leading roadway and traffic design projects in the private sector.

West Palm Beach, Florida 33411

Subject: Village of Wellington Representative / Alternate
Palm Beach TPA TAC Committee

Dear Ms. Nielson:

I would like to formally request to designate Jonathan Reinsvold, P.E. as Wellington's representative on the Palm Beach TPA TAC Committee and Tim Stillings, AICP as the alternate to Mr. Reinsvold. Mr. Reinsvold will be replacing Mr. O'Dell in this position. Mr. Stillings would be replacing Mr. Reinsvold who previously served as alternate to Mr. O'Dell.

Mr. Reinsvold is currently the Village of Wellington's Engineer and has experience in roadway design, capital projects and transportation issues in the Village of Wellington. He is well qualified to serve as the representative replacing Mr. O'Dell on the Committee. Mr. Stillings is currently the Planning, Zoning, and Building Director for Wellington.

Please advise if you have any questions. Resumes for both Mr. Reinsvold and Mr. Stillings are attached.

Regards,

Jim Barnes,
Village Manager

cc: Amanda Williams, Executive Assistant, Palm Beach TPA

Encl. (2)

TIMOTHY STILLINGS, AICP, LEED® AP

Certified planner with 25 years of zoning, land use, comprehensive, and transportation planning, and economic development experience.

EXPERIENCE

Planning, Zoning and Building Director – 2019-Present

Planning & Development Services Director – 2012-2015

Long Range Planning Director – 2011-2012

Village of Wellington, Wellington, FL

Managed and supervised a team of more than 50 professionals in four divisions. Present Department items to Village Council and advisory boards. Prepare and present land development code amendments and Village code amendments. Coordinate with developers, landowners, and public for development proposals.

Development Services Director – 2015-2019

City of Delray Beach, Delray Beach, FL

Joined city to manage the Planning & Zoning Department of approximately 15 staff persons. Within four months, the Building Division was merged into the Planning, Zoning, and Building Department for a combined staff of approximately 43 positions and an operating budget of more than \$4 million. The Department is responsible for development applications, administering the land development regulations, managing the comprehensive plan, and building permitting and inspections.

Kimley-Horn and Associates, Inc. Associate – 2003-2011

West Palm Beach, FL

Lead planner for the West Palm Beach office. Managed more than \$3 million in planning and entitlement projects. Planning practice included preparation of comprehensive plan evaluations and updates, form-based codes and districts, transportation concurrency exception areas, transportation demand management programs, and district design guidelines, and general planning services for public agencies and private developers.

Senior / City Transportation Planner – 1998-2003

Planning Technician / Associate Planner – 1995-1998

City of West Palm Beach, West Palm Beach, FL

Supported City Transportation Planner. Represented the city at the Palm Beach County MPO Technical Advisory Committee and Bicycle/Pedestrian Advisory Committee. Served as staff liaison to the city's airport advisory committee. Managed city's transportation planning division including the city's traffic calming program, site plan reviews, and transportation element of the comprehensive plan. Coordinated with the Florida Department of Transportation and contractors during the reconstruction of US 1.

Reviewed building permit applications for zoning and code compliance. Assisted public inquiries at the building permit counter. Supported the planning division staff. Reviewed development applications, prepared staff reports, and presented cases to the Planning Board and City Commission.

Good morning,

Your Representative and Alternate's terms on the Palm Beach TPA Vision Zero Advisory Committee (VZAC) end in April, 2023. Your current representative is Michael Owens and your current alternate is Joyell Shaw. Please let us know if you would like to nominate new or the same representative and alternate by Thursday, April 6 for appointment at our next TPA Governing Board meeting on April 20.

TPA advisory committee appointments have a three-year term; however, can be changed at any time at the board member's request for approval by the TPA Governing Board.

VZAC representatives should include representatives of local governments, law enforcement and fire rescues services, school district, health department, active transportation advocacy groups, and other entities as deemed appropriate by the TPA Board to advance those elements of the TPA's Vision Zero Action Plan oriented around pedestrian and bicycle

safety. This committee typically meets the first Thursday of each month at 9 a.m. except for the months of January, August, and November. For more information about the VZAC, please visit: PalmBeachTPA.org/VZAC

To nominate a new representative, please provide the following:

1. Email, letter, or resolution notifying the TPA of the request for appointment.
 1. Method is dependent on your agency's process for appointing representatives on external agency committees.
 2. Please address and send correspondence to Valerie Neilson, TPA Executive Director, at VNeilson@PalmBeachTPA.org.
2. Resume or summary of the appointee's credentials.
3. Contact information for appointee.

If you have any questions, please let me know.

Best wishes,

Amanda K. Williams

TPA RESOLUTION 2023-06

A RESOLUTION APPROVING AMENDMENT 4 TO THE FISCAL YEAR (FY) 2023-2027 TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

WHEREAS, the Palm Beach Metropolitan Planning Organization (MPO) doing business as the Palm Beach Transportation Planning Agency (TPA), is the designated and duly constituted body responsible for the urban transportation planning process for Palm Beach County; and

WHEREAS, both 23 U.S.C. §134(j) and 23 CFR §450.326 mandate that the TPA develop and update a TIP at least every 4 years that reflects the investment priorities of the TPA's adopted Long Range Transportation Plan and covers a period of no less than 4 years; and

WHEREAS, the TPA's FY 23-27 TIP is a staged program encompassing a five-year period and including all regionally significant transportation improvements to all modes of travel in Palm Beach County as well as locally funded transportation improvement projects; and

WHEREAS, the TIP identifies projects for maintaining and improving the transportation system funded by federal, state and local sources in order to assist local governments with their transportation planning efforts; and

WHEREAS, the Florida Department of Transportation (FDOT) has requested approval of an amendment to:

- Add #4527191 Forest Hill Blvd at FEC railroad crossing safety project
- Increase length and associated design costs for #4132601 I-95 at Palm Beach Lakes Blvd.

NOW THEREFORE, BE IT RESOLVED BY THE PALM BEACH MPO, d/b/a PALM BEACH TRANSPORTATION PLANNING AGENCY, THAT:

SECTION 1. The foregoing recitals are hereby adopted and declared to be true and correct and are incorporated herein.

SECTION 2. The TPA Governing Board hereby approves Amendment 4 to the FY 23-27 Transportation Improvement Program, attached hereto as "Exhibit A" and by this reference incorporated herein, and authorizes its Executive Director to execute any and all corresponding documents to memorialize this approval. This amendment does not affect or re-adopt any other provision of the TIP.

SECTION 3. This Resolution shall take effect upon adoption.

The foregoing Resolution was offered by _____ who moved its adoption. The motion was seconded by _____, and upon being put to a vote, the motion passed.

The Chair thereupon declared the Resolution duly adopted this 20th day of April 2023.

**SUBJECT: Palm Beach Transportation Planning Agency
TIP Amendment Request FY 2022/23 – 2026/27
452719-1 SR-882/FOREST HILL BLVD**

Dear Ms. Neilson:

Pursuant to *Part IV – Chapter 5: Statewide and Local Transportation Improvement Programs (STIP and TIP) of the Work Program Instructions*, the Florida Department of Transportation (FDOT) requests your processing and approval of the attached amendment to the FY 2022/23 – 2026/27 Transportation Improvement Program. This amendment is required because a new project has been added to the work program and needs to be reflected in the TIP. The project is for railroad flagging to do critical maintenance to correct a safety issue that was constructed incorrectly by the railroad on the FEC corridor at Forest Hill Road.

This Transportation Improvement Program Amendment should be consistent with the Adopted Long-Range Transportation Plan. The adopted TIP remains financially constrained. The TIP amendment is as follows (changes are underlined in the proposed table):

PROPOSED	FM#	Project Title		Type of Work		Project Length
	452719-1	SR-882/FOREST HILL BLVD		RAIL SAFETY PROJECT		<u>0.000 MI</u>
	Phase	Fund	FY 2023	FY 2024	FY 2025	FY 2026
	RRU	<u>RHH</u>	<u>12,000</u>	0	0	0
	TOTAL		12,000	0	0	0

If you have any questions or need additional information, please contact Marsha Taylor-Long at (954) 777-4401.

Sincerely,

Marsha Taylor-Long
Planning Specialist
District Four

The above TIP amendment was authorized to be included in the FY 2022/23-2026/27 Transportation Improvement Program.

**SUBJECT: Palm Beach Transportation Planning Agency
TIP Amendment Request FY 2022/23 – 2026/27
413260-1 SR-9/I-95 @ PALM BEACH LAKES BLVD**

Dear Ms. Neilson:

Pursuant to *Part IV – Chapter 5: Statewide and Local Transportation Improvement Programs (STIP and TIP) of the Work Program Instructions*, the Florida Department of Transportation (FDOT) requests your processing and approval of the attached amendment to the FY 2022/23 – 2026/27 Transportation Improvement Program. This amendment is required because the project scope has been significantly changed and needs to be reflected in the TIP. The original project length which was programmed during the planning study was incorrect and did not include the ramps that are being widened and the receiving local road that is under the I-95 bridge. The amendment would revise the length to 1.363 miles.

This Transportation Improvement Program Amendment should be consistent with the Adopted Long-Range Transportation Plan. The adopted TIP remains financially constrained. The TIP amendment is as follows (changes are underlined in the proposed table):

EXISTING	FM#	Project Title		Type of Work		Project Length
	413260-1	SR-9/I-95 @ PALM BEACH LAKES BLVD		INTERCHANGE JUSTIFICATION/MODIFICATION		<u>0.500 MI</u>

TPA RESOLUTION 2023-07

A RESOLUTION ADOPTING NEW TARGETS FOR FEDERALLY REQUIRED BRIDGE, PAVEMENT AND SYSTEM PERFORMANCE MEASURES

WHEREAS, the Federal Highway Administration (FHWA) performance measure implementation requires the Palm Beach Metropolitan Planning Organization (MPO), doing business as the Palm Beach Transportation Planning Agency (TPA), to adopt new targets for federal performance measures;

WHEREAS, the TPA is required to adopt targets within 180 days after the State of Florida adopts statewide targets; and

WHEREAS, the State of Florida adopted targets using year 2021 as a baseline, resulting in target-setting for two-years at 2023, and four-years at 2025; and

WHEREAS, one-year safety targets (PM1) were adopted by the TPA at the February 16, 2023 Governing Board meeting; and

WHEREAS, two-year (2023) and four-year (2025) bridge condition (PM2), pavement condition (PM2), and system performance (PM3) targets are required to be adopted by June 14, 2023;

WHEREAS, FDOT re-adopted the previous statewide targets for the three performance measure categories, shown in the summary table attached herein as “Exhibit A”; and

WHEREAS, the TPA previously adopted statewide targets for pavement condition and chose to set more aggressive targets for bridges and system reliability that are closer to the existing performance of Palm Beach County.

NOW THEREFORE, BE IT RESOLVED BY THE PALM BEACH MPO, d/b/a PALM BEACH TRANSPORTATION PLANNING AGENCY, THAT:

SECTION 1. The foregoing recitals are hereby adopted and declared to be true and correct and are incorporated herein.

SECTION 2. The TPA Governing Board hereby:

- a. Adopts the Federal Performance Measure targets for Palm Beach County, attached hereto as "Exhibit A" and by this reference incorporated herein;
- b. Directs TPA staff to integrate these performance measures and targets into the Long Range Transportation Plan (LRTP) and Transportation Improvement Program (TIP).

SECTION 3. This Resolution shall take effect upon adoption.

The foregoing Resolution was offered by _____ who moved its adoption. The motion was seconded by _____, and upon being put to a vote, the motion passed. The Chair thereupon declared the Resolution duly adopted this 20th day of April 2023.

PALM BEACH METROPOLITAN PLANNING ORGANIZATION,
d/b/a PALM BEACH TRANSPORTATION PLANNING AGENCY

By: _____
Chelsea Reed, as its Chair

ATTEST:

Amanda K. Williams, TPA Agency Clerk

APPROVED AS TO FORM AND LEGAL SUFFICIENCY

Paul R. Gougelman, TPA General Counsel

Exhibit A: Performance Measures and Targets

Palm Beach Transportation Planning Agency (Palm Beach County)

Performance Measure	Actual 2021	Actual 2022	Proposed 2023 Targets	Proposed 2025 Targets

Transportation Performance Management (TPM)

Performance Based Planning and Programming

Palm Beach TPA Board Meeting
April 20, 2023

1

Today's Objectives

Performance Measures – Brief Background and Purpose

How Targets are Determined / Target Setting Options

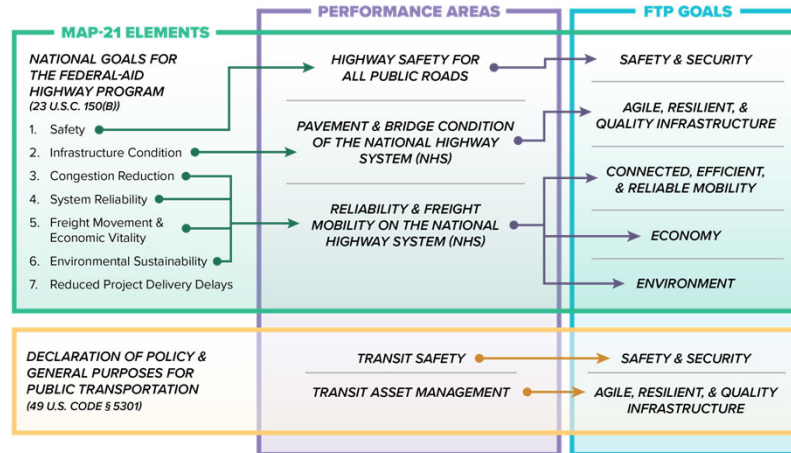

MPO Requirements / Assessment of Progress

2

TPM Goals and Performance Areas

3

TPM Framework Performance Based Planning and Programming

TPM uses past performance levels and forecasted conditions to measure progress toward strategic goals as a means to guide investments.

4

PM2: Bridge Performance Measures

Justifications for Targets

FDOT steps taken as a part of the target setting process:

- Review and analysis of the last five (5) years of FDOT's bridge data collected through the annual bridge inventory process
 - Percentage of deck area for all bridges on the NHS

- Set the targets

PM2: Bridge Performance Measure Targets

BRIDGE CONDITION PERFORMANCE MEASURES	1 ST PERFORMANCE PERIOD		ACTUAL DATA					2 ND PERFORMANCE PERIOD	
	2019 TARGET	2021 TARGET	2017	2018	2019	2020	2021 BASELINE	2023 TARGET	2025 TARGET
% OF NHS BRIDGES IN GOOD CONDITION (BY DECK AREA)	50.0%	50.0%	67.7%	66.6%	66.2%	65.5%	61.3%	50.0%	50.0%
% OF NHS BRIDGES IN POOR CONDITION (BY DECK AREA)	10.0%	10.0%	1.2%	1.2%	1.2%	0.5%	0.5%	10.0%	10.0%

PM2: Pavement Performance Measures

Justifications for Targets

FDOT steps taken as a part of the target setting process:

- Review and analysis of the last three (3) years of FDOT's Interstate and non-Interstate NHS pavement condition survey data
 - Ride Quality
 - Cracking Severity
 - Rutting
- Set the targets

PM2: Pavement Performance Measure Targets

PAVEMENT CONDITION PERFORMANCE MEASURES	1 ST PERFORMANCE PERIOD		ACTUAL DATA					2 ND PERFORMANCE PERIOD	
	2019 TARGET	2021 TARGET	2017	2018	2019	2020	2021 BASELINE	2023 TARGET	2025 TARGET
% OF PAVEMENT ON THE INTERSTATE SYSTEM IN GOOD CONDITION	N/A	60.0%	66.1%	54.2%	68.0%	68.8%	70.5%	60.0%	60.0%
% OF PAVEMENT ON THE INTERSTATE SYSTEM IN POOR CONDITION	N/A	5.0%	0.0%	0.6%	0.5%	0.6%	0.7%	5.0%	5.0%
% OF PAVEMENT ON NON- INTERSTATE NHS IN GOOD CONDITION	40.0%	40.0%	44.0%	39.9%	41.0%	41.0%	47.5%	40.0%	40.0%
% OF PAVEMENT ON NON- INTERSTATE NHS IN POOR CONDITION	5.0%	5.0%	0.4%	0.4%	0.3%	0.3%	1.1%	5.0%	5.0%

PM3: System Performance Measures

Justifications for Targets

FDOT steps taken as a part of the target setting process:

- Reviewed External Factors
- Reviewed Internal Factors and Influences
- Conducted a trend line analysis using the baseline data
- Conducted a sensitivity analysis to analyze the performance measures in detail
- Set the targets

PM3: System Performance Measure Targets

SYSTEM PERFORMANCE MEASURES	1 ST PERFORMANCE PERIOD		ACTUAL DATA					2 ND PERFORMANCE PERIOD	
	2019 TARGET	2021 TARGET	2017	2018	2019	2020	2021 BASELINE	2023 TARGET	2025 TARGET
PERSON-MILES ON THE INTERSTATE HIGHWAY SYSTEM THAT ARE RELIABLE	75.0%	70.0%	82.2%	83.5%	83.4%	92.3%	87.5%	75.0%	70.0%
PERSON-MILES ON THE NON-INTERSTATE NATIONAL HIGHWAY SYSTEM THAT ARE RELIABLE	NA	50.0%	84.0%	86.3%	87.0%	93.5%	92.9%	50.0%	50.0%
TRUCK TRAVEL TIME RELIABILITY INDEX ON THE INTERSTATE HIGHWAY SYSTEM	1.75	2.00	1.43	1.42	1.45	1.34	1.38	1.75	2.00

TPA Target Setting Options

Support FDOT targets

The TPA agrees to plan and program projects to contribute toward the accomplishment of the state targets.

- TPA shows consistency in planning documents

OR

Establish own target

The TPA coordinates with FDOT regarding the methodology used to develop the target prior to establishing a final target.

- TPA provides information on how they will achieve a different target
- Program funding toward meeting targets

Provide TIP projects working towards achieving the performance targets.....linking investment priorities to performance targets.

TPA Requirements

Long Range Transportation Plans

The LRTP must:

- » Describe performance measures and targets used in assessing the performance of the transportation system.
- » Include a System Performance Report that:
 - Evaluates the performance of the transportation system with respect to performance targets.
 - Documents the progress achieved by the MPO in meeting the targets.
- » Integrate the goals, objectives, performance measures, and targets described in other plans and processes required as part of a performance-based program.

Transportation Improvement Programs

The TIP must:

- » Reflect the investment priorities established in the LRTP.
- » Be designed such that once implemented, it makes progress toward achieving the performance targets.
- » Include a description of the anticipated effect of the TIP toward achieving the performance targets, linking investment priorities to performance targets.

FDOT and the Metropolitan Planning Organization Advisory Council (MPOAC) have developed model language for inclusion of performance measures and targets in LRTPs and TIPs

Assessment of Significant Progress

- FHWA will not assess TPA target achievement.
- FHWA and FTA will review TPA adherence to performance management requirements as part of periodic transportation planning process reviews.

STAY IN CONTROL

STAY AWARE

STAY ALERT

Christine M. Fasiska, P.E.
Transportation Planning Manager
FDOT – District Four
(954) 777-4480
Christine.Fasiska@dot.state.fl.us

15

Staff recommends adopting state targets

- FDOT evaluates and maintains Bridge and Pavement assets
- FDOT operates and programs funding for the Strategic Intermodal System (SIS) and other state roadways
- Performance Based Planning and Programming is attended to **link investment priorities to performance targets**

16

 Bridge Condition			
Performance Measure	2022 Actual Palm Beach	2022 Actual FDOT	2023 & 2025 Target
National Highway System Bridges (NHS) in Good Condition	82.1%	61.5%	≥ 50%
National Highway System (NHS) bridges in Poor Condition	1.03%	.85%	≤ 10%

17

 Pavement Condition			
Performance Measure	2021 Actual Palm Beach	2021 Actual FDOT	2023 & 2025 Target
Interstate pavement in Good condition	59.5%	70.5%	≥ 60%
Interstate pavement in Poor condition	0.0%	0.7%	≤ 5%
Non-Interstate NHS pavement in Good condition	45.1%	47.5%	≥ 40%
Non-Interstate NHS pavement in Poor condition	1.2%	1.1%	≤ 5%

18

System Performance				
Performance Measure	2021 Actual Palm Beach	2021 Actual FDOT	2023 Target	2025 Target
Percent of reliable person-miles traveled on the Interstate	83.1%	87.5%	≥75%	≥70%
Percent of reliable person-miles traveled on the non-Interstate NHS	96.8%	92.9%	≥50%	≥50%
Truck travel time reliability ratio (TTTR) on the Interstate	1.78	1.38	≤1.75	≤2.00

PM2: Bridge and Pavement

Florida Department of Transportation Office of Policy Planning

Performance Management

February 2023

OVERVIEW

2.B.3

The second Federal Highway Administration (FHWA) performance management rule establishes measures to assess the condition of bridges and pavement on the National Highway System (NHS) and the process for the Florida Department of Transportation (FDOT) and Florida's Metropolitan Planning Organizations (MPO) to establish and report targets.*

PAVEMENT PERFORMANCE MEASURES

- » Percentage of pavements on the Interstate System in **GOOD** condition.
- » Percentage of pavements on the Interstate System in **POOR** condition.
- » Percentage of pavements on the non-Interstate NHS in **GOOD** condition.
- » Percentage of pavements on the non-Interstate NHS in **POOR** condition.

BRIDGE PERFORMANCE MEASURES

- » Percentage of NHS bridges (by deck area) in **GOOD** condition.
- » Percentage of NHS bridges (by deck area) in **POOR** condition.

GOOD CONDITION

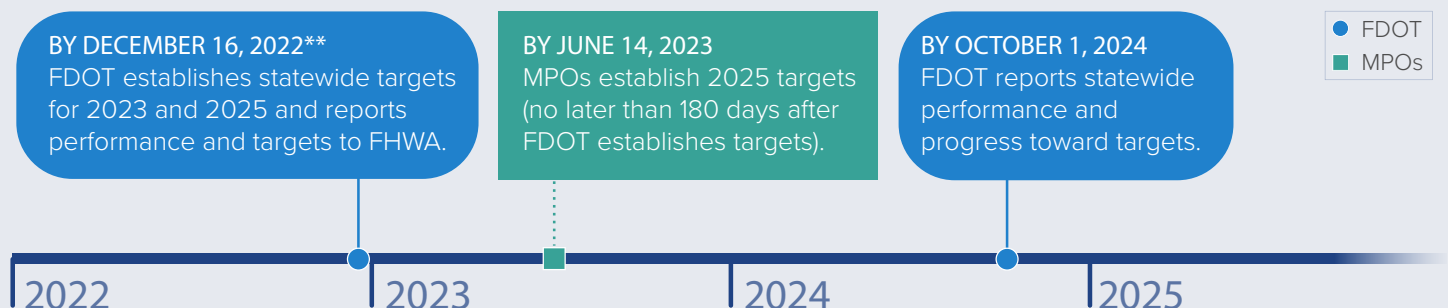

Suggests no major investment is needed.

POOR CONDITION

Suggests major investment is needed.

TIMELINE

SECOND Performance Period (January 1, 2022 to December 31, 2025)

* Please refer to the [fact sheet](#) addressing *MPO Requirements* for information about MPO targets and planning processes.

** FHWA changed the due date from October 1, 2022 due to a technical issue with the reporting system.

EXISTING STATEWIDE CONDITIONS

NHS Bridges

Year	in Good Condition	in Poor Condition
2017	67.7%	1.2%
2018	66.6%	1.2%
2019	66.2%	1.2%
2020	65.5%	0.5%
2021 (Baseline)	61.3%	0.5%

Interstate Pavements

Year	in Good Condition	in Poor Condition
2017	66.1%	0.0%
2018	54.2%	0.6%
2019	68.0%	0.5%
2020	68.8%	0.6%
2021 (Baseline)	70.5%	0.7%

Non-Interstate NHS Pavements

Year	in Good Condition	in Poor Condition
2017	44.0%	0.4%
2018	39.9%	0.4%
2019	41.0%	0.3%
2020	41.0%	0.3%
2021 (Baseline)	47.5%	1.1%

Source: FDOT and FHWA.

STATEWIDE TARGETS

FDOT established 2023 and 2025 targets for NHS bridge and pavement on December 16, 2022. These targets are identical to those set for 2019 and 2021, respectively. Florida's performance through 2021 exceeds the targets.

Performance Measure	2023 Target	2025 Target
Bridge		
% of NHS bridges (by deck area) in GOOD condition	50.0%	50.0%
% of NHS bridges (by deck area) in POOR condition	10.0%	10.0%
Pavement		
% of Interstate pavements in GOOD condition	60.0%	60.0%
% of Interstate pavements in POOR condition	5.0%	5.0%
% of non-Interstate NHS pavements in GOOD condition	40.0%	40.0%
% of non-Interstate NHS pavements in POOR condition	5.0%	5.0%

MPO TARGETS

MPOs must set 2025 targets by June 14, 2023 (within 180 days after FDOT set the statewide targets). MPOs have the option of supporting the statewide targets or establishing their own targets for the MPO planning area.

The TIP must include the most recent reported performance and targets as well as a description of how the investments contribute to achieving the targets. The LRTP must include a System Performance Report that discusses performance and the progress achieved in meeting targets.

ASSESSMENT OF SIGNIFICANT PROGRESS

FHWA will determine if FDOT has made significant progress toward the achievement of each 2-year or 4-year statewide target if either:

- » The actual condition/performance level is better than the baseline performance; or
- » The actual performance level is equal to or better than the established target.

FHWA's determination of significant progress toward the 2021 bridge and pavement targets is anticipated in March 2023.

FHWA will not assess MPO target achievement. However, FHWA and FTA will review MPO adherence to performance management requirements as part of periodic transportation planning process reviews.

MINIMUM CONDITIONS

Every year, FHWA will assess if FDOT is meeting federal minimum condition standards for NHS bridges and Interstate pavements. If it is not, FDOT must obligate a specified percentage of available funds for maintenance of these facilities.

FDOT IS ON TRACK TO MEET MINIMUM CONDITION STANDARDS

- » **Bridge:** No more than 10 percent of total deck area of NHS bridges classified as Structurally Deficient (*Poor* condition) for three consecutive years. ✓
- » **Pavement:** No more than 5 percent of the Interstate System in *Poor* condition for most recent year. ✓

PM3: System Performance

Florida Department of Transportation Office of Policy Planning

Performance Management

February 2023

OVERVIEW

2.B.4

The third Federal Highway Administration (FHWA) performance management rule establishes measures to assess the reliability of passenger and truck freight travel on the National Highway System (NHS) and the process for the Florida Department of Transportation (FDOT) and Florida's Metropolitan Planning Organizations (MPO) to establish and report their targets.*

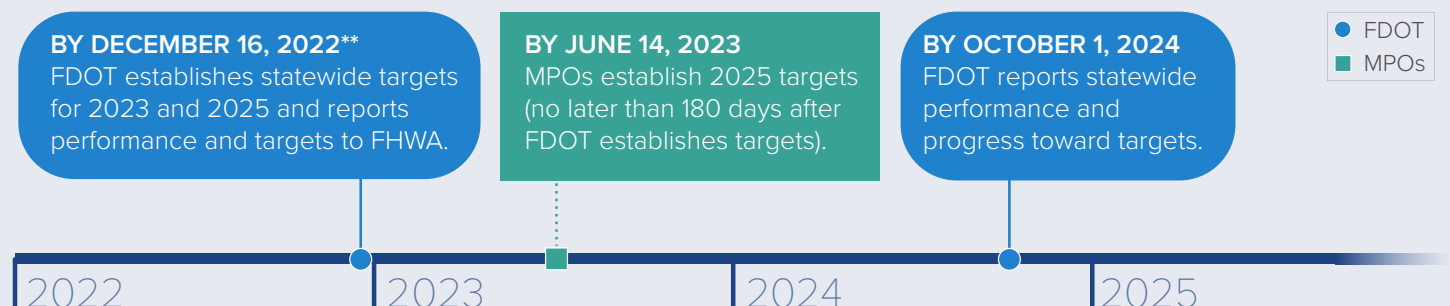

PERFORMANCE MEASURES

PERFORMANCE MEASURE	REFERRED TO AS	WHAT IT MEASURES
Percent of person-miles traveled on the Interstate that are reliable	Interstate reliability	Compares longer travel times (80 th percentile) to a normal travel time (50 th percentile). Vehicle occupancy is factored in to determine the person-miles traveled on segments considered reliable, and this is converted to a percent of total miles.
Percent of person-miles traveled on the non-Interstate NHS that are reliable	Non-Interstate NHS reliability	
Truck travel time reliability index (Interstate)	Truck reliability	Compares longer travel times (95 th percentile) to the normal travel time for trucks. This is expressed as a ratio called the Truck Travel Time Reliability Index, or TTTR.

The PM3 rule also defines measures for assessing the CMAQ Program that apply only to states and MPOs that are in a designated air quality non attainment areas or maintenance areas. Florida does not have any applicable areas, therefore the CMAQ measures are not addressed in this fact sheet.

TIMELINE

SECOND Performance Period (January 1, 2022 to December 31, 2025)

* Please refer to the [fact sheet](#) addressing *MPO Requirements* for information about MPO targets and planning processes.

** FHWA changed the due date from October 1, 2022 due to a technical issue with the reporting system.

EXISTING STATEWIDE CONDITIONS

INTERSTATE RELIABILITY

Percent of person-miles traveled on the Interstate that are reliable

NON-INTERSTATE NHS RELIABILITY

Percent of person-miles traveled on the non-Interstate NHS that are reliable

TRUCK RELIABILITY

Truck travel time reliability index (Interstate)

Source: PM3 Report on Regional Integrated Transportation Information System (RITIS) platform using National Performance Management Data Research Data Set (NPMRDS).

STATEWIDE TARGETS

FDOT established the following 2023 and 2025 targets on December 16, 2022. These targets are identical to those set for 2019 and 2021, respectively. Florida's performance through 2021 exceeds the targets.

PERFORMANCE MEASURE	2023 TARGET	2025 TARGET
INTERSTATE RELIABILITY	75.0%	70.0%
NON-INTERSTATE NHS RELIABILITY	50.0%	50.0%
TRUCK RELIABILITY	1.75	2.00

MPO TARGETS

MPOs must set 2025 targets by June 14, 2023 (within 180 days after FDOT set the statewide targets). MPOs have the option of supporting the statewide targets or establishing their own targets for the MPO planning area.

The TIP must include the most recent reported performance and targets as well as a description of how the investments contribute to achieving the targets. The LRTP must include a System Performance Report that discusses performance and the progress achieved in meeting targets.

ASSESSMENT OF SIGNIFICANT PROGRESS

FHWA will determine that FDOT has made significant progress toward the achievement of each 2-year or 4-year statewide target if either:

- » The actual performance level is better than the baseline performance; or
- » The actual performance level is equal to or better than the established target.

FHWA's determination of significant progress toward the 2021 interstate reliability and truck reliability targets is anticipated in March 2023. If FDOT does not make significant progress toward achieving a reliability target, it must document the actions it will take to achieve the target. For the truck reliability measure, it must provide additional freight congestion analysis and documentation.

FHWA will not assess MPO target achievement. However, FHWA and FTA will review MPO adherence to performance management requirements as part of periodic transportation planning process reviews.

Commuter Assistance Program

means financial and technical assistance by the **Department** to promote **alternatives** to the use of automobiles by a **single commuter**.

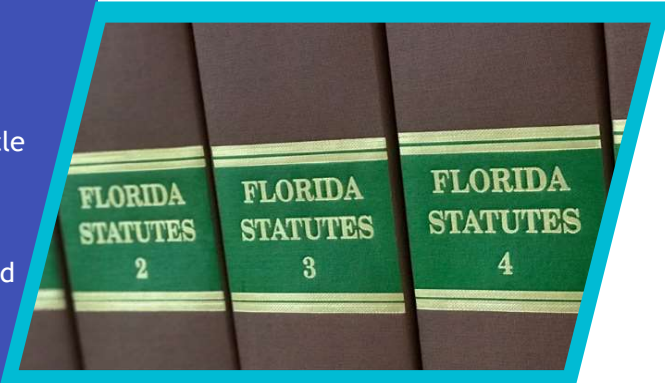

2

Chapter 341, F.S.

“

1. Ridesharing - Share motor vehicle
2. Transportation Demand Management - Influence demand
3. Transportation Management Associations - Support new/existing

3

REGIONAL COMMUTER ASSISTANCE PROGRAM

...reduce the number of trips made by **single occupant** vehicles and **enhance** the **regional mobility...**

-SMP

4

ANNUAL WORK PLAN FISCAL YEAR 2022/23

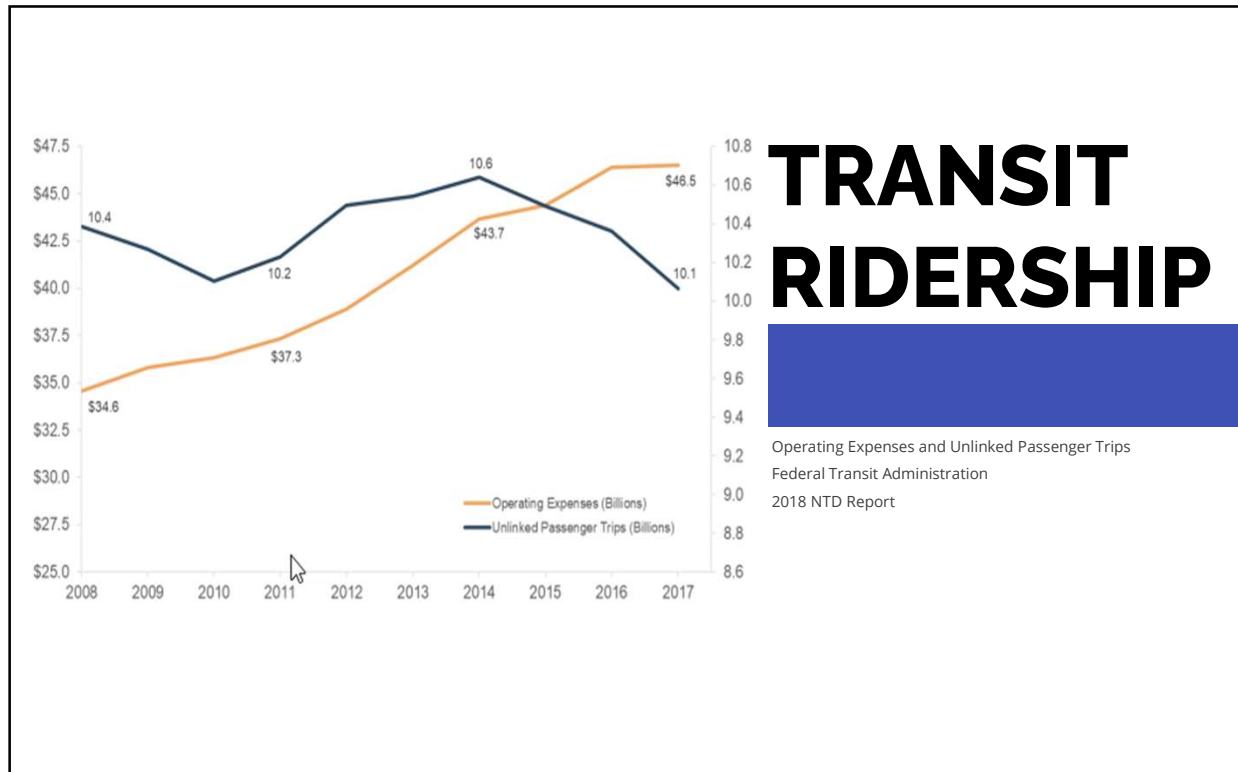

...SFCS to be the **catalyst** in changing the
conversation on the philosophical **approach** to
implementing TDM.

5

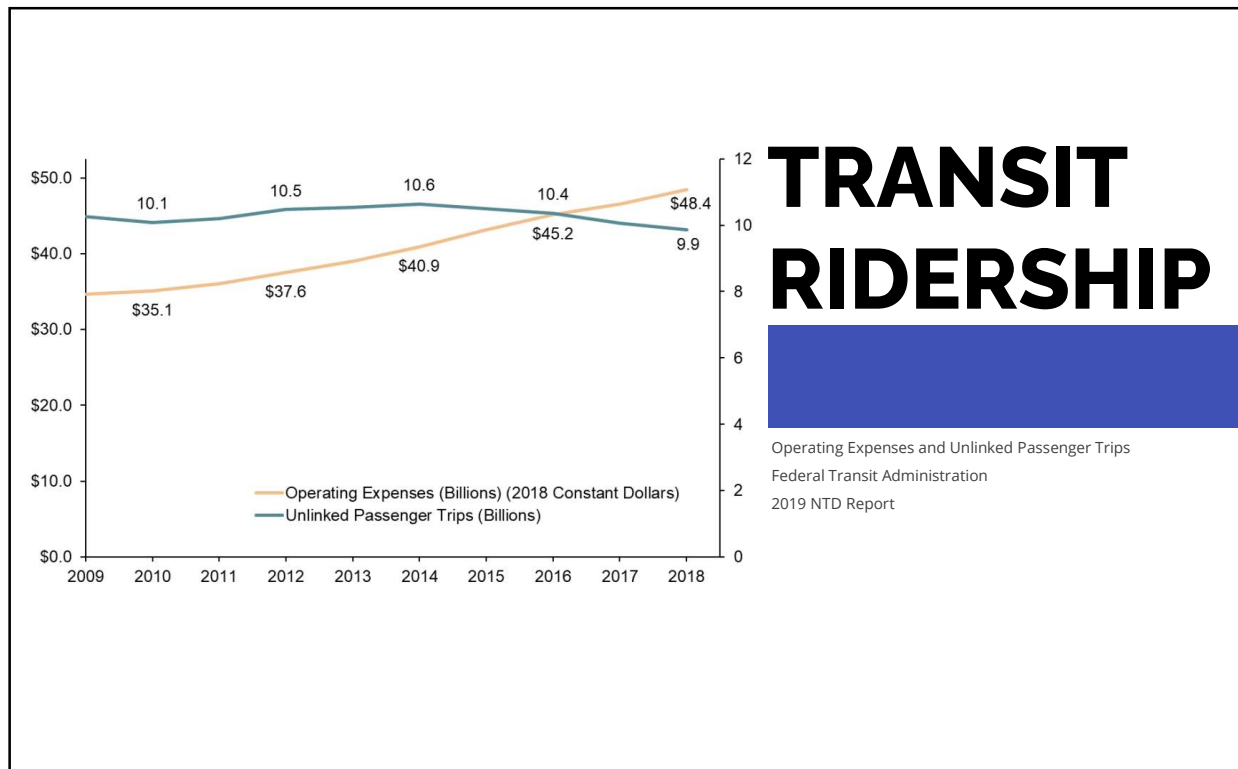

CUSTOMER Focused

- Have a better understanding of the public's wants/needs
- Put those wants/needs first
- Don't ask the public to lower their standards to anything we currently offer

Palm Beach Post: Atlantic Avenue Pedestrian and Bicycle Improvements

Atlantic Avenue to get buffered bike lanes and wider sidewalks from Turnpike to Jog Road

Mike Diamond Palm Beach Post
Published 5:28 p.m. ET March 14, 2023

This artist's rendering shows what a 10-foot-wide shared-use path and a 7-foot-wide buffered bike lane would look like on western Atlantic Avenue between Florida's Turnpike and Jog Road. The west-of-Delray Beach widening project is currently being designed. Construction won't begin until 2029. Florida Department Of Transportation

Project Scheduling Report – April 2023

Phases occurring within the next 90 days

Palm Beach TPA & FDOT District 4

4.A.2

The purpose of this report is to ensure stakeholders are aware of upcoming activities for each project to allow for increased input. The TPA has consolidated the FDOT report to focus on TPA priorities and scheduling activities that are occurring within the next 90 days. The full list of scheduling activities is described below.

Scheduled Activity	Description
Multimodal Scoping Checklist (MMSC)	FDOT's Office of Modal Development (OMD) notifies impacted agencies to enter comments about the project scope. The local agency can confirm or discuss context class, minor comments about multimodal features.
Resolution from Agency (for Off-System Projects Only)	If an off-system project is administered by FDOT, the local agency's governing board must pass a resolution endorsing FDOT's delivery of the project.
Review of Scope with Agency	Meet with local agency to review and confirm scope prior to FDOT advertising for consultant acquisition.
Execution Date (Design)	FDOT Design starts.
Project Kickoff Meeting	FDOT Design Team coordinates with local agency. Contact the FDOT project manager for date/time/location of the meeting.
Initial Field Review	Field Review meeting. Typically occurs at the project site.
Initial Engineering	30% plans to reviewers. Stakeholders provide review and feedback on the approved Typical Section.
Public Information Workshop	Tentative date to conduct a public information workshop. Date may differ than final workshop date.
Constructability Plans	60% plans to reviewers. At this time most of the Design is complete, no scope discussion, review focuses on items to be constructed, their construction impacts, and materials to be used.
Plans Specification and Estimates (PSE) Meeting	FDOT PM arranges field review with all reviewers to evaluate the final engineering plans with respect to actual field conditions.
Biddability Plans to Reviewers	90% plans. At this time, Design is complete. Verifying quantities and pay items.
Production	100% plans. Plans are complete.
Local Agency Program (LAP) Commitment	Agency and FDOT commits the project funds and budget to the Legislature and the Governor's office.
Letting	Bids are opened and the apparent low bid contract is determined. Construction typically begins 4 to 6 months after letting.
Construction Notice to Proceed (NTP)	Construction starts. Construction dates for FDOT administered projects can be found through the FDOT Operations Center.

For more information on a project, please contact the FDOT District 4 office at 954.486.1400 and ask to be transferred to the FDOT Project Manager for the specific project. For the FDOT copy of the report with the full project schedule, contact Wibet Hay at Wibet.Hay@dot.state.fl.us or 954.777.4573.

Please note, the dates shown in this report are a snapshot and dates can change frequently. Updated reports are requested monthly from FDOT.
