

Personnel Handbook

Introduction

The Palm Beach Transportation Planning Agency (TPA), which serves as the Metropolitan Planning Organization (MPO) for the part of the Miami Urbanized Area Transportation Management Area (TMA) within Palm Beach County, operates under an Executive Director - TPA Governing Board form of administration. The TPA Governing Board is comprised of 21 locally elected officials - 15 elected officials from the county's 13 largest municipalities, five of the seven Palm Beach County Commissioners, and one Port of Palm Beach Commissioner. The TPA Governing Board's major functions include adopting resolutions; adopting a budget; appointing an Executive Director; and establishing personnel and compensation policies for TPA employees. The Governing Board also makes appointments to various advisory boards and committees. The Governing Board members are not employees of the TPA, so their actions are not governed by this document.

The purpose of this Personnel Handbook is to advise TPA employees of the policies and benefits of employment which enable the TPA to function effectively. While this Handbook includes a capacious amount of information, it may not cover all topics or areas of concern. If employees have any additional questions regarding their employment, those inequities must be directed to the Executive Director. It is the employee's duty to read and understand all contents of the Personnel Handbook.

The Executive Director has overall responsibility for the administration of the Personnel Handbook. The Executive Director is responsible for clarification and interpretation of any of the policies and procedures contained herein. The Executive Director may, at any time, interpret the Personnel Handbook and develop procedural rules and other personnel policies.

For all provisions of this handbook referencing Federal or State law, any changes thereto shall be incorporated herein. Failure on the part of any employee to follow these rules, policies and procedures will subject an employee to disciplinary action. Policies set forth in this handbook are not intended to create a contract, nor are they to be construed to constitute contractual obligations of any kind or to constitute a contract of employment between the TPA and the employee. The provisions of this handbook have been developed at the discretion of management and, except for its policy of employment-at-will, may be amended or canceled at any time, at the TPA's sole discretion.

Notwithstanding any provision herein to the contrary, any interpretative action or administrative decision made pursuant to this Handbook by the Executive Director shall not exceed the expenditures allocated in the TPA Board-approved budget and/or in any other applicable TPA Board-established economic parameters, unless a supplemental appropriation of excess revenues/fund balance or a budget transfer or reallocation has been approved.

Section 2. TPA Employment Policies

2.1 TPA Employees

- A. The TPA Governing Board shall hire the Executive Director via employment contract.
- B. The TPA Executive Director shall propose the total number of TPA employees for TPA Board approval as part of the TPA's budget. The TPA Executive Director shall hire all TPA employees.
 1. Full-time employee means an employee who is regularly scheduled to work a 40-hour workweek.
 2. Part-time employee means an employee who is regularly scheduled to work less than a 40-hour workweek. Employee leave benefits are prorated for employees who work fewer than a 40-hour but at least a 30-hour workweek, and no employee benefits are provided for employees who regularly work less than a 30-hour workweek.
 3. Temporary employee means an employee hired for a specified project or time frame. The scheduled workweek can range from 5 to 40 hours per week. Employees in this category do not receive benefits.
- C. All TPA employees are employed at-will, meaning that either the TPA or the employee may terminate the employment relationship at any time for any reason, with or without cause.
- D. All TPA employees are classified as Exempt or Non-Exempt by position definition pursuant to the Fair Labor Standards Act (FLSA).
- E. Employees classified as exempt employees will receive a salary which is intended to compensate them for all hours they may work. This salary will be established at the time of hire or when the employee becomes classified as exempt. The salary will be a predetermined amount that will not be subject to deductions for variations in the quantity or quality of the work the exempt employee performs.
 1. Subject to exceptions listed below, an exempt employee must receive the full salary for any workweek in which the employee performs any work, regardless of the number of days or hours worked. Exempt employees do not need to be paid for any workweek in which they perform no work.
 - a. Exceptions: unless state law requires otherwise, an exempt employee's salary can be reduced for the following reasons:
 - Full-day absences for personal reasons;
 - Full-day absences for sickness or disability;
 - Full-day disciplinary suspensions for infractions of the Manual;
 - To offset amounts received as payment for jury and witness fees or military pay;
 - The first or last week of employment in the event the employee works less than a full week; or,
 - Any full workweek in which the employee does not perform any work.

2. However, an exempt employee's leave bank may be deducted when such employee is absent for reasons justifying the use of accrued vacation or sick leave in accordance with these rules and regulations.
 3. In the event of abuse of the TPA's leave policy, which shall be defined as regularly reporting to work after the start of the workday or leaving prior to the end of business, employees shall be disciplined as set forth in Section 3.5, S herein.
 4. If an employee believes that an improper deduction has been made to their salary, the employee should immediately report this information to their direct supervisor. Reports of improper deductions will be promptly investigated. If it is determined that an improper deduction has occurred, the employee will be reimbursed for any improper deduction made.
- F. Employees classified as non-exempt will be paid on an hourly basis based on a rate established by the TPA. For the purposes of computing overtime, only hours actually worked by employees shall be used. Therefore, no leaves of absences (*i.e.*, sick, vacation, holiday, bereavement, *etc.*) will be used to compute overtime.

2.2 Salary

- A. The salary and any supplemental employee benefits for the Executive Director shall be set by the TPA Governing Board and memorialized via employment contract.
- B. The salary and any supplemental employee benefits for TPA employees shall be set by the Executive Director. Periodic salary reviews and adjustments are at the sole discretion of the Executive Director. Salary is subject to funding appropriation by the TPA Governing Board within the TPA's budget.
- C. The Executive Director may propose annual adjustments to employee salaries based on Cost-of-Living Adjustments (COLA) and/or Performance Reviews. COLA will be based on Consumer Price Index (CPI) data published on the United States Department of Labor Bureau of Labor Statistics website. CPI is a measure of average change over time in the prices paid by urban consumers for a market basket of consumer goods and services. All annual adjustments are subject to budget availability and approval by the TPA Governing Board.

2.3 Employee Benefits

- A. Insurance
 1. The TPA shall provide eligible employees the opportunity to purchase group hospitalization, medical, and dental insurance for both the employee and any eligible dependent(s). TPA subsidy rate(s) for insurance premiums shall be developed through a review of budget availability and shall be subject to approval by the TPA Governing Board.

The TPA shall provide employees the opportunity to purchase supplemental life insurance for employees and eligible dependents at negotiated group rates through the TPA's insurance carrier.

B. Retirement Savings

1. The TPA is a participant in the Florida Retirement System (FRS), a state-administered retirement program for employees who are employed in regularly established positions. Enrollment and participation in the FRS program is mandatory.
2. The TPA shall provide employees the opportunity to participate in a 457 deferred compensation plan through optional payroll deductions.
3. The TPA may provide all employees the opportunity to participate in a 401(a) money-purchase retirement plan.

C. Transportation

To assist employee travels to and from work, the TPA provides parking at no cost to the employee; reimbursement of transit costs (*i.e.*, bus fares and/or rail fares); and/or reimbursement of actual costs of using a bicycle for commuting purposes. The employee may choose the most advantageous option; however, certain positions may be required to use a certain method of travel to accomplish the tasks of that position (*i.e.*, use of a personal vehicle to attend out-of-office meetings).

1. The TPA will provide employee parking at a nearby available parking facility for those employees wishing to drive a personal vehicle to work.
2. The TPA will provide reimbursement for the use of public transit for employee travels to and from work, consistent with the limits of this benefit as determined by the Internal Revenue Service (IRS).
3. The TPA will provide reimbursement for actual costs incurred to use a bicycle to commute to work, consistent with the limits of this benefit as determined by the IRS. Additionally, the TPA will provide on-site bicycle parking for employees.

D. Tuition Reimbursement

1. The TPA encourages all regular, full-time employees to pursue educational opportunities to the fullest extent possible. Such opportunities include both job-related education and/or self-

improvement courses and programs that are job-related and, in the judgment of the employee's supervisor, increases the employee's potential contribution to the TPA. Accordingly, prior approval must be obtained to ensure reimbursement under this policy upon completion of the course.

2. The TPA has established a tuition reimbursement program to help its employees defray the costs associated with the course of instruction or degree that directly relates to the employee's current position, a similar TPA position, or to a higher-level position within the TPA to which the employee could reasonably aspire through promotion. The tuition reimbursement program is available to eligible employees who have been employed by the TPA full-time for at least six (6) months. The maximum amount available per employee shall be \$2,500 yearly for graduate courses and \$2,000 yearly for undergraduate, subject to budget availability.
3. The Finance Department shall be responsible for maintaining all records associated with this program. This includes, but is not limited to, receiving the Tuition Reimbursement Request for and all supporting documentation.
4. Employees that elect to participate in this program are required to earn a grade of B or better to be eligible for the reimbursement.
5. Additionally, employees are required to continue to work for the TPA for one-year following receipt of a tuition reimbursement. Any tuition reimbursement program participant who elects to terminate TPA employment or is terminated due to gross misconduct within one-year of course or program completion shall repay the TPA a pro-rated amount equivalent to the value of the tuition reimbursement, either directly or through deductions from his or her final paycheck if the balance is sufficient to cover the amount owed, or through a combination thereof.
6. Except where such training is required, participation in the tuition reimbursement program is voluntary. Classes must be attended on the employee's own time unless permission is granted by the Executive Director.
7. There will be no duplicate payments for the same coursework. If the course or training is reimbursable under another program (*e.g.*, scholarships, grants, or any other form of assistance), the provisions of this program do not apply.
8. To receive reimbursement, the employee must, within thirty (30) calendar days after published course completion date, provide the Executive Director with receipts of tuition and evidence of satisfactory completion of courses taken.
9. Eligible courses must be completed at an accredited institution, as listed at the Department of Education's Database of Accredited Postsecondary Institutions and Programs (DAPIP).
10. Employees are eligible for a maximum reimbursement of one degree at each level (*i.e.*, one bachelor's degree, one master's degree).

b. Part-time employees will earn prorated vacation hours based on their scheduled hours per week. c. The maximum carried accumulation of vacation leave is 400 hours with the excess being forfeit as of January 1 of the following calendar year.

Non-exempt employees will be paid for 100 percent of accrued comp time prior to any change in pay rate or upon termination.

E. Bereavement Leave

If a death occurs in the employee's immediate family, the employee will be granted three (3) days of bereavement leave with pay. The employee will be granted one (1) additional day, for a total of four (4) days, if required to travel outside of the State. Such leave must be used consecutively, during which the employee would otherwise have worked, and within a reasonable time of the death or funeral service. It is the responsibility of the employee's supervisor to verify requests for bereavement leave. 1. Any employee who cannot perform the essential functions of their position or charged with a crime may be placed on an unpaid leave until they can demonstrate job fitness or until such charge is dismissed by the prosecuting authority or until a decision settling the case is

rendered. In accordance with Section 3.5, employees are required to inform the Executive Director of an indictment, information or charge.

2. An employee who is placed on unpaid administrative leave for a criminal issue pursuant to this section shall be afforded an opportunity to meet with the Executive Director to discuss the circumstances of the arrest, indictment or information. Employees are required to submit a copy of the summons or subpoena to appear in court to their supervisor before such leave is granted.
2. Compensation for jury duty is contingent upon the provision of proof of jury service, which must be supplied by the applicable court. An employee who is released from work shall return directly to work if any time remains during the regular work day.
3. Employees may use their accrued leave, in accordance with TPA policies, to act as a witness at trial or deposition or to attend proceedings in connection with a personal or non-TPA related legal action. The employee must submit documentation of the proceedings, including any notice or subpoena compelling the employee's appearance at deposition, hearing or trial.

J. Conference Attendance

1. The Executive Director may grant conference attendance with pay, together with necessary and reasonable travel expenses, in order for employees to attend conferences, seminars, and similar events designed to improve efficiency and job knowledge considered to be in the best interest of the TPA.
2. Staff time attending a conference will be treated as hours worked unless all of the following conditions apply: the attendance is outside the employee's shift; the attendance is voluntary; the training is not directly related to the employee's job; and the employee does not perform productive work while attending the conference.
3. In any workweek in which an employee attends an approved conference, their schedule will follow the conventional 5-day/8-hours per day schedule.

K. Parental Leave

1. The purpose of paid parental leave, also known as maternity/paternity leave, is to enable eligible employees to care for and bond with a newborn, newly adopted, newly placed foster child, or with a child newly placed in the employee's guardianship, or in loco parentis (qualified placement). To meet certain business needs of the TPA, intermittent use of parental leave may be granted by the Executive Director. In such cases, the intermittent use of parental leave will be limited to five (5) total work days within the six (6) week period.
4. Employees must provide at least 30 days' advance notice before requesting Parental Leave if foreseeable based on an expected birth, placement for adoption or foster care, *etc.* In the case of intermittent Parental Leave, the employee must make a reasonable effort to schedule the leave so as not to unduly burden the TPA's operations.
5. In no case will an employee receive more than one period of paid paternal leave in a rolling 12-month period, regardless of whether more than one birth, adoption, or qualified placement event occurs within that 12-month period.
6. Employees are required to return to work for one-year following use of the paid parental leave. Further, any employee who fails to return to work shall repay the TPA in an amount

equivalent to the value of the paid parental leave taken, either directly or through deductions from his or her final paycheck if the balance is sufficient to cover the amount owed, or through a combination thereof.

The Traveler is responsible for providing the full cost comparisons at the time of the travel request. Travel by personal vehicle shall be reimbursed utilizing the federal mileage rate, as amended from time to time.
 3. **Lodging Expenses.** The traveler is expected to plan in advance and with sufficient notice to stay on the premises for a travel-related event. The TPA will pay or reimburse up to the amount for the standard room accommodations or lowest cost option available in the negotiated event room block. In such case where the negotiated room block rate is not available or does not exist, the traveler must compare the available lodging within a 3mile radius and select the most economical and efficient alternative. Exceptions to these requirements may be made by the Executive Director on a situational basis based on safety, meeting events, and/or logistics.
