441533-1 LINDELL BLVD FROM WEST OF SR-811/SOUTH DIXIE HWY  
TO SW 10<sup>TH</sup> AVE**

Dear Ms. Neilson:

Pursuant to *Part IV – Chapter 5: Statewide and Local Transportation Improvement Programs (STIP and TIP) of the Work Program Instructions*, the Florida Department of Transportation (FDOT) requests your processing and approval of the attached amendment to the FY 2022/23 – 2026/27 Transportation Improvement Program. This amendment is required because the project scope has been significantly changed and needs to be reflected in the TIP. The project limits were not correctly captured in the system which was only reflecting the lower portion of the project. Also, please be advised that portions of funds were added/changed to reduce local fund contribution using CARU funds. This fund type is the Carbon Reduction funds for Urban Area greater than 200K.

This Transportation Improvement Program Amendment should be consistent with the Adopted Long-Range Transportation Plan. The adopted TIP remains financially constrained. The TIP amendment is as follows (changes are underlined in the proposed table):

TIP Amendment Request FY 2022/23 – 2026/27  
452226-1 SWRS – SYSTEM RUMBLE STRIPS**

Dear Ms. Neilson:

Pursuant to *Part IV – Chapter 5: Statewide and Local Transportation Improvement Programs (STIP and TIP) of the Work Program Instructions*, the Florida Department of Transportation (FDOT) requests your processing and approval of the attached amendment to the FY 2022/23 – 2026/27 Transportation Improvement Program. This amendment is required because new projects have been added to the work program and needs to be reflected in the TIP.

The purpose of this safety project is a Statewide Initiative to install rumble strips on the shoulders of high-speed state roadways (50 mph and above). There are approximately 209 miles of rumble strips in Palm Beach and Broward. However, since they are Districtwide projects, both projects should be included in all District 4 MPO's TIP.

This Transportation Improvement Program Amendment should be consistent with the Adopted Long-Range Transportation Plan. The adopted TIP remains financially constrained. A State Transportation Improvement Program (STIP) amendment is required. The TIP amendment is as follows:
