Unified Planning Work Program (UPWP)

The Unified Planning Work Program (UPWP) is the TPA's business plan, budget and application for federal grant funds for a two-year period. It includes a description of all tasks and identifies the deliverables or outcomes that will be provided, who will perform the work, the schedules for completion and the budget and funding sources. The development of the UPWP is guided by the TPA's mission and vision and adopted by the TPA Governing Board.
