

FDOT DISTRICT 4

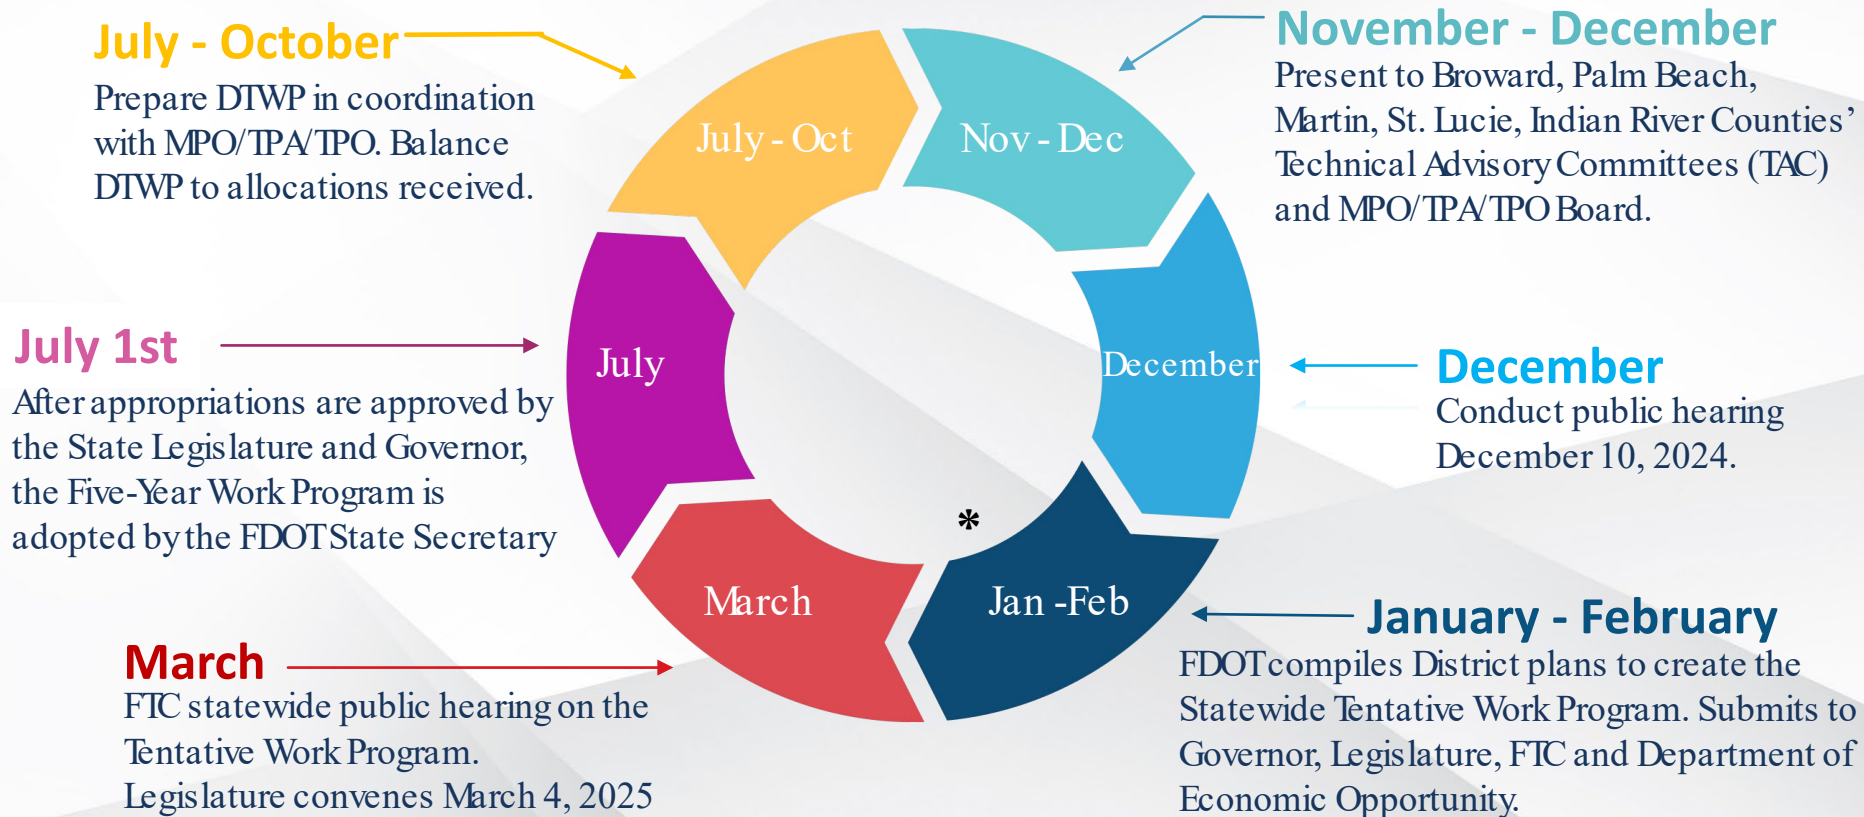

DRAFT TENTATIVE WORK PROGRAM

FISCAL YEARS 2026-2030

Palm Beach Transportation
Planning Agency Committees

December 4, 2024

General Work Program Cycle

General Work Program

- FDOT updates construction and right of way costs on an annual basis
- Overall, project costs increased with respect to last year
- Some funding allocations were lower than prior cycle. The estimated revenue distribution is based on percent population of the state
- Goal is to maintain projects that were committed in the common four years related to safety, preservation and maintenance
- New phases are generally programmed in the “new” 5th year
- District 4 Work Program is balanced to the allocations received
