Since 2018, the TPA Board has adopted the State's roadway safety targets of zero (0) traffic-related fatalities and serious injuries. TPA staff recommends adoption of the State's roadway safety targets and will provide a presentation to review the attached TPA draft resolution establishing the 2024 Safety Targets.

### 3. INFORMATION ITEMS

A. Amendment #3 to the TPA's 2045 Long Range Transportation Plan (LRTP)

The 2045 LRTP includes regionally significant transportation projects from Palm Beach County's Road Program and local Capital Improvement Programs. These local projects are for informational purposes and planning consistency. This amendment adds locally requested projects to the Local Government Prioritization table and Operations & Maintenance table. The proposed 2045 LRTP Amendments are attached. The amendment will be recommended to the TPA Governing Board for approval in March.
