

TPA GOVERNING BOARD MEETING AGENDA

DATE: **Thursday, September 19, 2024**
TIME: **9:30 a.m.**
PLACE: **301 Datura Street, West Palm Beach, FL 33401**

Members of the public can [join the meeting](#) in person or virtually. For information on how to attend a meeting visit: PalmBeachTPA.org/Meeting.

Please call 561-725-0800 or e-mail info@PalmBeachTPA.org for assistance joining the virtual meeting.

1. REGULAR ITEMS

- A. Call to Order and Roll Call
- B. Pledge of Allegiance
- C. Modifications to the Agenda
- D. General Public Comments

Members of the public are invited to offer general comments unrelated to agenda items at this time. Public comments related to agenda items will be heard following staff presentation of the item. Comments may be submitted in the following ways:

- A written comment may be submitted at PalmBeachTPA.org/Comment-Form at any time prior to the commencement of the relevant agenda item.
- A verbal comment may be provided by a virtual attendee using the raise hand feature in the Zoom platform.
- A verbal and/or written comment may be provided by an in-person attendee submitting a comment card available at the welcome table.

Note that the Chair may limit comments to 3 minutes or less depending on meeting attendance.

- E. Comments from the Chair and Member Comments
- F. Executive Director's Report
- G. MOTION TO APPROVE Consent Agenda Items
 - 1. Governing Board Meeting Minutes for July 18, 2024
 - 2. Renewals to the TPA Advisory Committees through September 2027
 - a. Chang-Jen Lan as the Town of Jupiter Zero Technical Advisory Committee (TAC) Representative.
 - b. Terrence Bailey as the City of Riviera Beach TAC Representative.
 - c. Christopher Marsh as the Village of Royal Palm Beach TAC Representative and Bradford O' Brien as the Alternate.
 - d. Kenny Wilson as the Palm Beach County Florida Department of Health TAC Representative and Janelle St. Ange as the Alternate.

- e. Joyce Cai as the School District Palm Beach County TAC Representative.
 - f. Jacey Biery as the Palm Beach County’s Environmental Resources Management Vision Zero Advisory Committee (VZAC) Representative.
 - g. Fadi Nassar as the Palm Beach County’s Engineering Department VZAC representative.
3. Appointments to the TPA Advisory Committees through September 2027
 - a. Jessica Keller as the City of West Palm Beach Engineering Department TAC Representative and Kevin Volbrecht as the Alternate.
 - b. Ana Marie Aponte as the City of West Palm Beach Planning Department TAC Alternate.
 - c. Kametra Driver as the City of Belle Glade TAC Representative.
 4. Renewal to the Transportation Disadvantaged Local Coordinating Board (TD LCB) through September 2027
 - a. Tekesha Saffold as the Citizen’s Advocate / User TD LCB Representative.
 5. Financial Policies Amendment

Resolution amending TPA Financial Policies timesheet approval procedures.

2. ACTION ITEMS

- A. MOTION TO APPROVE the Roadway Functional Classification Network.

Functional Classification is the assignment of roadways into systems according to the character of service they provide in relation to the total roadway network. FDOT will present the results of the update process and the stakeholder review, and the attached final draft of the Functional Classification network. For additional information visit fdot.gov/statistics/hwysys/UBFC-update-process.shtm.

TAC / CAC / VZAC: Recommended adoption unanimously.

- B. MOTION TO ADOPT Amendment #1 to the TPA’s Fiscal Year (FY) 25-29 Transportation Improvement Program (TIP)

The TIP is the five-year funding program for transportation projects in Palm Beach County. This first amendment to TIP amendment includes the following:

- Roll project phases not encumbered in FY 24 into FY 25
- Amend Palm Tran transit projects to align with available federal funds
- Add General Appropriations Act (GAA) projects
- Add FDOT Districtwide projects

The TIP Amendment summary is attached and the full amendment details, including an interactive TIP tool, is available at PalmBeachTPA.org/TIP.

TAC / CAC / VZAC: Recommended adoption unanimously.

3. INFORMATION ITEMS

A. Transportation Demand Management Programs

South Florida Commuter Services and West Palm Beach Go will provide a presentation on commuter demand management programs. For more details, visit 1800234ride.com.

B. Partner Agency Updates

Agency staff from Palm Tran, SFRTA/Tri-Rail, FDOT and/or Palm Beach County Engineering may provide brief updates on items relevant to the TPA.

4. ADMINISTRATIVE ITEMS

A. TPA Reports

1. Public Involvement Activity Report – July and August 2024
2. FDOT Scheduling Report – August 2024

B. Next Meeting – **October 10, 2024**

C. Adjournment

NOTICE

In accordance with Section 286.0105, *F.S.*, if a person decides to appeal any decision made by the board, agency, or commission with respect to any matter considered at such meeting or hearing, they will need a record of the proceedings, and that, for such purposes, they may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services for a meeting (free of charge) should contact Melissa Eble at 561-725-0813 or MEble@PalmBeachTPA.org at least five (5) business days in advance. Hearing impaired individuals are requested to telephone the Florida Relay System at #711.

Se solicita La participación del público, sin importar la raza, color, nacionalidad, edad, sexo, religión, incapacidad o estado familiar. Personas que requieran facilidades especiales bajo el Acta de Americanos con Discapacidad (Americans with Disabilities Act) o personas que requieren servicios de traducción (sin cargo alguno) deben contactar a Melissa Eble al teléfono 561-725-0813 o MEble@PalmBeachTPA.org por lo menos cinco días antes de la reunión. Si tiene problemas de audición, llamar al teléfono 711.

**OFFICIAL MEETING MINUTES OF THE
PALM BEACH TRANSPORTATION PLANNING AGENCY (TPA)
GOVERNING BOARD**

July 18, 2024

301 Datura Street, West Palm Beach, FL 33401
Meeting was also conducted virtually via Zoom.

These minutes are a summary of the meeting events and may not reflect all the discussion that occurred. PDF versions of the agenda, backup materials, presentations, and audio recordings are available for review at PalmBeachTPA.org/Board.

1. REGULAR ITEMS

1.A. Call to Order and Roll Call

CHAIR REED called the meeting to order at 9:32 a.m.

The Recording Secretary called the roll.

Member	Attendance	Member	Attendance	Member	Attendance
Steve Wilson	P	Christopher McCoy (Alt)	P	Glen Spiritis	P
Yvette Drucker	A	Joni Brinkman	P	Fred Pinto	P
Andy Thomson (Alt)	P	Deandre Poole	P	Michael Napoleone	P
Angela Cruz	P	Gregg Weiss	P	Christy Fox	P
Rob Long	P	Marci Woodward	P	Joseph Peduzzi	A
Chuck Shaw	P	Sara Baxter	P	Maria Marino	P
Jim Kuretski	P	Mack Bernard	P	Chelsea Reed	P

P = Present A = Absent

A quorum was present in-person.

The Recording Secretary stated Deputy Mayor Yvette Drucker requested permission to attend virtually due to extenuating circumstances.

There were no objections to her virtual participation, and she was permitted to join the meeting remotely.

1.B. Pledge of Allegiance

MAYOR WILSON led the invocation and pledge.

1.C. Modifications to the Agenda

Motion to adopt the agenda made by Angela Cruz, seconded by Fred Pinto, and carried unanimously 20-0 as depicted in the table below.

Member	Vote	Member	Vote	Member	Vote
Steve Wilson	Y	Christopher McCoy (Alt)	Y	Glen Spiritis	Y
Yvette Drucker	Y	Joni Brinkman	Y	Fred Pinto	Y
Andy Thomson (Alt)	Y	Deandre Poole	Y	Michael Napoleone	Y
Angela Cruz	Y	Gregg Weiss	Y	Christy Fox	Y
Rob Long	Y	Marci Woodward	Y	Joseph Peduzzi	A
Chuck Shaw	Y	Sara Baxter	Y	Maria Marino	Y
Jim Kuretski	Y	Mack Bernard	Y	Chelsea Reed	Y

1.D. General Public Comments

There were no public comments received.

Joseph Peduzzi joined the meeting at 9:37 a.m.

1.E. Comments from the Chair and Member Comments

MARIA MARINO stated the County Board of Commissioners discussed transportation and mobility at the July 17 meeting and encouraged board members to have their city managers attend the Palm Beach County City Management Association (PBCMA) meeting on July 28.

JIM KURETSKI stated the Town of Jupiter had a \$2.4 million construction earmark approved for Indiantown Road improvements. He also noted he asked FDOT for a project scheduling phase report.

GREGG WEISS stated FDOT sent out a notice on July 12 regarding a closure on Okeechobee Boulevard at the FEC railroad crossing that would occur on Saturday, July 14 through Wednesday, July 17. He noted such a short notice was not sufficient for the public and urged for better communication and coordination.

CHRISTY FOX concurred with Commissioner Weiss’s comment. She also commented on the Palm Beach TPA Annual report and noted she would like copies to share with her colleagues.

CHRISTOPHER MCVOY stated the City of Lake Worth Beach is working on railroad safety efforts and communicating this with the community.

1.F. Executive Director’s Report

VALERIE NEILSON, TPA Executive Director, provided updates available at PalmBeachTPA.org/Board.

1.G. APPROVED Consent Agenda Items

1. Governing Board Meeting Minutes for June 20, 2024
2. Executive Committee Meeting Minutes for June 25, 2024
3. 2025 TPA Meeting Schedule - Revised
4. Appointments to the TPA Advisory Committees through July 2027
 - a. Bruce Rosenzweig as the Boca Raton Bicycle Club Vision Zero Advisory Committee (VZAC) Representative.
5. Renewals to the Transportation Disadvantaged Local Coordinating Board (TD LCB) through May 2027
 - a. Robert Goodman as the Disabled TD LCB Representative.
 - b. Laura Schultze as the Public Education School District of Palm Beach County TD LCB Representative.

- 6. The Second Amendment to the Executive Director’s Employment Agreement. A General Counsel memorandum and revisions to the Agreement are attached.
- 7. Adoption of the attached resolution amending Section 2 of the TPA Personnel Handbook. A memorandum outlining the Personnel Handbook revisions is attached.

MOTION to approve the Consent Agenda made by Maria Marino, seconded by Fred Pinto, and carried unanimously 21-0 as depicted in the table below.

Member	Vote	Member	Vote	Member	Vote
Steve Wilson	Y	Christopher McVoy (Alt)	Y	Glen Spiritis	Y
Yvette Drucker	Y	Joni Brinkman	Y	Fred Pinto	Y
Andy Thomson (Alt)	Y	Deandre Poole	Y	Michael Napoleone	Y
Angela Cruz	Y	Gregg Weiss	Y	Christy Fox	Y
Rob Long	Y	Marci Woodward	Y	Joseph Peduzzi	Y
Chuck Shaw	Y	Sara Baxter	Y	Maria Marino	Y
Jim Kuretski	Y	Mack Bernard	Y	Chelsea Reed	Y

Y = Yes N = No A = Absent

2. ACTION ITEMS

2.A. MOTION TO APPROVE the FY 25 Strategic Plan

BRIAN RUSCHER, Deputy Director of Multimodal, provided a presentation.

There were no public comments.

FRED PINTO offered to connect staff with local news channels, radio stations, and TV stations.

JIM KURETSKI commended staff and asked about the outreach and social media results. He also noted the importance of road closure announcements in Palm Beach County.

GREGG WEISS suggested implementation of new tools and technologies such as Artificial Intelligence programs for efficiency purposes and noted the website dashboard should be kept up to date.

CHRISTY FOX commented on the social media aspect of the strategic plan and suggested board members sharing posts to increase engagement.

MARIA MARINO stated the County may change from impact fees to multimodal fees and the County is interested in hearing from Palm Beach County municipalities about their multimodal needs.

MOTION to adopt Amendment #4 to the Fiscal Year (FY) 25 Strategic Plan made by Sara Baxter, seconded by Maria Marino, and carried unanimously 21-0 as depicted in the table below.

Member	Vote	Member	Vote	Member	Vote
Steve Wilson	Y	Christopher McVoy (Alt)	Y	Glen Spiritis	Y
Yvette Drucker	Y	Joni Brinkman	Y	Fred Pinto	Y
Andy Thomson (Alt)	Y	Deandre Poole	Y	Michael Napoleone	Y
Angela Cruz	Y	Gregg Weiss	Y	Christy Fox	Y
Rob Long	Y	Marci Woodward	Y	Joseph Peduzzi	Y
Chuck Shaw	Y	Sara Baxter	Y	Maria Marino	Y
Jim Kuretski	Y	Mack Bernard	Y	Chelsea Reed	Y

Y = Yes N = No A = Absent

2.B. MOTION TO ADOPT FY 26-30 List of Priority Projects (LOPP)

ANDREW UHLIR, Deputy Director of Programs, provided a presentation.

There were no public comments.

JIM KURETSKI stated his appreciation for TPA staff prioritizing the Indiantown Road project and noted his concerns with the process of prioritizing projects and the project implantation production schedule.

CHRISTOPHER MCVOY stated he will be voting no due to the inclusion of the SR-7 project.

Sara Baxter left the meeting.

Glen Spiritis left the meeting.

MOTION to adopt FY 26-30 List of Priority Projects (LOPP) made by Maria Marino, seconded by Fred Pinto, and carried 15-4 as depicted in the table below, with dissenting votes due to the inclusion of the State Route 7 project.

Member	Vote	Member	Vote	Member	Vote
Steve Wilson	Y	Christopher McVoy (Alt)	N	Glen Spiritis	A
Yvette Drucker	Y	Joni Brinkman	Y	Fred Pinto	Y
Andy Thomson (Alt)	Y	Deandre Poole	Y	Michael Napoleone	Y
Angela Cruz	Y	Gregg Weiss	N	Christy Fox	N
Rob Long	Y	Marci Woodward	Y	Joseph Peduzzi	N
Chuck Shaw	Y	Sara Baxter	A	Maria Marino	Y
Jim Kuretski	Y	Mack Bernard	Y	Chelsea Reed	Y

Y = Yes N = No A = Absent

3. INFORMATION ITEMS

3.A. DISCUSSED: Roadway Functional Classification Update

RAJENDRAN SHANMUGAM, FDOT District 4 Systems Analytics Group Supervisor, provided a presentation.

There were no public comments.

JIM KURETSKI noted timing can affect the functional classification process.

JONI BRINKMAN expressed concerns regarding road upgrades and noted the Village has limited the expansion of certain roadways and does not want the Roadway Classification to affect that.

CHRISTOPHER MCVOY asked about ways for the public to ask questions and provide feedback and how mode shift affects the functional classification process.

3.D DISCUSSED: Partner Agency Updates

CHAIR REED invited Palm Tran’s new Executive Director, Ivan Maldonado, to introduce himself.

IVAN MALDONADO provided a brief introduction.

4. ADMINISTRATIVE ITEMS

4.A. Routine TPA Reports

- A. TPA Reports
 - 1. Public Involvement Activity Report – June 2024
 - 2. FDOT Scheduling Report – July 2024
- B. Next Meeting – **September 19, 2024**
- C. Adjournment

There being no further business, the Chair declared the meeting adjourned at 11:01 a.m.

This signature is to attest that the undersigned is the Chair, or a designated nominee, of the TPA Governing Board and that the information provided herein is the true and correct Minutes for the July 18, 2024, meeting of the Board, dated this 19th day of September 2024.

Chair Chelsea Reed, Palm Beach Gardens Mayor

Subject: Town of Jupiter Engineering Department- TPA TAC Alternate

Good afternoon Thomas,

We are writing to inform you that the three-year term of Chang-Jen Lan who serves as the Town of Jupiter's alternate on the TAC expires in October 2024. Kindly notify the TPA in writing if you would like to re-nominate Chang-Jen Lan or nominate a new alternate for the Town of Jupiter to serve on the TAC.

If you choose to nominate a new alternate, please send the following information by September 11 to present the appointment request at the next TPA Governing Board meeting on September 19. If you need more time, you can provide everything to me by October 2 to present it at the October 10 TPA Governing Board meeting.

To nominate a new alternate, please provide the following:

1. Email, letter, or resolution notifying the TPA of the request for appointment.
 - o Method is dependent on your agency's process for appointing representatives on external agency committees.
 - o Please address and send correspondence to Valerie Neilson, TPA Executive Director, at VNeilson@PalmBeachTPA.org.
2. Resume or summary of the appointee's credentials.
3. Contact information for appointee.

If you have any questions, please let me know. For more information about the committee's policies and work, visit [Technical Advisory Committee \(TAC\) - Palm Beach TPA](#)

Regards,

Ruth Del Pino

Good morning, Ms. Del Pino,

City Manager Evans wishes to re-nominate Mr. Terrence Bailey for continued service on the TAC.

Please let us know if you require anything else regarding the nomination.

Also, please note that effective 10/1/2024 and pursuant to an upcoming department reorganization, Mr. Bailey will report to directly to the City Manager.

Thank you.

Respectfully Submitted,

Good afternoon Joyell,

We are writing to inform you that the three-year term of Joyce Cai who serves as the School District of Palm Beach County Representative on the TAC expired. Kindly notify the TPA in writing if you would like to re-nominate Joyce Cai or nominate a new representative to serve on the TAC.

If you choose to nominate a new representative, please send the following information by September 11 to present the appointment request at the next TPA Governing Board meeting on September 19. If you need more time, you can provide everything to me by October 2 to present it at the October 10 TPA Governing Board meeting.

To nominate a new representative, provide the following:

1. Email, letter, or resolution notifying the TPA of the request for appointment.
 0. Method is dependent on your agency's process for appointing representatives on external agency committees.
 1. Please address and send correspondence to Valerie Neilson, TPA Executive Director, at VNeilson@PalmBeachTPA.org.

2. Resume or summary of the appointee's credentials.
3. Contact information for appointee.

Core competencies include:

Executive Leadership
Operations Management
Government Relations

Budget Preparation & Control
Project Delivery
Active Transportation

Citizen Engagement
Diplomatic Solutions
Strategic Planning

EXPERIENCE

Mobility & Transportation Manager

5/2023- present

City of West Palm Beach, Florida

Develops, coordinates, and implements the transportation plans for the City including the City's Mobility Plan, Bicycle Master Plan, Vision Zero Action Plan; residential and commercial parking plans and trolley operations; manages the inclusion of City transportation projects in regional transportation plans, and manages the applications for and administration of transportation grant funding.

Principal Planner, Kittelson & Associates

9/2021-5/2023

Miami, Florida

Develop municipal client portfolio for Southeast Florida with focus on active transportation planning and design, policy development, legislation, sustainable complete streets planning and design, ADA, training, community engagement, grant writing, micromobility planning, traffic calming, resiliency planning and vulnerability assessments.

- Focused on providing white glove service for municipal clients
- Coordinated project delivery with FDOT, planning organizations and counties

Assistant Director, Sustainable Public Infrastructure Division, Public Works Department

6/2014-6/2021

City of Coral Gables, Florida

Direct the City's transportation planning & engineering, sustainability and facilities sections responsible for the development and implementation of the strategic and comprehensive, long- term multi-modal transportation plan and sustainability plan for the City of Coral Gables.

- Coordinated infrastructure projects and programs between local, County and State jurisdictions
- Represented the Department for the development of the City's Strategic Plan and the development of the framework to apply for the [Malcolm Baldrige National Quality Award](#) – the highest level of national recognition for performance excellence that a U.S. organization can receive
- Developed and implement the citywide traffic calming plan
- Negotiated agreements between Coral Gables and Miami Dade County to lower local speed limits and utilize City-specific traffic calming criteria

EXPERIENCE (CONT.)

- Drafted local ordinances and resolutions
- Provided maintenance and develop maintenance plans for 31 city buildings, 43 parks, entrances, 36 fountains & plazas and 558 streetlights
- Implemented the Bicycle and Pedestrian Master Plan
- Developed the City's Sustainable Complete Streets Policy
- Developed and implemented the City Sustainability Master Plan that identifies projects the City will implement to decrease energy, water, and fuel consumption while increasing sustainability education/awareness, waste diversion (recycling) and alternative modes of transportation
- Developed and implemented the Citywide Multimodal Transportation Plan - a 10-year blueprint for improving the city's transportation system and addressing key mobility needs to provide better travel choices for people
- Maximized investments and seek additional funding for transportation and sustainability projects from local, state and federal resources
- Evaluated and advised on State and Federal legislative proposals related to transportation and sustainability
- Developed context sensitive solutions and policies that preserve historic fabric of the community
- Negotiated traffic mitigation packages that address the technical concerns of the City and practical concerns of the community while still encouraging private development
- Developed community engagement programs
- Conducted public meetings to ensure substantial community input in transportation related projects
- Served as the City's representative and expert for trip and fall cases

Director, Community Services Department

6/2012- 6/2014

City of Coral Gables, Florida

Directed and managed the supervision of three service delivery divisions to a city of over 50,000 people daily. \$27 million department budget. Areas of service included: parking, local trolley, public landscaping, waste collection and disposal, parks and recreation.

- Implemented sustainability practices in all operations
- Developed and implemented performance metrics for operations across all divisions
- Managed landscape maintenance in the public right-of-way, including oversight of tree preservation and urban forest
- Provided safe and convenient parking facilities that were user friendly, aesthetically attractive, and responsive to business and residential needs
- Directed and oversaw parking enforcement and collections initiatives
- Transported over 4,000 people daily on free local trolley service between major regional transportation hubs in greater Miami
- Provided back door carry-out service for residential garbage twice weekly, back door carry-out service of recycling once per week and yard waste collection from the street once each week
- Ensured safety compliance in operations and assist in identification of resource gaps to maintain fleet to meet and exceed safety standards
- Evaluated waste collection service and identify improvements to increase efficiency and safety
- Provided oversight to operations and programming of a 9 hole golf course, 45,000 square foot community center, 2 tennis centers, historic public pool and senior services

EXPERIENCE (CONT.)

Chief of Planning, Baltimore City Department of Transportation (BCDOT)

3/2007-7/2010

City of Baltimore, Maryland

Managed and led the creation of the Planning Division of BCDOT responsible for developing annual capital plans and budgets (\$100 million), preliminary engineering, bicycle and pedestrian planning, traffic impact studies, and community outreach (over 600,000 residents).

- Reviewed federal legislation and development of funding requests as well as monitored and participated in federal transportation discussions — including active participation in national organizations such as AASHTO, TRB, NACTO, COMTO and APTA
- Continuously balanced priorities in order to negotiate traffic mitigation packages that addressed the technical concerns of the City and practical concerns of the community while still encouraging private development
- Negotiated over \$2 million for capital improvements over three years as mitigation for traffic impacts from development under the City of Baltimore’s traffic impact study ordinance
- Analyzed existing accounts and programs for waste and identified new priorities and strategies to leverage private-sector investment with targeted transportation investments in neighborhood and economic development
- Developed regional and local truck routes in the Baltimore Metropolitan area with a team of state and local transportation officials and private sector to produce local and regional trucking routes
- Represented the City of Baltimore at the Baltimore Metropolitan Council, the local metropolitan planning organization
- Created and managed the department’s public involvement functions that executed community and public relations strategies throughout Baltimore City; coordinated and led high profile community outreach efforts associated with capital projects
- Led the implementation of the Bicycle Master Plan – a plan that created an integrated network of bicycle lanes in order to encourage bicycling as a viable commuting option
- Maintained close working relationships and responded to the needs of local business/community improvement districts such as the Downtown Partnership, Southeast Community Development Corporation, Baltimore Development Corporation and Waterfront Partnership
- Assisted in the development of the City’s free Charm City Circulator (local bus service) and Harbor Connector with a team of private stakeholders, quasi-public agencies and interdepartmental interests

Project Manager

1/2002-3/2007

Wallace, Montgomery & Associates (WMA)

Managed planning, design and construction contracts on behalf of WMA; leaders in sustainable development of transportation and public works facilities.

Highway Engineer

4/2000-1/2002

Sabra, Wang & Associates (SWA)

Provided professional consultation on behalf of SWA; experts in traffic engineering, transportation planning, intelligent transportation systems, civil & highway engineering, municipal infrastructure & utilities, structural engineering and construction management.

Highway Designer

1/1999-4/2000

EBA Engineering (EBA)

Provided design expertise for EBA transportation projects ranging in scope from major interstate roadways to local municipal streets.

EDUCATION

Master of Engineering, Transportation <i>University of Maryland, College Park, MD</i>	2005
Bachelor of Science, Environmental Analysis and Planning <i>Frostburg State University, Frostburg, MD</i>	1998

Background

Over Thirty years of Engineering and Project Management experience on Major Public Capital Improvement Projects

Executive Level Experience in:

- Construction Management
- Design Management
- Schedule Management
- Budget Management
- Managing and Supervising Project Staff
- Contract Negotiations and Administration
- Environmental Management/Compliance
- Presentations at Public Meetings
- Federal /State Funding Requirements
- Construction Permitting
- Design Consultant Contract Management

Project Management Experience in:

- Airport Transit Station and Trackway
- Airport Terminal Renovation and Expansion
- Public Transit Stations
- Heavy and Light Rail Track and Infrastructure
- Train operations systems and testing
- State and Local Highway/Roadway Construction
- Parking Structures
- Bridges and Aerial Guide ways
- Utilities –water, sewer, storm, electrical and communications
- Police Station with Detention Facilities
- Fire Stations
- Convention Center
- Cut and Cover Tunnels/ NATM Tunneling
- Traffic Signals and Street Lighting

Career Highlights:

- Managing an on-going \$300M Capital Improvement program
- Managed Airport Terminal renovation projects at FLL and SFO
- Managed major Metrorail project into Dulles international Airport
- Managed and directed \$4.7B in transit rail construction projects
- Managed multiple public projects ranging from \$10M- \$1.2B

A proven successful background in Project Management including:

- On site construction management from groundbreaking to closeout focusing on compliance with design documents, public and site safety, environmental compliance, operational requirements, budget and schedule requirements.
- Project planning based on needs assessment, operational requirements and resource conditions.
- Design management emphasizing functionality, constructability, budget and schedule compliance, design consultant staff performance, permitting of construction documents, and design change documents during construction.
- Interfacing and coordinating with various Federal, State, and local jurisdictional agencies, permitting authorities, contractors, consultants, utility companies and the end user stakeholders.
- Project controls including budget management, forecasting, estimating and cost status reporting, schedule review, analysis and management, construction change order management including scope, cost and schedule evaluations, negotiations, and preparation of change order documents for approval.
- Design and construction contract development, including contract negotiations of pricing and terms and conditions, and.
- Experience and familiarity with administration of and compliance with grant funding requirements on projects from Federal and State agencies such as: Federal Transit Administration (FTA); Federal Highway Administration, (FHWA); Florida Department of Transportation (FDOT); Florida Department

of Economic Opportunity (FDEO)

Education and registrations:

- BS, Civil Engineering, University of the Pacific- Stockton, California
- Registered Professional Engineer in:
 - California - No.C054706
 - Florida- No. 61583
 - Virginia - No. 0402049835

Professional Experience

***Director of Engineering Services Department From Oct 2016-present
City of West Palm Beach, FL***

I am currently the Director of the Engineering Services Department at the City of West Palm Beach overseeing the planning, design, and construction work on over 200 Capital improvement projects within the City with a budget of over \$300M. These projects include Public Utilities, Transportation (Roads, Streetscapes, Traffic calming, Bike Lanes, and Micro-mobility facilities), Parks, renovation and new construction of City buildings such as Fire Stations, Police Station and Community Centers. The Engineering Department is responsible for implementing and managing all Capital Improvement Projects that are included in the City's annual budgets.

Also act in the capacity of the City Engineer for West Palm Beach

I am also performing the duties of the Capital Improvement Plan Manager, responsible for the development and maintenance of the City's annual and five-year Capital Improvement Program. I work very closely with other City Departments in development and management of the Annual Capital Improvement plan and budget including, Public Works, Public Utilities, Fleet Services, Information Technology, Fire and Police Departments, Parks and Recreation, Community Redevelopment Agency and City Administration.

The Engineering Department consists of 32 City staff members plus supplemental consultant staff and has on an annual operating budget of \$4.7M.

Responsibilities include:

- Yearly evaluation and revisions to the overall Capital Improvement Plan budget and schedule for projects ensuring that necessary funding is secured, and appropriate resources are in place to perform design and construction tasks for each project. I work very closely with the City Finance Department in establishing annual budgets and with the City Attorney's office on all procurement and contractual matters involved in the Capital Program.
- Continue to oversee the management of ongoing projects and make recommendations to the City Commission and Administration for new projects to be funded and included in the next Fiscal year's budget.

- Oversee the administration of all contracts with design consultants and construction contractors involved in the Capital Program, ensuring that contract documents are prepared and executed by both parties; that financial documents are prepared to support the required funding; that the project schedules are being met; that the quality of the work is as expected and the Projects are being completed within the established budget, and that timely and appropriate progress payments are made to the participating consultants and contractors.
- Negotiate contract terms and/or change orders with consultants and contractors as necessary when elevated issues rise to the Department Director level.
- Take a prime role in the applying for and administration of grant funding from State and Federal agencies.
- Development of annual Engineering Department operating budget.
- Provide guidance and mentoring to the Engineering staff to ensure successful Project Management and enhanced career development.
- Prepare and review reports and studies that have been prepared for various Citywide project support such as mobility plans, environmental studies, transportation planning studies and other technical project related engineering design reports.
- Provide engineering guidance in project planning efforts for new City projects with other City departments.
- Report to City Administration and the City Commission on all activities undertaken by the Engineering Department.
- Oversee and participate in technical assistance to other City Departments to help facilitate practical and successful implementation of projects originating in their departments.
- Participate in and make presentations in public meetings with neighborhood associations regarding planning efforts and construction work on various Capital Program Projects.
- Ensure that projects in the Capital Program are following City policies and strategic visions such as built environment, sustainability, and energy conservation.

- Assist City Communications and Community Engagement in response to public inquiries regarding infrastructure and project issues

***Project Director Package A From August 2014- October 2016
Metropolitan Washington Airports Authority (MWAA)
Dulles Corridor Metrorail Extension Project, (Silver Line) Washington, DC
Area (\$1.2 B)***

For Phase 2 of the Project consisting of the final 11 miles of the 23-mile extension of existing Washington Metropolitan Area Transit Authority, (WMATA) Metrorail system from the recently completed Silver Line in Fairfax County, VA to the Dulles International Airport, (IAD) and into Loudoun County, VA. Phase 2 consisted of six new transit stations including the station at IAD, at grade and aerial track way, traction power substations and train control rooms. Project was federally funded by TIFIA loan, toll road revenues and contributions from VDOT, Fairfax and Loudoun Counties.

Responsibilities included:

- Management of all project related activities for the \$1.2 B design-build contract including design, construction, project controls, public outreach, system testing, commissioning, and closeout/turnover of final project to WMATA, Virginia Department of Transportation (VDOT), Fairfax and Loudoun Counties.
- Designated in charge of the Phase 2, Package A Design –Build Contract with responsibility for all administration of the contract including maintaining progress, QA/QC, budget, schedule, change management and leading stakeholder meetings
- This involved extensive coordination with the operations staff at IAD to construct the trackway aerial guideway and station on the airport property in conjunction with the continuing passenger operations of the airport.
- Interface and coordinate with WMATA as required to administer the eventual turnover of the project facilities at the conclusion of construction and through WMATA’s operational readiness testing for starting revenue service.
- Interface with Design-Build contractor executive management staff on a continuing basis to ensure satisfactory progress is made, quality and safety requirements are met, and adherence to schedule and budget.

- Interface with other Project MWAA Managers of Design, Construction, Project Development, QA and Safety, Finance and Public Outreach on to facilitate efficient and coordinated progress of the design and construction efforts for the project.
- Manage a project staff of over 200 MWAA employees and consultants to facilitate the necessary support for design, project controls, construction, quality control activities, environmental compliance, permitting requirements and adhering to the project's construction budget and schedule.
- Meet with executive staff regularly from MWAA, WMATA, Fairfax and Loudon Counties and VDOT to review overall progress, policy and project administration issues.
- Interface with project controls team to manage schedule reviews and change order processes.
- Manage the efforts to obtain approval on required construction permit applications
- Manage the efforts to ensure that permit closeouts and obtaining Certificates of Occupancy for the various stations and supporting facilities will be accomplished efficiently prior to transferring the second phase of the project to WMATA for revenue service.
- Manage the performance of the project management support services team related to design, construction and systems testing
- Interface with the Federal Transportation Administration (FTA) oversight staff on the project
- Interface and coordinate with staff from Fairfax County DOT, Loudon County DOT, MWAA Dulles Airport staff and VDOT as required to administer the design, construction and eventual turnover of the project at the conclusion of construction and closeout of permits issued by these stakeholders.
- Prepare monthly status reports on overall construction, budget and schedule and present project status to the FTA at monthly and quarterly meetings.

Deputy Project Director, Construction From Sept 2007- July 2014
Metropolitan Washington Airports Authority (MWAA)
Dulles Corridor Metrorail Extension Project-Phase 1, Washington, DC Area
(\$1.7 B)

Responsible for managing all construction for Phase 1 of the Project consisting of the initial 12 miles of the 23 mile extension of existing Washington Metropolitan Area Transit Authority, (WMATA) Metrorail system, from the existing Orange Line tracks in Falls Church, VA to Reston, VA , consisting of at grade and aerial guideway track facilities, five new transit stations, traction power substations, train control rooms, expansion of the maintenance facility, roadway improvements and major utility relocation program.. Project included a \$1.6B design build contract and a \$130M utility relocation program. Project was funded by Federal TIFIA loan, toll road revenues and contributions from state and local agencies.

Reported directly to the Project Director, and responsible for providing management and technical policy oversight of all project construction, system testing, commissioning, and closeout /turnover of final project to WMATA, Virginia Department of Transportation (VDOT), Fairfax and Loudon Counties. Construction included precast segmental post tensioned aerial guideway, two separate New Austrian Tunneling Method(NATM) tunnels and cut and cover tunnels(Inbound and Outbound), direct fixation and ballasted at grade track, station structures, architectural finishes, elevators, escalators, mechanical and electrical equipment rooms, train control and traction power systems, and an expansion of a rail maintenance yard facility.

Responsibilities included:

- Assisted in the negotiations of terms and conditions of the \$1.6B Phase 1 - (11.7 mile-5 transit stations) Design–Build contract with the design build contractor and a \$100M utility relocation subcontract. Provide technical support in the procurement of the Phase 2 - (11.3 mile- 5 transit stations) Design Build contract
- Interface with Design-Build contractor management staff on a continuing basis to ensure satisfactory progress is made, quality and safety requirements are met, and adherence to schedule and budget.
- Interface with MWAA Deputy Directors of Design, Project Development, QA and Safety, Finance and Public Outreach on continual basis to facilitate efficient and coordinated progress of the construction and systems testing efforts for the project.
- Manage a staff of MWAA employees and consultants to facilitate the necessary support for construction and quality control activities including daily coordination of on-site construction and systems testing activities, technical inspections, environmental compliance, permitting requirements,

maintenance of traffic and adhering to the project's construction budget and schedule.

- Responsible for managing the efforts to obtain approval on required construction permit applications.
- Manage \$30M of utility company relocation contracts from the development of individual contracts/utility agreements to ensuring that the work was completed in accordance with the executed agreements. Negotiated contracts with utility companies and processed amendments to utility agreements as necessary.
- Manage the performance, schedule, and budget of the project management support services team related to utility relocation and design-build construction activities.
- Managing the VDOT roadway and traffic signal construction related tasks in accordance with interagency agreement between VDOT and MWAA.
- Interface with the Federal Transportation Administration (FTA) oversight staff on the project
- Interface and coordinate with WMATA on a continuing basis, as required to administer the construction, system testing/commissioning and turnover of the project facilities at the conclusion of construction and through WMATA's operational readiness testing for starting revenue service.
- Interface and coordinate with VDOT, Fairfax County DOT and Loudon County DOT on a continuing basis, as required to administer the construction and turnover of the project at the conclusion of construction and closeout of permits issued by these stakeholders.
- Coordinate with other adjacent construction projects to ensure design and construction interfaces are progressed and completed efficiently
- Prepare monthly status reports on overall construction, budget and schedule and make presentations to FTA at monthly and quarterly meetings.
- Make public presentations to various regional agencies and associations for public relations purposes.

From 1981-2007

***URS Corporation /Dames & Moore/O'Brien Kreitzberg & Associates– an Engineering and Construction Management Firm
URS Project History:***

Senior Project Manager URS Corp

From June-Sept 2007

City of Ft. Lauderdale – Construction of Fire Stations No. 53 and No. 47 (\$8M)

As the onsite owner's representative, for the construction of new Fire Station No 53 and managed other on-site staff providing construction management at the Station No. 47 site. Duties included monitoring daily construction progress, conducted meetings with the Contractor and the City of Ft. Lauderdale, identified design/construction related issues and developed solutions to facilitate the continuation of progress as needed.

Senior Project Manager URS Corp **From 2006-2007**
Miami Dade Metrorail Extension, MIC-Earlington Heights Connector, Miami, FL (\$200M)

On the design contract for the metro extension, my duties involve assisting on completion of design documents from the 60% design submittal forward, focusing on Contract Specifications, interface coordination between design disciplines, primarily traction power and train control systems, and with Miami Dade Transit (MDT) operations staff, and incorporation of design review comments made by (MDT) into the follow on design submittals.

Project included the design of the extension from the existing Earlington Heights station to the new Miami Intermodal Center (MIC) Station near Miami International Airport including elevated guideway, trackwork, traction power substations, traction power and train control systems and a new transit station and bus plaza at the MIC

Senior Project Manager URS Corp **From 2004-2006**
Ft. Lauderdale- Hollywood International Airport-Airport Expansion Program- International Terminal Expansion, Ft Lauderdale, FL (\$70 M)

Managed the design and construction work on the International Terminal 4 renovation project and assisted in the planning of the future rail people mover system between Port Everglades and the airport.

On the existing International Terminal renovation, managed the design from schematic design through issuance of permitted construction documents. Coordinated the construction interface requirements for airport operations and maintenance, US Customs and Border Protection operations, TSA baggage screening operations, and airline tenant operations. Provided construction management for all construction operations, including oversight of the design consultant and the general contractor, related to contract compliance, quality control, safety, and security requirements while performing work and maintaining active operations within the passenger terminal, airside and inside US Customs inspection areas. Prepared and managed staffing and budget plans for internal consultant staff and design consultants. Managed the consultant contract for the design of the existing International Terminal renovations as well as the schematic design of a new International Terminal facility for future construction.

The existing International Terminal project consisted of three main components. The first involved expanding the baggage claim area of the Customs and Border Protection facility and renovation of the passport inspection facilities to increase the throughput capacity of arriving international passengers.

The second involved a 5,700 SF expansion to the terminal building to be used for passengers to recheck baggage for connecting flights after they have cleared customs. This project was designed and constructed on a fast track basis with a total duration of five months from start of design through placing the renovated facility in operation. The operations of the Customs and Border Protection were maintained continuously during this entire project through extensive coordination. The third component off this project involved further expansion of the passport and customs inspection areas to increase the passenger throughput capacity and enhance the operational functions of the Customs and Border Protection facility, a reconfigured outbound baggage handling system with a new TSA baggage screening area.

Resident Engineer URS Corp

From 2003-2004

Caltrain Double Track Construction, Santa Clara County, CA (\$9.8 M)

Managed the construction work on the project including any engineering interface. Project was a 3.2-mile, heavy rail commuter line for Caltrain. The project, located in San Jose, involved construction of a second track for Caltrain use, related Union Pacific freight rail improvements, including crossovers and turnouts, signals, drainage facilities, bridge expansion, structural and seismic retrofit modifications on railroad overpasses over city streets. Provided coordination and interface with Caltrain and Union Pacific Railroad engineering staff related to submittal reviews, scheduling requirements, and operational/construction coordination requirements. Interfaced and coordinated with Caltrain and Union Pacific Railroad operational staff regarding daily safety requirements for performing construction work on and adjacent to an operating railroad used by Union Pacific, Caltrain and Amtrak. Interfaced and coordinated construction work with property owners and tenants adjacent to project site. Coordinated the successful protection and relocations of existing utilities as required for underground Union Pacific railroad signals and fiber optic communications cables owned by third party utilities.

Oversaw construction inspection and testing staff, and coordinated survey crews as required. Conducted project meetings, negotiated change order costs and time impacts, oversaw schedule reviews, reviewed and approved contractor's monthly progress payments, prepared and issued all contract related correspondence, reviewed construction submittals and responded to RFI's. Developed solutions and resolution to field construction issues, and related quality control and schedule impact issues.

Resident Engineer Dames & Moore

From 1999-2003

Bay Area Rapid Transit District (BART) San Francisco Airport Extension – San Bruno Station, Parking Garage and Joint Police Station (\$52 M)

My responsibility was on the San Bruno Station and Parking Structure design-build contract. This contract consisted of a two-level BART commuter station, with street level entrance and cut and cover constructed underground platform area that tied into the underground cut and cover trackways structure, with ancillary electrical and communication rooms, a five-level, 1,100-car, post tensioned parking structure with a secured police parking area and electrical rooms on the ground level, and a three-story joint police station facility for the City of San Bruno and BART.

Designated as BART District Representative, serving as the point of contact for all correspondence between BART and the contractor. Managed the support staff involved in the oversight of the design and construction of the San Bruno Station, Parking Garage, and the BART-City of San Bruno Joint Police Station. Managed design reviews for compliance with BART design criteria, operational requirements, and constructability. Responsible for documentation of work progress, quality assurance/control activities to ensure compliance with contract provisions, and construction safety compliance for both on site construction personnel and protection of the public near the construction site. Performed plan review, field inspections and oversight of contractor's compliance with Storm Water Pollution Prevention Best Management Practices implementation, in conjunction with the City of San Bruno.

Reviewed and processed progress payments, design, and construction submittals, RFI's, and construction schedules. Prepared and issued change notices, prepared estimates, and negotiated costs for change orders. Prepared change order documents for approval by the owner, conducted project meetings, and coordinated fieldwork. Interfaced and coordinated with BART engineering, City of San Bruno Police Department, Public Works and the Fire Marshall on design and construction related issues. Managed on-site coordination of existing utility protections and new service installations, for gas, electrical and telephone with the applicable utility companies. Provided proactive oversight of construction work to resolve constructability issues and ensure that requirements of the design intent, contract documents, facility operations, budget and schedule were met without any construction claims submitted by the contractor.

O'Brien Kreitzberg & Assoc.

Assistant Resident Engineer- Field Project Controls Manager From 1996-1999 Tasman West Light Rail Extension, Mountain View, CA (\$43 million)

Managed project controls support for all Tasman West projects and the field construction management for one of the two main civil/trackway contracts. Project was a 7.6-mile light rail extension and 12 new stations and involved clearing right of way and construction of ballasted track, traction power Overhead Catenary System, track signals, street crossings, utility relocations, traffic signals at street intersections, and required structures for trackway, including a 150 ft concrete box culvert structure over the Sunnyvale West channel to support trackway, a below

grade depressed structural section in front of the NASA Moffett Field runway to provide vertical clearance of light rail train with U.S government air traffic, a tieback wall underneath US 101, a precast post tensioned track bridge for the Caltrain tracks over a new pedestrian underpass, and a cast in place trackway bridge with a pile foundation abutment structure over an existing river.

Prepared contract change orders and supporting documentation, field work orders, assisted in estimate review and contract change negotiations; monitored and prepared cost forecasting reports for pending contract changes; prepared and submitted contract progress payments; reviewed schedule submittals for approval; and supervised field office project control engineering support staff. Provided construction management services including field engineering, inspection, coordination with various related agencies such as Joint Powers Board (JPB-Caltrain), City of Mountain View, Santa Clara County, Caltrans, project adjacent tenants Onizuka Air Force Base and Lockheed-Martin; coordinated and scheduled construction surveying and materials testing; coordinated interface with various systems contracts; and preparation of PUC Safety Certifications. Prepared and submitted daily Site-Specific Work Plans for approval to JPB and assisted in field oversight of safety requirements for performing construction work adjacent to the operating freight and commuter railroad along Central Expressway in Mountain View. Proactively managed construction to resolve constructability issues to maintain schedule and stay within budget requirements, such that construction contract was closed out without any claims submitted by the contractor.

Assistant Resident Engineer

From 1993-1996

BART Pittsburg/Antioch Extension, Contra Costa County, CA (\$56 M)

I was the Assistant Resident Engineer on the contracts for the new North Concord /Martinez and Pittsburg/Bay Point BART Transit Stations. Projects involved two level steel framed station structures with at grade parking lots and ancillary electrical/train control buildings, and the Pittsburg/Bay Point Station included a steel framed pedestrian bridge over Highway 4 to access the station platform and a tail track section at the end of the line.

Reviewed and prepared progress payments, prepared and issued change notices, requests for information and submittals to the contractor, prepared estimates and negotiated costs for change orders, prepared change order documents for approval by the owner, coordinated and managed field construction work to ensure that prerequisite elements were satisfactorily completed to enable follow on elements of work to begin, verified that Storm Water Pollution Prevention Plan provisions were maintained, and field measured and prepared finalized bid quantities for closeouts. Interfaced and coordinated with Public Works departments of the City of Concord and City of Pittsburg, BART operations, and Caltrans as required for construction related issues. Assisted in field oversight of safety requirements related to pre-revenue service train operational testing governed by Site Specific Work Plans as it related to on going construction work on the new BART station projects. Proactively worked with Contractor and Designer to manage and resolve any and all constructability and cost issues so that the schedule for completion and opening of facilities for revenue service would

be maintained, which was instrumental in opening these two stations on time and within budget.

Office Engineer

From 1989-1993

Caltrans Highway Improvements, District 4, San Jose, CA (\$45 M)

Working under the direction of three Caltrans Resident Engineers, on the California State Highway 87 project in San Jose, I prepared monthly quantity calculations and contractor progress payments, contract change orders; tracked and monitored construction costs, monitored, reviewed and updated contractor's CPM schedule submittals; monitored and expedited approvals of contractor requests for information and submittals; and maintained project records including materials testing reports and survey staking requests. Project involved construction of a 5.2-mile new divided cross-town freeway with a new light rail commuter trackway constructed in the median.

Project Engineer

From 1986-1989

San Jose Convention Center, San Jose, CA (\$143 M)

As Project Engineer on the construction of a new convention center facility in downtown San Jose, I was responsible for monitoring and analyzing construction schedules for the three phases of the project, (demolition, foundations, and building). I performed all the project controls functions including status reporting for shop drawings, submittals, RFI's, design revisions, prepared progress payments, and maintained construction documents with current revisions. Provided required office engineering and field inspection support, and prepared monthly progress reports. This facility included 143,000 SF of exhibit hall space, an underground parking garage, a 30,000 SF pre-function space, and a full kitchen and banquet facility

Project Engineer

From 1983-1986

San Francisco International Airport, San Francisco, CA (\$102 M)

As a **Project Engineer on the South Terminal renovation**, I was responsible for all scheduling reviews, processing of contractor progress payments, distribution of bid documents and budget forecasting reports for the bond funded project. This project included renovations of the existing ticket counter lobby, boarding areas and airfield aprons, a new entrance building, and two renovated pedestrian tunnels to the parking garage.

Project Engineer

From 1982-1983

Cable Car System Rehabilitation Program, San Francisco, CA (\$10M)

Performed duties as a civil construction inspector, on two of the trackway construction contracts valued at \$5M each. Project involved demolition and removal of the existing 100-year-old Cable Car System facilities and replacement with new upgraded facilities throughout the downtown area of San Francisco. I was responsible for field inspection of the excavation, utility relocations, track substructure construction and monitoring all force account work on the two California Street civil contracts.

Project Engineer **1982**
San Francisco Municipal Railway 24-Line Electrification, San Francisco, CA
(\$15 M)

I was responsible for schedule management and progress payment processing on the project.

This project involved the conversion from a diesel bus system to an electric powered, overhead catenary power supply, bus system on the five mile, cross-city bus line.

Project Engineer **From 1981-1982**
Construction Claims Analysis, San Francisco, CA

Served as a Project Engineer working with the construction claims group where I analyzed schedule impacts and assisted in preparation of schedule delay analyses reports for litigation on defense support on construction claims against the owner for the following major projects:

- University of California Moffitt Hospital, San Francisco, CA (\$12 million claim)
- Kaiser Permanente Cement Manufacturing Plant, CA (\$11 million claim)
- Central Contra Costa Sanitary District, CA (\$38 million claim)

Bachelor's in architecture with master's in development and Planning from the University College London. Over twenty years of experience in urban planning and urban design at the national and local level. Since 2003 has worked supporting the successful redevelopment of downtown West Palm Beach towards a vibrant urban environment with a mixed of uses and quality of public spaces.

WORK EXPERIENCE

9/24 to date

City of West Palm Beach Development Services Department
West Palm Beach, Florida
Assistant Development Services Director

4/15/22 to 8/31/24

City of West Palm Beach Community Redevelopment Agency (CRA)

Deputy CRA Director

- Oversee the implementation of the CRA Strategic Finance Plan for the Downtown CRA District and the Northwood/Pleasant City CRA District.
- Work on implementation of redevelopment projects such as renovation of historic structures, streetscape, and TIF and grant programs.
- Prepare the CRA \$110 million budget and oversee budget spending.

09/15/03 to 4/15/2022

City of West Palm Beach Development Services Department, Planning Division

City Urban Designer from 10/05 to 4/15/22

Senior Urban Design Planner 04/05 to 10/05

Urban Design Planner 09/03 to 04/05

- Oversee the implementation of the Downtown Master Plan. Specific assignments on:
 1. Review of new projects for code compliance and urban design compatibility.
 2. Preparation of staff reports regarding code amendments and variances from the code.
 3. Preparation of code amendments to reflect changed policies and conditions.
- Review and provide urban design advise on city-initiated streetscape projects such as Clematis Street and Banyan Boulevard.
- Project manager for the Downtown Master Plan update conducted from 2005 to 2009, including Comprehensive

Plan amendments, and zoning and land development regulations amendments. Adopted in 2009.

01/20 to 12/20

Florida Atlantic University

Adjunct professor for the Urban Design Capstone course for the Urban Design undergraduate program

09/27/99 to 04/15/01

Departamento Administrativo de Planeación Distrital

Bogotá D.C, Colombia

Consultant architect in Urban Planning

- Member of the team in charge of the design of the Bogota's Territorial regulation plan - POT. Specific assignments on:
 1. Design and development of the Urban Strategic Interventions
 2. Implementation of the land regulation established by the Territorial Regulation Law

12/1/96 to 07/18/99

Departamento Nacional de Planeación

Bogotá D.C, Colombia

Consultant architect in Urban Planning

- Technical assistance on the implementation of the Territorial regulation law at the urban level
- Technical assistance on the design of the National Urban Policy 1999-2002

WORK EXPERIENCE

City of Homestead, Homestead, FL

Community Redevelopment Agency (CRA) Executive Director (2/18-present)

- Serve as the administrator for a seven member policy board which oversees the renewal and redevelopment of downtown Homestead. Supervise day-to-day agency activities.
- Led efforts to revitalize downtown resulting in increased number of new businesses.
- Serve as a member of the City Manager’s Executive Management Team.
- Negotiated with property owners and worked with City Attorneys for property acquisitions for CRA mixed-use developments and the downtown’s future food hall and entertainment venue.
- Developed and implemented plans to increase the CRA’s revenue and revive downtown by purchasing blighted buildings and leasing them for restaurant and entertainment purposes.
- Created a grant program to incentivize new businesses to relocate into downtown.
- Secured \$500,000 transportation planning grant.
- Negotiated relocation packages/grants with potential new businesses.
- Completed economic impact studies for potential new businesses seeking grant assistance.
- Negotiated with developer and secured first downtown housing development to be made up of market rate loft apartments.
- Developed and managed COVID-relief grant programs for residents and businesses.
- Evaluated community needs and developed economic development plan for the historically black neighborhood. Built community support and political will for implementation.
- Developed first-time home buyer grant program.
- Created a Small Business Clinic that provided capacity-building training to 20 businesses, each received an implementation grant at program completion.
- Established the SW Neighborhood New Home Initiative to increase inventory of newly constructed homes on CRA-owned lots.
- Led team efforts to develop Request for Proposals for mixed-use projects and senior housing development as well as Request for Qualifications for Brownfield Consultant.
- Partnered with Homestead Police to implement community policing initiatives that led to decreased crime and group-involved activities.
- Managed contracts for landscaping, architecture and economic development services.
- Administered CDBG residential rehabilitation grants
- Created “pop-up” and recurring events designed to increase traffic and activity in downtown.

City of Homestead, Homestead, FL

Economic Development Manager (10/16-2/18)

- Responsible for structuring projects and programs that support community economic development.
- Administered and implemented economic plans, programs and policies. Built community support for implementation of plans.
- Served as a team member on \$55 million of capital projects that were completed on-time and on budget.
- Successfully recruited a multi-million dollar manufacturing company to the Park of Commerce.

WeCare of South Dade, Inc. Miami, FL

A non-profit coalition of social service agencies

Executive Director (8/01-10/16)

Coordinated and managed collaborative efforts between the 100 network partners. Organized and supervised the development and implementation of neighborhood network linking social service providers in South Miami Dade County. Assisted agencies with grant writing, research and development, non-profit management, and capacity building.

Accomplishments:

- Increased agency operations budget from \$75,000 to more than \$1 million in two years
- Provided capacity-building technical assistance to non-profit organizations
- Developed and implemented training program
- Developed mental health action team to address the lack of mental health services for children
- Assisted the City of Homestead with development of resident energy assistance program
- Increased coalition membership and agency participation 40-percent
- Developed, implemented and operated Non-profit Management Incubator
- Developed and coordinated the South Dade Drug-Free Communities Coalition
- Established and provided leadership over South Dade Out-of-School Collaborative made up of afterschool programs
- Created the “Eat Well, Play Hard” annual physical fitness event for youth
- Successfully advocated for millions of dollars to support youth programming in South Dade.

ReCapturing the Vision, Miami, Florida

A non-profit agency dedicated to the betterment of teens and their families in Miami, Florida.

Events Coordinator (12/00-05/01)

Managed the planning and execution of various projects and special events. Performed staff training on protocol and office administration. Recruited and trained volunteers for their service at each event. Created all written correspondence for events including news releases, advertisements and public service announcements and developed media kits, letters and presentation packets. Wrote monthly column for local gospel newspaper. Began development of agency marketing and public relations plan.

Self-Employed, Tulsa, Oklahoma

Marketing and Public Relations Consultant for ministries, churches and small businesses.

Consultant, (05/99-01/01)

Coordinated conferences and special events. Managed and trained volunteers and staff for each event. Developed marketing plans and materials to enhance agency’s overall presentation of services and to promote company growth and exposure. Organized, trained and developed staff, both paid and non-paid, in administrative procedures. Wrote procedure manuals for conference coordination, bookstore operations and radio broadcast editing.

Accomplishments:

- Assisted with the coordination and media advertising for Woman Thou Art Loosed Conference 1999-2000.
- Successfully managed and coordinated 2nd annual conference for Greenwood Christian Center.
- Increased product sales over 300% for church bookstore.

Word Alive, Inc., Tulsa, Oklahoma

Full service marketing and media agency providing graphic design, television services and on-site and post duplication to ministries.

Service Manager (05/98-05/00)

Responsible for monitoring client activity and managing active accounts with television broadcasts, duplication orders or packaging development. Consulted clients on effective marketing strategies for products and television commercials, and coordinated and oversaw requests with appropriate agency departments as well as outside entities including call centers and television and radio stations. Worked closely with television department in creative development of product and conference commercials and weekly television broadcasts. Assisted with graphic designs for conference ads, video and audio tape covers, fliers, and logo development.

Accomplishments:

- Structured, organized and managed the new Service Department.
- Improved company/client relations and increased customer satisfaction.
- Successfully bridged gap between agency departments, promoting a team atmosphere.
- Assisted with management, organization and structure of television department.

EDUCATION/TRAINING

- Masters in Public Administration, August 2019, Barry University, Miami FL
- Bachelor of Arts, Communications Emphasis: Public Relations, May 1991 University of Tulsa, Tulsa, OK.
- FRA/RA – Certified Florida Redevelopment Administrator, 2023

AFFILIATIONS/RECOGNITIONS

- National Association of Black Public Administrators
- ICMA
- Recognized as one of Miami's Most Prominent & Influential Black Women in Business and Industry in 2023, Legacy Magazine

COMMUNITY INVOLVEMENT

- Miami Dade Economic Advocacy Trust (MDEAT) Board Member (2022-present)
- Mandarin Lakes Homeowner's Association Board Member (2021-present)
- Genesis Hopeful Haven Group Home Board Member (2015-2016)
- South Dade Chamber of Commerce Board of Directors (2013-2016)
- Certified Parenting Education Facilitator (2009-2013)
- Mentor, God's Little Women Teen Girls Group (2010)
- Foster parent (2008-2016)
- Miami-Dade County Community Action Agency Board of Directors (2007-2012)
- Assistant Director, Second Baptist Church Youth Group, (2005-2008)
- Certified Victim Advocate, (2006)
- Miami Dade County Homeless Trust Board, (2004-2006)
- Member, Miami Dade County Workgroup on School Overcrowding, (2003-2004)
- Homestead/Florida City Human Relations Board (2002-2006)
- Miami-Dade County Strategic Planning Committee, Miami, FL (2002-2003)

TPA RESOLUTION 2024-XX

A RESOLUTION OF THE PALM BEACH TRANSPORTATION PLANNING AGENCY (TPA) APPROVING AND ADOPTING THE REVISED PALM BEACH TPA FINANCIAL POLICIES ATTACHED AS EXHIBIT "A".

WHEREAS, the Palm Beach MPO, doing business as the Palm Beach Transportation Planning Agency (TPA), a public agency created in accordance with and operating pursuant to 23 U.S.C. 134, 49 U.S.C. 5303, and Sections 163.01 and 339.175, Florida Statutes, is the designated and duly constituted body responsible for the urban transportation planning process for Palm Beach County; and

WHEREAS, the TPA Governing Board adopted Financial Policies to ensure the TPA's financial practices and internal controls are consistent and compliant with federal and state statutes; and

WHEREAS, the TPA's Financial Policy has been revised to remain consistent with current legal and state standards.

NOW THEREFORE, BE IT RESOLVED BY THE PALM BEACH MPO, d/b/a PALM BEACH TRANSPORTATION PLANNING AGENCY, THAT:

SECTION 1. The foregoing recitals are hereby adopted and declared to be true and correct and are incorporated herein.

SECTION 2. The TPA Governing Board hereby:

1. Approves the revised TPA Financial Policies attached hereto as "Exhibit A" and by reference is incorporated herein, including:
 - a. The Executive Director's timesheets shall be reviewed and approved by the Finance and Operations Manager each pay period prior to payroll execution. The TPA Governing Board Chair or Vice-Chair shall review and approve a summarized report of the Executive Director's time entries on a quarterly basis per FDOT and FHWA requirements.

SECTION 3. This Resolution shall take effect upon adoption.

The foregoing Resolution was offered by _____ who moved its adoption. The motion was seconded by _____ and upon being put to a vote, the motion passed. The Chair thereupon declared the Resolution duly adopted this 19th day of September 2024.

Exhibit A

The Executive Director shall establish policies and procedures relating to grant applications and related award agreements, accounting, indirect costs, and Single Audit requirements. The TPA will review each expenditure charged to each grant to ensure that the indirect expenses chargeable to the applicable grants will be done so in accordance with the specific agreements and the Uniform Guidance.

Time and Effort Reporting

All TPA staff members shall complete a timesheet that accurately details their daily efforts including time worked by task and any unpaid leave. The staff member shall account for 100% of scheduled work hours within a pay period, including both paid and unpaid hours regardless of standard workday duration.

TPA staff shall date and sign their timesheets and submit their timesheets to their respective supervisors for approval. Erroneous or rejected timesheets shall be returned to the staff member for prompt correction or revision and resubmission.

Timesheets shall be approved prior to payroll execution. ~~The Executive Director's timesheets shall be reviewed and approved by the TPA Governing Board Chair or Vice-Chair in advance of payment.~~ The Executive Director's timesheets shall be reviewed and approved by the Finance and Operations Manager each pay period prior to payroll execution. The TPA Governing Board Chair or Vice-Chair shall review and approve a summarized report of the Executive Director's time entries on a quarterly basis per FDOT and FHWA requirements.

Asset Management

All TPA staff have a fiduciary responsibility to the citizens of Palm Beach County to safeguard the TPA's assets. The Executive Director shall establish sufficient controls to protect public funds and property from theft, damage, misuse, or other potential loss.

The TPA shall tag newly acquired assets with an acquisition cost exceeding \$5,000 and a useful life greater than one (1) non-calendar year. Additional items to be barcoded regardless of their value include controlled items such as overhead projectors, printers, televisions, DVD players, video cameras, digital cameras, PCs, monitors, laptop computers, tablets, two-way radios, and any item which may be easily stolen.

The TPA shall maintain a record of all capital assets with unique assets numbers, purchase information, and location information.

The TPA shall conduct a physical inventory annually for all inventoriable assets. The physical inventory shall record a minimum of all quantities and locations of inventoried assets.

The TPA shall coordinate repairs, donation, destruction, transfer, theft, sale, abandonment, or disposition of assets in accordance with the TPA Procurement Policy and as directed by the Finance & Operations Manager.

Checks, Vouchers, and Cash Receipts

TPA staff shall safeguard all checks, vouchers, and cash receipts at all times with a clear chain of custody and storage of payments in locking safe equipment.

TPA RESOLUTION 2024-XX

A RESOLUTION APPROVING THE PROPOSED 2020 FEDERAL FUNCTIONAL CLASSIFICATION SYSTEM FOR PALM BEACH COUNTY

WHEREAS, the Palm Beach Metropolitan Planning Organization (MPO) doing business as the Palm Beach Transportation Planning Agency (TPA), is the designated and duly constituted body responsible for the urban transportation planning process for Palm Beach County; and

WHEREAS, the Florida Department of Transportation, District Four (FDOT D4) initiated the decennial review of the Federal Highway Administration (FHWA) adjusted urban boundaries and Functional Classifications of roads, as defined in 23 USC 101(a)(33) –(34) and 49 USC 5302(a)(16) –(17); and

WHEREAS, the TPA Governing Board has reviewed and adopted Resolution 2023-26 approving the 2020 FHWA Adjusted Urban Boundaries for Palm Beach County; and

WHEREAS, additional coordination occurred between FDOT, the TPA, and local agencies and stakeholders on Federal Functional Classification designations for all public roads in Palm Beach County.

NOW THEREFORE, BE IT RESOLVED BY THE PALM BEACH MPO, d/b/a PALM BEACH TRANSPORTATION PLANNING AGENCY, THAT:

SECTION 1. The foregoing recitals are hereby adopted and declared to be true and correct and are incorporated herein.

SECTION 2. The TPA Governing Board hereby approves the Proposed Federal Functional Classification for Palm Beach County, attached hereto as “Exhibit A” and by this reference incorporated herein.

SECTION 3. This Resolution shall take effect upon adoption.

The foregoing Resolution was offered by _____ who moved its adoption. The motion was seconded by _____, and upon being put to a vote, the motion passed. The Chair thereupon declared the Resolution duly adopted this 19th day of September 2024.

FDOT

2020 Urban Boundary and Functional Classification

Palm Beach County

September 18, 2024

Functional Classification - Overview

- Functional Classification (Funclass) is a method to describe the usage of roadways within the immediate area, regionally for some roadways and statewide for others.
- Federal Highway Administration requires roadways to be functionally classified to fund roadway improvements and perform analysis of the network of roadways.
- Federal-aid Eligibility is determined by Functional Classification which includes roadways higher than Local or Rural Minor Collector.
 - Surface Transportation Block Grant (STBG) funds are used on Federal-aid roadways.
 - Federal Highway-Emergency Relief (FHWA-ER) are used after a disaster declaration (e.g., hurricane, floods, tornados,...)

Functional Classification - Roles

- FDOT performs initial review and determination of Funclass.
- City and County agencies review Funclass within and adjacent to their boundaries providing concurrence or recommendations for Funclass of roadways.
- MPO/TPO/TPA approve the Funclass by signing the official maps.
- FDOT & FHWA approve the Funclass by signing the official maps.

3

Functional Classification – Align with Urban Boundaries Result

County	FUNCTIONAL CLASS: 2014 vs. 2024														Rural to Urban Total	Urban to Rural Total	Net Change (Miles)

TPA RESOLUTION 2024-XX

A RESOLUTION OF THE PALM BEACH TRANSPORTATION PLANNING AGENCY (TPA) APPROVING AMENDMENT 1 TO THE FISCAL YEAR (FY) 2025-2029 TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

WHEREAS, the Palm Beach Metropolitan Planning Organization (MPO) doing business as the Palm Beach Transportation Planning Agency (TPA), is the designated and duly constituted body responsible for the urban transportation planning process for Palm Beach County; and

WHEREAS, both 23 U.S.C. §134(j) and 23 CFR §450.326 mandate that the TPA develop and update a TIP at least every 4 years that reflects the investment priorities of the TPA's adopted Long Range Transportation Plan and covers a period of no less than 4 years; and

WHEREAS, the TPA's FY 25-29 TIP is a staged program encompassing a five-year period and including all regionally significant transportation improvements to all modes of travel in Palm Beach County as well as locally funded transportation improvement projects; and

WHEREAS, the TIP identifies projects for maintaining and improving the transportation system funded by federal, state and local sources in order to assist local governments with their transportation planning efforts; and

WHEREAS, the amendment programs in project phases that were originally funded in FY 24 but not encumbered as programmed and to allow the remaining funds for these projects to be "rolled forward" into FY 25, and to amend in FDOT District 4 districtwide projects, General Appropriations Act (GAA) projects into the FY 25-29 TIP as shown in Exhibit A attached.

NOW THEREFORE, BE IT RESOLVED BY THE PALM BEACH MPO, d/b/a PALM BEACH TRANSPORTATION PLANNING AGENCY, THAT:

SECTION 1. The foregoing recitals are hereby adopted and declared to be true and correct and are incorporated herein.

SECTION 2. The TPA Governing Board hereby approves Amendment 1 to the FY 25-29 Transportation Improvement Program, attached hereto as "Exhibit A" and by this reference incorporated herein, and authorizes its Executive Director to execute any and all corresponding documents to memorialize this approval. This amendment does not affect or re-adopt any other provision of the TIP.

SECTION 3. This Resolution shall take effect upon adoption.

The foregoing Resolution was offered by _____ who moved its adoption. The motion was seconded by _____, and upon being put to a vote, the motion passed. The Chair thereupon declared the Resolution duly adopted this 19th day of September 2024.

FY 2025-2029 TIP Amendment #1 Summary

This Amendment includes multiple project revisions to the FY 2025-2029 Transportation Improvement Program (TIP). The amendment includes:

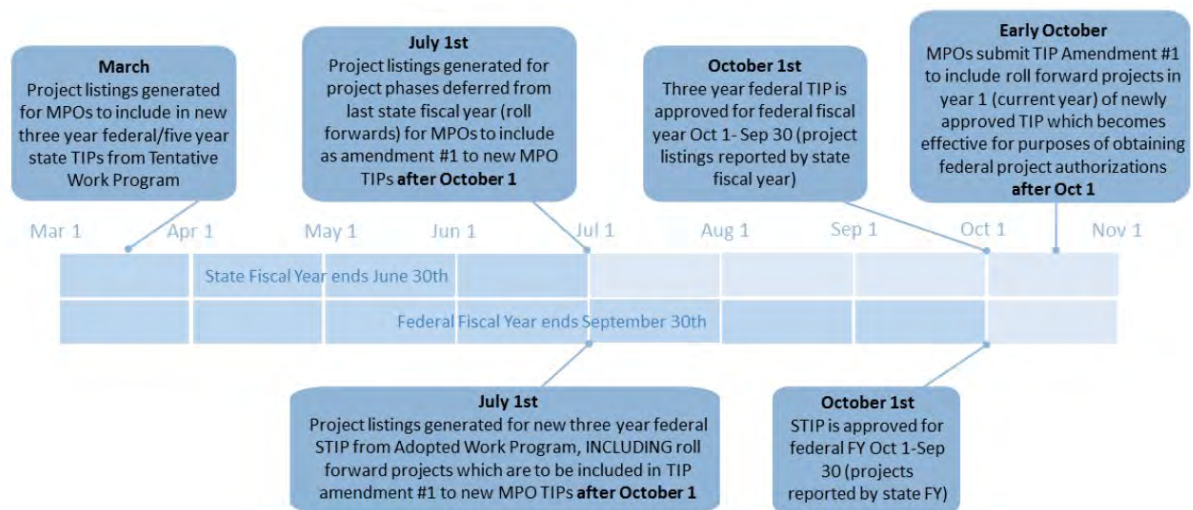

- Roll-forward of project funding into FY 2025 that was not encumbered in the prior 2024 fiscal year
- Revision to Palm Tran projects to roll over encumbered funding from prior fiscal years and to align projects with Activity Line Items (ALI) found in the Federal Transit Administration (FTA) award management system
- Addition of projects from the Florida Legislature's General Appropriations Act (GAA) FY 2025
- Inclusion of a new TIP Section that adds in all Districtwide (District 4) Projects

Roll-Forward Projects

Unused FY 2024 funding is rolled into FY 2025. Approval of this revision will restore consistency between the FDOT Work Program and the Palm Beach TPA's Transportation Improvement Program.

There are often project phases that were programmed in the previous fiscal year that do not get encumbered (prior to June 30). Federal Highway Administration (FHWA) funded projects automatically roll forward from the previous fiscal year to the new fiscal year in the FDOT Work Program but do not automatically roll forward in the TIP. To ensure that both the Work Program and TIP have a matching first year, FDOT submits the projects to the TPA to roll forward.

The graphic below illustrates the roll-forward process.

Source: FDOT MPO Handbook

The TPA's Roll-Forward Summary Report is attached and the full FDOT Roll-Forward Report is available on the TIP website.

Palm Tran Projects

Transit projects are revised to ensure funding rolls forward into FY 2025, similar to the other roll-forward projects. The TPA has worked with Palm Tran to ensure funding that was not obligated in the previous year is accounted for in 2025 in this amendment.

The projects were also restructured to correspond with Activity Line Item (ALI) coding that transit agencies use when seeking Federal Transit Administration (FTA). This allows for greater transparency and more seamless tracking of federal transit funds.

The Palm Tran Projects are available in the attached document under the "O&M – Transit" Section.

Florida Legislature General Appropriations Act (GAA) Projects

New transportation projects that were approved into the budget by the Florida Legislature that were not included in the original FDOT work program are being added to the TIP.

The GAA projects are available in the attached document under the "Other FDOT & Local Projects" Section.

Districtwide Projects

The TIP is required to include the Districtwide projects. The original data provided by FDOT did not include the Districtwide projects. The projects will appear in a new "Districtwide" section of the TIP. There are 482 Districtwide projects being added.

The Districtwide Project pages are available on the TIP website.

Public Involvement Activity Report

July 2024

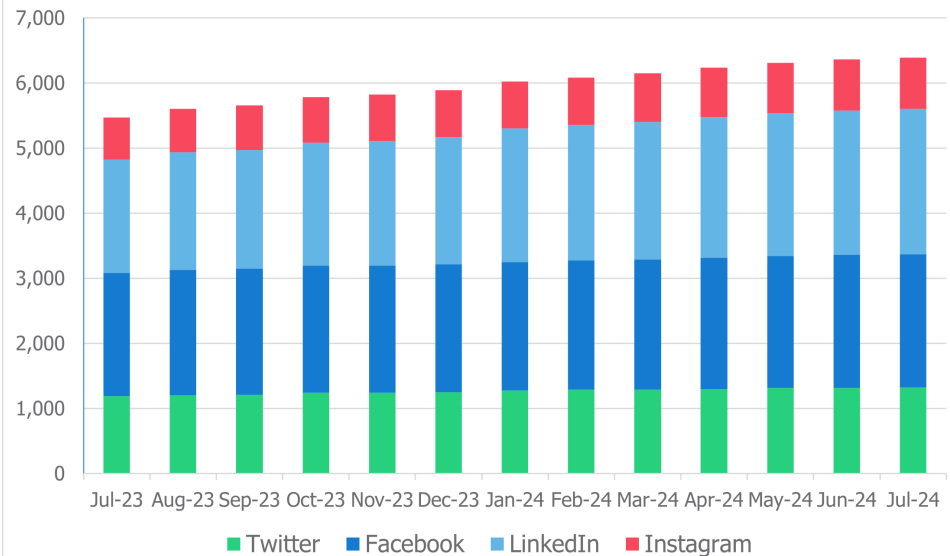

4.A.1

FY 25-26 UPWP Task 1.B Solicit Public Input via Social Media

Social Media Impressions

Social Media Followers

FY 25 Strategic Plan Goal 1.B: Increase Social Media Engagement

Goal: 350,000 users reached

Achieved: 18,101 users reached

L RTP Outreach Events

The TPA continues to engage with the public, elected officials and transportation stakeholders throughout the development of the 2050 Long Range Transportation Plan (L RTP).

Staff held several workshops throughout June and July to gather input about the projects submitted for the L RTP thus far. Participants shared feedback about included project, what's missing and desires for the transportation system in Palm Beach County.

Thank you to all participants for engaging with the TPA throughout the entire L RTP process!

WPTV: A1A Resurfacing and Safety Improvements

FDOT launched \$8 million project to resurface A1A in Palm Beach County. Will it help keep cyclists safe?

WPTV's Joel Lopez looked into the multimillion dollar project

The project will resurface and improve three miles of road.

Several upcoming resurfacing projects on A1A will also incorporate bicycle safety improvements. WPTV spoke with TPA Deputy Director of Multimodal, Brian Ruscher, about the importance of these projects for all roadway users.

Project Scheduling Report – August 2024 Phases occurring within the next 90 days Palm Beach TPA & FDOT District 4

The purpose of this report is to ensure stakeholders are aware of upcoming activities for each project to allow for increased input. The TPA has consolidated the FDOT report to focus on TPA priorities and scheduling activities that are occurring within the next 90 days. The full list of scheduling activities is described below.

Scheduled Activity	Description
Multimodal Scoping Checklist (MMSC)	FDOT’s Office of Modal Development (OMD) notifies impacted agencies to enter comments about the project scope. The local agency can confirm or discuss context class, minor comments about multimodal features.
Resolution from Agency (for Off-System Projects Only)	If an off-system project is administered by FDOT, the local agency’s governing board must pass a resolution endorsing FDOT’s delivery of the project.
Review of Scope with Agency	Meet with local agency to review and confirm scope prior to FDOT advertising for consultant acquisition.
Execution Date (Design)	FDOT Design starts.
Project Kickoff Meeting	FDOT Design Team coordinates with local agency. Contact the FDOT project manager for date/time/location of the meeting.
Initial Field Review	Field Review meeting. Typically occurs at the project site.
Initial Engineering	30% plans to reviewers. Stakeholders provide review and feedback on the approved Typical Section.
Public Information Workshop	Tentative date to conduct a public information workshop. Date may differ than final workshop date.
Constructability Plans	60% plans to reviewers. At this time most of the Design is complete, no scope discussion, review focuses on items to be constructed, their construction impacts, and materials to be used.
Plans Specification and Estimates (PSE) Meeting	FDOT PM arranges field review with all reviewers to evaluate the final engineering plans with respect to actual field conditions.
Biddability Plans to Reviewers	90% plans. At this time, Design is complete. Verifying quantities and pay items.
Production	100% plans. Plans are complete.
Local Agency Program (LAP) Commitment	Agency and FDOT commits the project funds and budget to the Legislature and the Governor’s office.
Letting	Bids are opened and the apparent low bid contract is determined. Construction typically begins 4 to 6 months after letting.
Construction Notice to Proceed (NTP)	Construction starts. Construction dates for FDOT administered projects can be found through the FDOT Operations Center.

For more information on a project, please contact the FDOT District 4 office at 954.486.1400 and ask to be transferred to the FDOT Project Manager for the specific project. For the FDOT copy of the report with the full project schedule, contact Claudette DeLosSantos at Claudette.DeLosSantos@dot.state.fl.us or 954.777.4208.

Please note, the dates shown in this report are a snapshot and dates can change frequently. Updated reports are requested monthly from FDOT.
