

2023-2024 Vision Zero Status Report Card

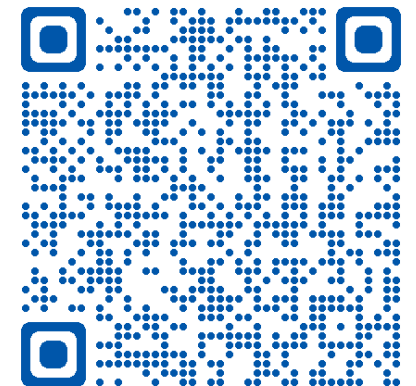

June 2024

Vision Zero Action Plan Overview

- Adopted April 18, 2019
- Updated October 16, 2021
- Eliminate fatal and serious injuries
- Policy, Funding, and Culture Actions

Read the Plan >>

VZAP Achievements to Date

- ✓ **1.1** Produce a Vision Zero Progress Report
- ✓ **1.2** Safety changes in TPA legislation and policy positions
- ✓ **2.1** Work with signal maintaining agencies for safety improvements
- ✓ **3.1** Provide reviews of fatal pedestrian and bicycle crash reports
- ✓ **3.4** Host annual Vision Zero Workshop
- ✓ **3.5** Host and/or participate in Vision Zero safety events

VZAP Ongoing Actions

-  **1.3** Target speed for high crash corridors
-  **1.4** Display safety analysis for TIP projects
-  **1.5** Work with school district to update transportation curriculum
-  **2.2** Evaluate TPA-funded projects
-  **3.2** Include typical section attributes in federal-aid eligible roads
-  **3.3** Implement Vision Zero media and public education campaign

I PLEDGE TO SAY CRASH NOT ACCIDENT

I will use "crash" to describe a traffic-related incident.

I will encourage others to use this language.

I will not be distracted while driving.

I will not speed while driving.

I will do my part to not cause traffic-related fatalities or serious injuries.

I PLEDGE TO HELP REACH "VISION ZERO" IN PALM BEACH COUNTY

<p>In 2021, 1,106 people were severely injured or killed in crashes on our roadways in Palm Beach County, according to Signal Four Analytics. That includes:</p> <ul style="list-style-type: none"> • 191 pedestrians and bicyclists • 129 motorcyclists and motor scooter riders • 298 aging road users <p>One life altered or lost is too many. The TPA is committed to getting those numbers to 0 with #VisionZero</p> <p>Have you heard about the TPA's #VisionZero Action Plan? The TPA is committed to eliminating traffic-related fatalities and serious injuries in Palm Beach County.</p> <p>Learn more about how the agency plans to keep our neighbors safe: https://bit.ly/3avw17a</p> <p>Through our #VisionZero Action Plan, we plan to eliminate traffic-related fatalities and serious injuries by:</p> <ul style="list-style-type: none"> • Enhancing our policies processes and programming • Promoting safer speeds • Fostering a Safe Streets culture • Expanding and improving data • Promoting transparency, responsibility and accountability <p>Dozens of communities in the United States have adopted #VisionZero plans, including multiple municipalities in Palm Beach County. As part of this network, the TPA and its partner municipalities can help reach our goal of zero traffic-related deaths and serious injuries.</p> <p>To help make our goal of #VisionZero a reality, we're prioritizing funding for Complete Streets programs. This provides safe and accessible travel space for people driving, walking, cycling and riding transit.</p> <p>Learn more at PalmBeachTPA.org/safety</p> <p>How we talk about traffic events shapes how we think about them. "Accident" implies that we have no control over severe traffic injuries and deaths. "Crash" characterizes an event with a cause and a solution.</p> <p>Learn more about why language matters here: https://bit.ly/3P89vKk</p>	<p>Download Image</p> <p>Download Image</p> <p>Download Image</p> <p>Download Image</p> <p>Download Image</p> <p>Download Image</p> <p>Use link for article preview on Facebook and Twitter</p>

Next Steps

- VZAP update in FY 25
- Crash Dashboard
- VZAC SS4A Grant Coordination

Thank you!
