MISSION STATEMENT

Tribe exist to provide housing opportunities and services to our elder LGBT+ and the wider community. We will endeavor to provide our clients choices in services and housing. We will be fiscally responsible.

We will develop and implement programs that support our elders.

We will work with our community partners to assure comprehensive care, access to programs and resources while we provide compassionate care.

VISION STATEMENT

We believe that healthy living means connected living. We know the power of our creative community and will seek to celebrate that in our work. We will seek to be holistic in our approach to care and services. Our approach to care will seek to promote spiritual health, mental health and physical health. We will not discriminate. We will celebrate all and show respect for all. We will incorporate fun and be a safe place for all.

GUIDING PRINCIPLES

Avoid Isolation.

Patience is a Virtue.

Group Health is Paramount.

Together we can do this.

Enjoyment is Priority.

We will seek to cover needed services
in a range of price options

We will focus on our elder community,
but we will be available to all.

Wise use of Resources.

Encourage Creativity.

Break away from Stereotypes.

Holistic Health.

HOUSING

Our start up project will be an Assisted Living Facility providing Care for Approximately 5 people.

We will work with others to establish PRIDE TRIBE branded properties at various price points.

Our long term goal will be to develop a Senior Living Community for dozens of residents.
