A MULTIMODAL SYSTEM

CONNECTING COMMUNITIES

With an eye on the future, the Palm Beach Transportation Planning Agency (TPA) maintains a long range forecast of population, employment, and transportation projects and services that advance our regional vision. Grounded in the present, the TPA Board annually adopts a funding program that prioritizes over \$600 Million of federal, state and local transportation dollars per year to implement those projects.

MISSION To collaboratively plan, prioritize, and fund the transportation system.

VISION A safe, efficient, and connected multimodal transportation system.
