2.B. MOTION TO ADOPT the 2050 Long Range Transportation Plan (LRTP)

STEWART ROBERTSON, Kimley-Horn Associates, Inc. representative, provided a presentation.

PIA SKORAN submitted a public comment and voiced concerns about the proposed traffic plans for the Acreage and the additional traffic they would bring. She suggested working with the City of West Palm Beach to extend State Road 7 to Northlake Blvd. to eliminate traffic on local roads.

WILLIAM DERKS submitted a public comment and voiced concerns about the proposed traffic plan, suggesting the main arterial roads be opened to ease congestion on local roads. He also asked board members to oppose the proposal to extend Okeechobee Blvd. along State Road 80.

BEN BROWN submitted a public comment and asked for an update on the Okeechobee Blvd. extension project and stressed the urgency of completing it due to the increase in crashes in Arden.

NINA CORNING submitted a public comment and expressed concerns about the negative impact the traffic plan for the Acreage could have on their neighborhood.

JIM KURETSKI stated that he will vote against the 2050 LRTP, because, despite the 2019 FDOT congestion study of Palm Beach County identifying Indiantown Road as the most congested, the proposed roadway modifications were not included in the Cost Feasible List.

SARA BAXTER requested an update on the State Road 7 project status.

MICHAEL NAPOLEONE thanked the residents of the western communities for their public comments and emphasized the need for the State Road 7 project for public safety and roadway network connectivity.

GLEN SPIRITIS stated his intention to vote for the 2050 LRTP and noted that new development along US-1 / Broadway in Riviera Beach.

JEFF HMARA noted the 2050 LRTP will inform the Countywide Master Transportation Plan, allowing for new alternatives and promoting mass transit in areas that were not previously considered.

STEVE WILSON expressed his support for the 2050 LRTP and asked what the course of action would be if the court ruling opposes the State Road 7 expansion.

MARIA MARINO noted the County Transportation Plan is a global perspective and urged all 39 municipalities to assess their future needs and collaborate.

MARCI WOODWARD inquired about how often the plan is updated to reflect current traffic needs and whether priority projects can be re-ranked.

SARA BAXTER emphasized State Road 7 is essential for reducing traffic congestion, making it a priority.

MOTION to adopt the 2050 Long Range Transportation Plan (LRTP) made by Joel Flores seconded by Sara Baxter and passed 14-4 as depicted in the table below.

Motasem Al-Turk, Ph.D., P.E., is the Director of Palm Beach County's Traffic Division overseeing staff of 150 employees and an annual maintenance budget of \$24.0 Million. Under the Department of Engineering and Public Works, the Traffic Division is charged with installation, operation, and maintenance of traffic control devices, including traffic signals, flashers, road signs, street lights, and pavement marking. The Division operates and maintains 1,200 signals and flashers throughout Palm Beach County with the exception of the City of Boca Raton and Town of Palm Beach. The Traffic Division also operates and maintains about 500 signals and flashers as well as 4,000 streetlights on the State Highway System (SHS) under compensation agreements with the Florida Department of Transportation (FDOT). Under Dr. Al-Turk's leadership, the Traffic Division implemented the Flashing Yellow Arrow for left turn signal operation, deployed state of the art school flasher communication system, secured grants to fund several multimillion dollar projects, started the LED streetlights conversion, deployed Transit Signal Priority and Emergency Preemption systems, and designed and implemented an employee-coaching program.

Dr. Al-Turk has been with the county for over 20 years. Prior to joining the County, Motasem worked for the City of Des Moines - Iowa, City of Omaha - Nebraska, and the Nebraska Department of Roads. Dr. Al-Turk also worked at the construction of the Queen Alia International Airport in Amman, Jordan. He earned his Ph.D. and Master's degrees from the University of Nebraska and completed his undergraduate education in Odessa, Ukraine. His peer-reviewed research articles were published in the ITE and ASCE journals and presented at the TRB meetings.

Dr. Al-Turk is a registered Professional Engineer in the State of Florida and formerly licensed in the states of Nebraska and Iowa.

Re: TPA -Technical Advisory Committee (TAC)

Dear Ms. Neilson,

The City of Belle Glade would appreciate the opportunity to participate on the TPA's Advisory Technical Advisory Committee (TAC). We respectfully request a seat on the TAC to remain informed and give input on important transportation and transit projects. We wish to nominate Zayteck Marin, Assistant to the City Manager within the City Manager's Office, to serve as the City of Belle Glade's representative.

This letter is submitted in consideration of Section "A" of the adopted TPA Bylaws, which states, "The number of Members for the TPA shall be as determined, from time to time, by the TPA Governing Board. An agency seeking membership on the TAC shall submit a written request to the TPA for consideration and approval by the TPA Governing Board. The TPA Governing Board has final approval of the membership."

Please let me know if there are any questions or concerns regarding this request.

Sincerely,

Steve B. Wilson

Palm Beach TPA Governing Board

301 Datura Street
West Palm Beach, FL 33401

Dear TPA Governing Board Members,

I am writing to nominate Sherryl Muriente as the Board of County Commissioners District 3 representative on the Citizen's Advisory Board.

Sherryl Muriente is a highly motivated, results-driven professional with over 15 years of diverse experience in urban planning, architecture, design, and community engagement. As a seasoned lead project manager, she has consistently demonstrated her ability to successfully manage complex projects, making her a valuable asset to any transportation planning agency.

Her extensive experience collaborating with local government agencies and municipalities on urban development initiatives further enhances her qualifications for the TPA CAC. With a strong track record of managing high-impact projects and navigating the complexities of large-scale construction, Sherryl's expertise will be instrumental in supporting the goals and initiatives of the Transportation Planning Agency.

Thank you for considering Ms. Muriente for this important role.

Professional Experience

West Palm Beach Downtown Development Authority (WPB DDA)

Public Realm Director

2022 – Present

- Pioneered one of the first Public Realm Director roles in the U.S., leading downtown West Palm Beach with creativity and vision to create welcoming and accessible public spaces for all.
- Developed and led the 2025-2029 placemaking department's five-year strategic plan with measurable and actionable goals.
- Managed large-scale community engagement projects, including the Trojan Rocking Horses WPB and the Dream Machine, a \$135,000 mobile public art project collecting 1,200 community dreams and designing a mobile-community center for 2025. Including the directing the [social media campaign](#), contributing content for website [Trojan Rocking Horses WPB project](#), and storytelling video [Trojan Rocking Horses WPB](#).

- Established a community-led placemaking mini-grant program by securing \$10,000 from the Knight Foundation and Community Foundation, creating a matching grant program for equitable, community-responsive projects.
- Oversaw 15 to 20 projects per fiscal year, ensuring the growth of wellness, environmental, artistic, multigenerational, and cultural programming as requested by the community.
- Managed staff, vendors, and community members working on special projects within the department.
- Led a team of national consultants, including Gehl and Dover Kohl, for various public realm projects.
- Conducted interviews with [NPR](#), local news, and engaged in public speaking at conferences with professional groups like the International Downtown Association (IDA), Urban Land Institute (ULI), and American Planning Association (APA).

Urban Placemaking Manager

2018 – 2022

- Developed and led WPB DDA's first placemaking department, co-creating a five-year strategic plan with measurable goals, successfully reached by the fourth year.
- Negotiated contracts with local vendors and contractors, ensuring timely and within-budget completion.
- Facilitated all community engagement efforts and programs for the department and trained employees to facilitate volunteer programs.
- Established a parklet grant by securing \$25,000 from the Knight Foundation, co-leading the new ordinance and permitting process with the City of West Palm Beach.
- Increased the budget from \$25,000 to \$386,000 and secured over \$255,000 in grants.
- Designed and managed the [COVID-response project, Dining on the Spot](#), serving as a model for CORO Neighborhoods in NYC and other IDA members.
- Established the first bilingual program for the growing Latino community in downtown West Palm Beach with [Esperanza Day](#).

LeJobart, Inc.

Creative Director and Public Artist

2013 – Present

- Served as the Creative Director of [LeJobart](#), artist duet, in which she curated and managed large-scale public art projects.
- Negotiated and managed construction team, client, presentations, and all logistics for "Between the Lines" public art project for a new development, District Flats.
- Managed and led the construction of [a shamanic temple in an archaeological site](#) in Tucume, Peru with a crew of 40 community members in the rural village to showcase their skillsets in vernacular construction in collaboration with Bjornadal Arkitektstudio.
- Led the artist team, co-designed, and built an 11,000 sf outdoor arts garden, called [CityZen Garden](#) with a \$450,000 budget from a one percent for the arts award.
- Lead in community-led interventions, alleyway restorations, and parklet studies, such as [C'est la Via](#), [Sistrunk's Story Share](#), [the Megaphone](#), and the Street Balcony Pilot Project.
- As part of her grant work, Sherryl was appointed to manage the first Office of Public Life in the US, as an urban lab, with Gehl Architects in the City of West Palm Beach.
- Lead artist for "La Maastra: The Bread Story" featured as part of the biourbanism documentary, [ReGeneration City](#) filmed in Ardena, Italy.

StreetPlans Collaborative

Project Director

2016 – 2018

- Directed 13 projects in a 12-month period while managing staff and contractors for tactical urbanism projects in Miami and throughout the USA.
- Directed and co-designed a large scale outdoor tactical urbanism project called [Biscayne Green](#), managing over 26 days of activations and assisted in measuring and monitoring the project. The project's main challenge was that it was located under seven governmental jurisdictions. Managed the cross-agency collaboration needed to transform large open parking lots into public parks for people.
- Led asset mapping facilitation during community volunteer onboarding and workshops.
- Facilitated community engagement workshops prior to implementing the tactical urbanism projects, so that all projects went through participatory design process.

Re: Vision Zero Advisory Committee (VZAC) Reappointment

Dear Ms. Neilson:

The Palm Beach County Parks and Recreation Department has had the pleasure of serving on the TPA's VZAC Committee for many years. With Casey Prankun taking a new position with Engineering and Public Works, I am requesting that Daniel Duenas, Planner II be appointed as our Alternate. Daniel presently serves as an Alternate on the committee and has five years of experience in urban planning with a degree in Urban Design.

We look forward to continuing to serve on the VZAC and providing insight on improving safety for all modes of non-motorized transportation. Please contact Daniel Duenas, Planner II at 561-966-6659 if you have any questions or need additional information.

Sincerely,

Jennifer Cirillo, Director

TPA RESOLUTION 2025-XX

A RESOLUTION ADOPTING 2025 TARGETS FOR FEDERALLY REQUIRED SAFETY PERFORMANCE MEASURES

WHEREAS, the Federal Highway Administration (FHWA) performance measure implementation requires the Palm Beach Metropolitan Planning Organization (MPO), doing business as the Palm Beach Transportation Planning Agency (TPA), to adopt federal Safety Targets by February of each year;

WHEREAS, the required federal safety performance measures include the number and rate of fatalities, the number and rate of serious injuries, and the number of pedestrian & bicycle fatalities and serious injuries;

WHEREAS, the TPA has the option to support the safety targets adopted by the State, or establish their own targets; and

WHEREAS, FDOT re-adopted the previous statewide targets of zero, shown in the summary table attached herein as “Exhibit A”; and

WHEREAS, since 2018, the TPA has adopted the safety targets of zero fatalities and serious injuries; and

WHEREAS, the TPA, along with multiple municipalities within Palm Beach County, the Metropolitan Planning Organization Advisory Council (MPOAC), FHWA, and the Florida Department of Transportation (FDOT) support “Vision Zero”, a multi-national strategy to eliminate all traffic-related fatalities and serious injuries; and

WHEREAS, the TPA, to support its commitment to Vision Zero, adopted a Vision Zero Action Plan in April of 2019 and an updated version in October of 2021.

NOW THEREFORE, BE IT RESOLVED BY THE PALM BEACH MPO, d/b/a PALM BEACH TRANSPORTATION PLANNING AGENCY, THAT:

SECTION 1. The foregoing recitals are hereby adopted and declared to be true and correct and are incorporated herein.

SECTION 2. The TPA Governing Board herby:

- a. Adopts the Federal targets of zero fatalities and serious injuries for Palm Beach County, attached hereto as "Exhibit A" and by this reference incorporated herein;
- b. Directs TPA staff to integrate these performance measures and targets into the Long Range Transportation Plan (LRTP) and Transportation Improvement Program (TIP) as administrative modifications;
- c. Reaffirms direction to TPA staff to continue implementing, monitoring, and evaluating the progress of safety measures and the Vision Zero Action Plan.

SECTION 3. This Resolution shall take effect upon adoption.

STATEWIDE TARGETS

FDOT establishes statewide safety targets for the following calendar year as part of the [HSIP Annual Report](#), which must be submitted by August 31 each year.

Given FDOT's firm belief that every life counts, the target set for all safety performance measures is ZERO.

MPO TARGETS

MPOs must set targets by February 27 of each year (within 180 days after FDOT sets targets). MPOs have the option of supporting the statewide targets or establishing their own targets for the MPO planning area.

MPOs must include the most recent reported performance and targets with each TIP update. The TIP must describe how the investments contribute to achieving the performance targets. The LRTP must include a System Performance Report that discusses the performance of the transportation system and progress achieved in meeting the targets over time.

ASSESSMENT OF SIGNIFICANT PROGRESS

FHWA considers a state to have met or made significant progress when at least four of the five safety targets are met or the actual outcome is better than baseline performance. Florida is making progress towards achieving the targets established for serious injuries but not yet for fatalities or non-motorized users.

As requested by FHWA, FDOT annually develops an [HSIP Implementation Plan](#) to highlight strategies it will undertake in support of these targets. MPOs are encouraged to review this Plan each year to identify strategies appropriate for their planning area.

FHWA will not assess MPO target achievement. However, FHWA will review MPO adherence to performance management requirements as part of periodic transportation planning process reviews.

DECLARING MARCH 2025 AS FLORIDA BICYCLE MONTH

WHEREAS, [INSERT MUNICIPALITY] residents and visitors engage in bicycling as a viable and environmentally sound form of transportation and an excellent form of physical activity and recreation; and

WHEREAS, the State of Florida designates March as Bicycle Month and Palm Beach County will recognize it locally; and

WHEREAS, Florida Bicycle Month features many fitness opportunities, educational programs, races, commuting, and charity events for riders of all ages and abilities to enjoy throughout the month at various parks and locations throughout Palm Beach County; and

WHEREAS, the recognition of Florida Bicycle Month will raise awareness of bicycling and ultimately promote physical activity and healthy lifestyles by elevating bicycling as a more widely accepted choice of transportation;

WHEREAS, the Palm Beach Transportation Planning Agency plans, supports, and recommends projects to make bicycling more accessible and promotes comprehensive community education efforts aimed at improving bicycle safety; and

WHEREAS, creating a bicycle-friendly community has been shown to improve citizen's health, well-being, and quality of life, grow the economy of [INSERT MUNICIPALITY], attract tourism dollars, improve traffic safety, support student learning outcomes, and reduce pollution, congestion, and wear and tear on our streets; and

WHEREAS, Palm Beach County has an ever-expanding designated or enhanced bicycle lane network, with over 280 miles of existing facilities and several local municipalities that have adopted a Complete Streets Policy, furthering the creation of a safe, connected transportation system that is accessible to all forms of transportation, and all people who bike, regardless of age, ability, or background.

NOW, THEREFORE, BE IT PROCLAIMED BY THE [INSERT MUNICIPALITY], assembled in regular session this [INSERT DATE] day of March 2025, that the month of March 2025, in [INSERT MUNICIPALITY], is hereby proclaimed:

Florida Bicycle Month

BE IT FURTHER PROCLAIMED BY THE [INSERT MUNICIPALITY], that this proclamation is duly sealed, ribboned and executed by the members of this [INSERT COMMISSION/COUNCIL]. The foregoing proclamation was sponsored by Honorable Mayor [INSERT NAME], and upon unanimous consent of the [INSERT COMMISSION/COUNCIL], the Mayor declared the proclamation duly enacted.

Project Scheduling Report – February 2025

Phases occurring within the next 90 days

Palm Beach TPA & FDOT District 4

The purpose of this report is to ensure stakeholders are aware of upcoming activities for each project to allow for increased input. The TPA has consolidated the FDOT report to focus on TPA priorities and scheduling activities that are occurring within the next 90 days. The full list of scheduling activities is described below.

Scheduled Activity	Description
Multimodal Scoping Checklist (MMSC)	FDOT's Office of Modal Development (OMD) notifies impacted agencies to enter comments about the project scope. The local agency can confirm or discuss context class, minor comments about multimodal features.
Resolution from Agency (for Off-System Projects Only)	If an off-system project is administered by FDOT, the local agency's governing board must pass a resolution endorsing FDOT's delivery of the project.
Review of Scope with Agency	Meet with local agency to review and confirm scope prior to FDOT advertising for consultant acquisition.
Execution Date (Design)	FDOT Design starts.
Project Kickoff Meeting	FDOT Design Team coordinates with local agency. Contact the FDOT project manager for date/time/location of the meeting.
Initial Field Review	Field Review meeting. Typically occurs at the project site.
Initial Engineering	30% plans to reviewers. Stakeholders provide review and feedback on the approved Typical Section.
Public Information Workshop	Tentative date to conduct a public information workshop. Date may differ than final workshop date.
Constructability Plans	60% plans to reviewers. At this time most of the Design is complete, no scope discussion, review focuses on items to be constructed, their construction impacts, and materials to be used.
Plans Specification and Estimates (PSE) Meeting	FDOT PM arranges field review with all reviewers to evaluate the final engineering plans with respect to actual field conditions.
Biddability Plans to Reviewers	90% plans. At this time, Design is complete. Verifying quantities and pay items.
Production	100% plans. Plans are complete.
Local Agency Program (LAP) Commitment	Agency and FDOT commits the project funds and budget to the Legislature and the Governor's office.
Letting	Bids are opened and the apparent low bid contract is determined. Construction typically begins 4 to 6 months after letting.
Construction Notice to Proceed (NTP)	Construction starts. Construction dates for FDOT administered projects can be found through the FDOT Operations Center.

For more information on a project, please contact the FDOT District 4 office at 954.486.1400 and ask to be transferred to the FDOT Project Manager for the specific project. For the FDOT copy of the report with the full project schedule, contact Claudette DeLosSantos at Claudette.DeLosSantos@dot.state.fl.us or 954.777.4208.

Please note, the dates shown in this report are a snapshot and dates can change frequently. Updated reports are requested monthly from FDOT.

FY 2024 Annual Listing of Obligated Project Summary

Both 23 USC §134 and §339.175, Florida Statutes, mandate that Metropolitan Planning Organizations (MPO) publish the annual listing of projects for which federal funds have been obligated in the preceding year. 23 CFR §450.334 further stipulates that the listing shall identify for each project the amount of Federal funds requested in the TIP, the Federal funding that was obligated during the preceding year, and the Federal funding remaining and available for subsequent years.

The Palm Beach TPA created the attached summary listing of projects where total Federal funding requested in the TIP differed from the Federal funding that was obligated. Notes are included for projects with variations greater than \$1 million.

In general, federal funds are obligated to transportation projects through the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA). According to FHWA definition, an obligation is a legal commitment: the Federal government's promise to pay a State for the Federal share of a project's eligible cost. For a project funded by FHWA funds, this commitment occurs when FHWA approves the project and executes the project agreement. For a project funded by FTA funds, this commitment occurs at the time the FTA grant is awarded. Alternatively, funding can also be "de-obligated". A de-obligation means money previously obligated is removed from the project to reflect changes to the project cost, delay, or cancellation.

The full details can be found at PalmBeachTPA.org/TIP.

Below is a summary table of funds programmed in the TPA’s Transportation Improvement Program (TIP) for Fiscal Year 2024, the amount of federal obligations for Fiscal Year 2024, the difference, and the amount de-obligated.

WPTV: Dirt Bike and E-Bike Safety

Boca Raton police investigating dirt bike accident leaving 23-year-old dead

2 other dirt bike riders fled the scene, according to Boca Raton police

WPTV spoke to Palm Beach County Fire Marshall Chief Dave DeRita about dirtbike and e-bike safety on the roads.

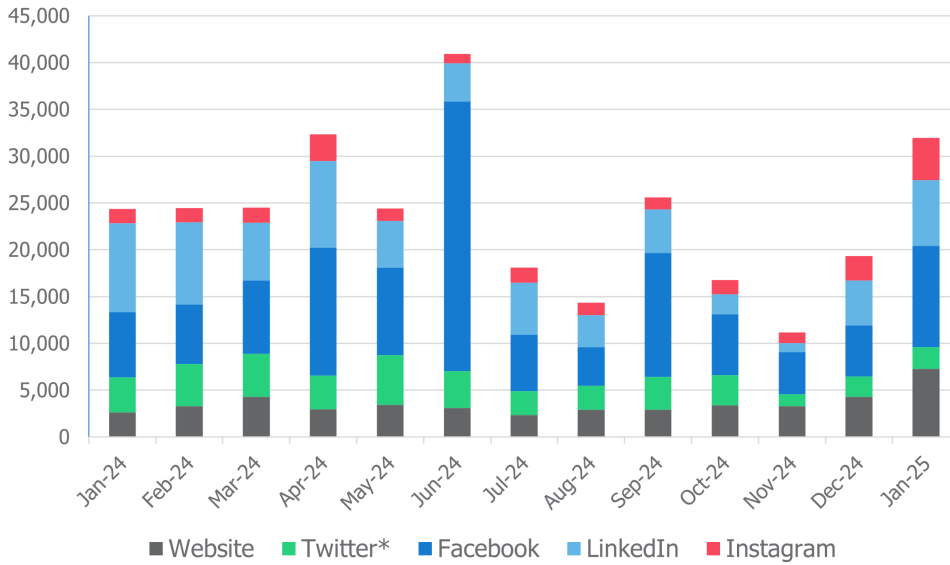

WPTV included information about the TPA's E-Bicycle and E-Scooter Safety Event on December 14 in Boca Raton following a deadly dirt bike crash. The TPA will host a similar event in Palm Beach Gardens in January to educate the community about how to ride safely.
