## TPA Mapping

The general public and TPA partners are encouraged to use this map to view TPA planning products and additional outcomes related to transportation in Palm Beach County.

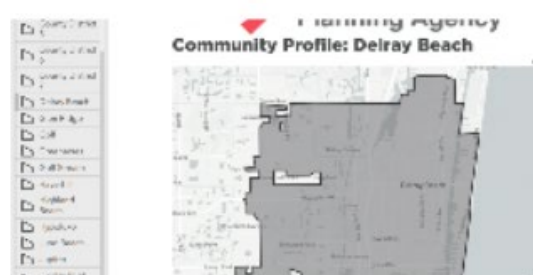

[Click Here](#)

## TPA Open Data Hub

The TPA's Open Data Hub allows municipalities, partner agencies and the general public to explore, visualize and download the data used for transportation planning at the TPA.

[Click Here](#)

## Community Profiles

View Community Profiles of Palm Beach County's 39 municipalities and each County District to see demographic information including population, commute times and employment.

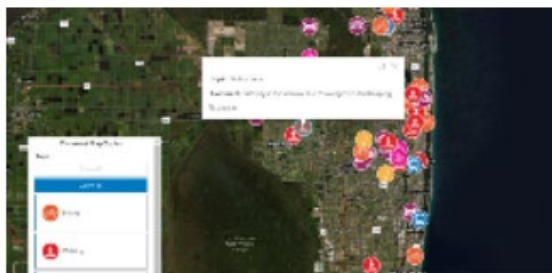

[Click Here](#)

## Walk Bike Audits

An on-the-ground approach to identifying pedestrian and bicycle issues by experiencing an environment firsthand, in collaboration with municipalities, roadway owners and other stakeholders.

[Click Here](#)

## Comment Map

This interactive map allows viewers to enter transportation-related comments, suggestions and questions in Palm Beach County. Share your feedback with us by entering your comments on the map.

(PPP)**

## Initiatives

## Funding Programs

## Transportation Improvement Program (TIP)

The Transportation Improvement Program (TIP) is the five-year federal and state funding program for transportation projects covering all modes of travel in Palm Beach County.

The TIP is consistent with the FDOT work program and is developed through a continuing, cooperative, comprehensive and coordinated effort involving FDOT, the Palm Beach County Board of County Commissioners, the Port of Palm Beach, the South Florida Regional Transportation Authority and municipalities within the County.

## FY 2026 - 2030 Transportation Improvement Program

**Available for Public Review**

## TIP Review Tool

Use this interactive website to review projects included in the TIP and see plan revisions.
