What is Vision Zero?

A movement challenging us to *eliminate all traffic-related fatalities and serious injuries*. It **relies on the expertise of engineers, public health professionals, law enforcement, first responders, roadway users and policymakers**. Together, they look at safety as an interconnected system in which roadway designs, speed limits, human behavior, technology and policy can work together to make the system safer for everyone.

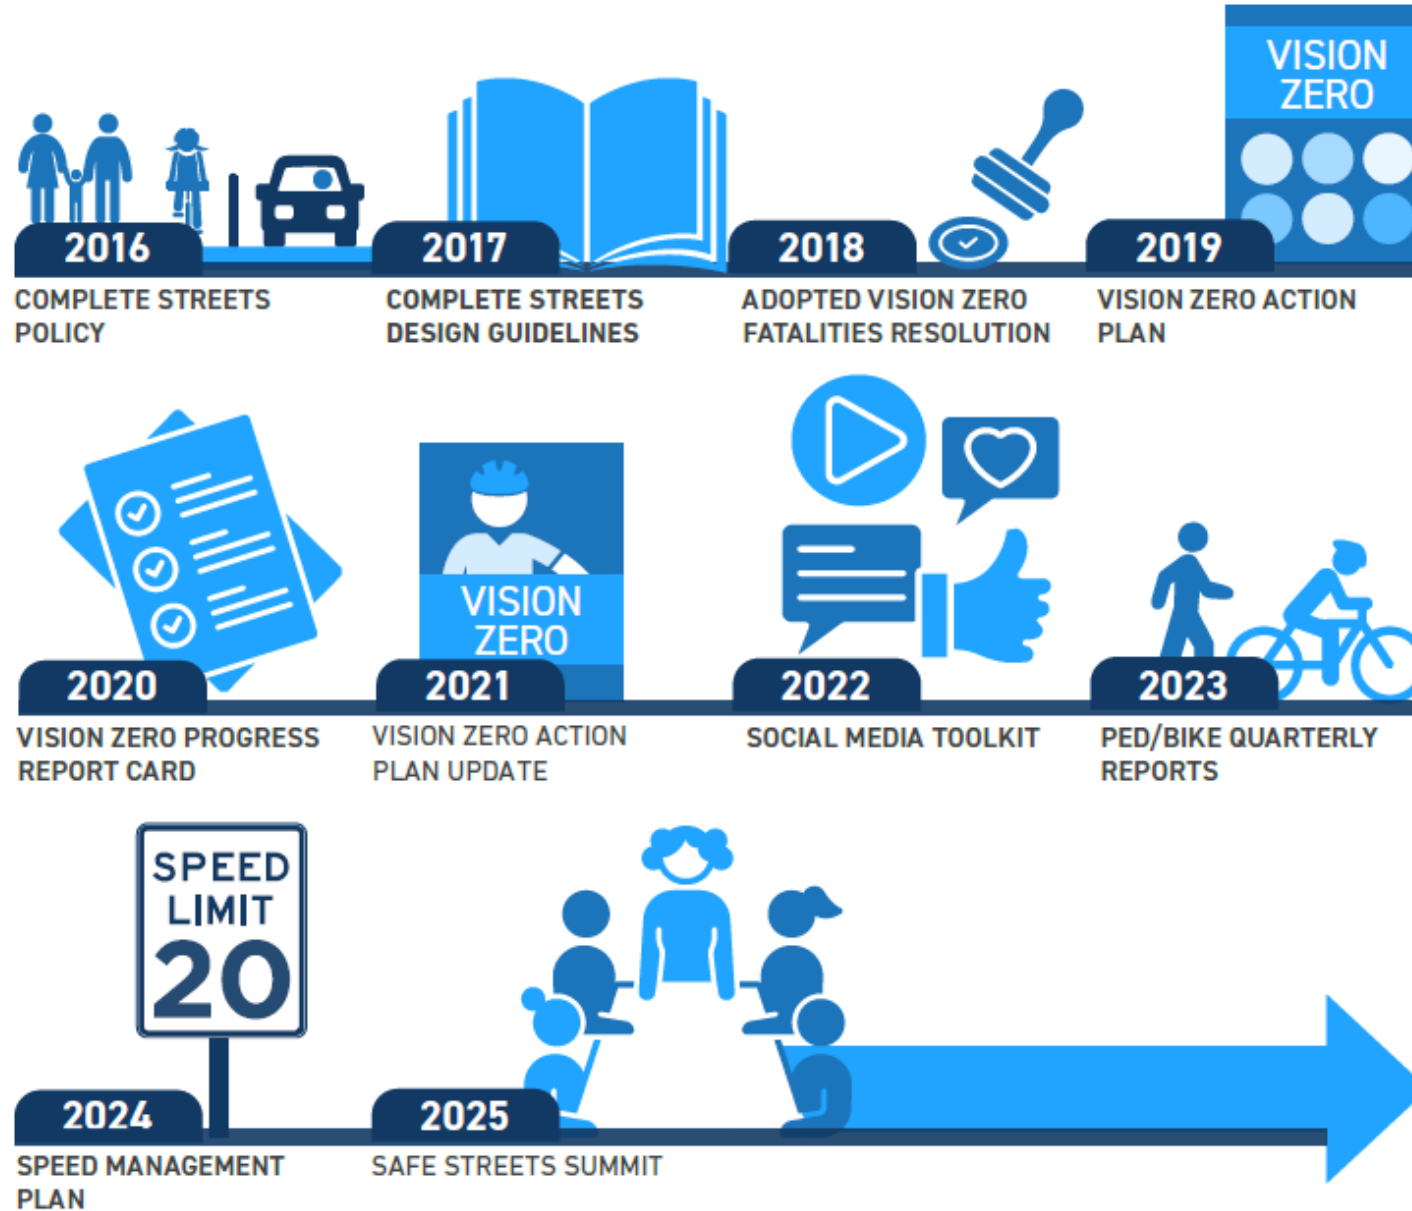

Fatalities and Serious Injuries

9 PEOPLE **DIE** & **44** PEOPLE ARE SERIOUSLY INJURED
