Welcome and Opening Remarks

9:00 – 9:15 a.m.

Emcee: Daniel Gibson, Vice President for Community Impact, Community Foundation for Martin and Palm Beach Counties

Daniel Gibson welcomes attendees to the 12th annual Safe Streets Summit! This year's theme is Mobility at The Heart of it All, focusing on how investing in mobility solutions enhances quality of life and encourages economic development in the Southeast Florida region.

Enhancing Quality of Life Through Placemaking and Safe Streets

9:15 – 10:00 a.m.

Speaker: Mitchell Silver, Special Advisor, McAdams

Mobility is more than moving from point A to B — it's about creating access and connections that define a community's identity. Mitchell Silver will tap into his experience as a city planner, community leader, and former NYC Parks Commissioner to speak to the transformative role of transportation in placemaking, redevelopment, safe streets, and creating vibrant communities. Learn how integrated mobility strategies can bridge gaps, revitalize neighborhoods, and promote a sense of belonging while supporting the local economy and improved quality of life.

Mobility as a Catalyst: The Transportation & Land Use Connection

10:00 – 11:00 a.m.

Moderator: Kelly Smallridge, President and CEO, Business Development Board of Palm Beach County (BDB)

*Speakers: Scott Smith, Former CEO of Valley Metro and Former Mayor of Mesa, AZ
Dee Leggett, Executive Vice President and Chief Development Officer, Dallas Area Rapid Transit (DART)*

Carlton Christensen, Chair of The Board of Trustees at Utah Transit Authority (UTA)

Transportation and Land Use are inextricably linked and decisions around them shape our communities. Discover national success stories and strategies to advance transportation investments that promote redevelopment and revitalization and create more housing and jobs while connecting communities, improving efficiency, driving the economy, and fostering community health.

Refreshment Break

11:00 – 11:15 a.m.

Last Call: People's Choice Awards Voting

A Global Shift to Urban Vitality

11:15 a.m. - Noon

*Speakers: Chris Bruntlett, International Relations Manager, Dutch Cycling Embassy
Melissa Bruntlett, Urban Mobility Advisor, Modacity*

Cities worldwide are reimagining their streets and transportation networks to prioritize people of all ages and abilities. Join Melissa and Chris Bruntlett to learn how more inclusive mobility designs can create communities where everyone can thrive. Explore the driving forces of these global trends and the benefits of shifting to urban vitality.

Safe Streets Awards Luncheon

Noon – 1:15 p.m.

Emcee: Daniel Gibson

Presenters: Aileen Bouclé, Executive Director, Miami-Dade TPO

Greg Stuart, Executive Director, Broward MPO

Valerie Neilson, Executive Director, Palm Beach TPA

Grab lunch, stop by the exhibitor booths, and join us for the Safe Streets Awards Luncheon. The Safe Streets Awards are an opportunity to highlight individuals and jurisdictions that have led by example to create better streets for all users. Miami-Dade, Broward, and Palm Beach Counties will each select one individual *Complete Streets Champion Award*, *Complete Streets Community Award*, and the *People's Choice Award for Best Complete Streets Project*. Join us in rooting for our local champions and their projects!

Keynote Session:

1:15 – 2 p.m.

Speaker: Veronica Davis, Director of Cities, Atkins Realis

Transportation planning has often harmed underserved communities. In her book *Inclusive Transportation: A Manifesto for Repairing Divided Communities*, Veronica Davis shares her vision for a new era of equitable transportation planning. She'll explore how centering people in transportation decisions requires rethinking professional training, communication, data collection, and teamwork. Veronica will define equity in

transportation projects and highlight how it leads to safer, better outcomes for everyone, concluding with a call to action for justice-focused community planning.

Advancing Safer Streets and Livable Communities

2:00 – 3:00 p.m.

Moderator: Victor Dover, Founding Principal, Dover, Kohl & Partners

Speakers: John Bauters, Former Mayor, City of Emeryville, CA & Policy Director, Alliance for Safety and Justice

Viktoriya Wise, Director of Streets, San Francisco Municipal Transportation Agency

Dan Burden, Director of Innovation & Inspiration, Blue Zones

Dive into best practices for advancing transportation safety and livable communities. Learn about initiatives that have been successful in creating safer streets and places where people want to live, work, and play.

Innovative Mobility Solutions and Partnerships

3:00 – 3:45 p.m.

Moderator: Karina Ricks, Partner, Cityfi

Speakers: Kelly Jin, Chief of Staff to the President and CEO & Vice President for Communities, Knight Foundation

Philippe Crist, International Mobility Expert and Thinktivist

Emerging transportation technologies are revolutionizing how we approach safety, efficiency, and mobility for all. This session provides an outlook on the future of transportation and how public-private partnerships, policies, data, artificial intelligence, and other innovative tools can help advance transportation systems that prioritize safety and expand mobility options for all.

Closing Remarks

3:45 – 4:00 p.m.

Emcee: Daniel Gibson

Networking Social

4:00 – 5:00 p.m.

Galley Restaurant
