Upcoming/Continuing PBI Projects

Concourse Expansion

Updated Concessions Program

Consolidated Rental Car Facility Development

7

7

Concourse B Expansion Initial Phases – Substantially Complete

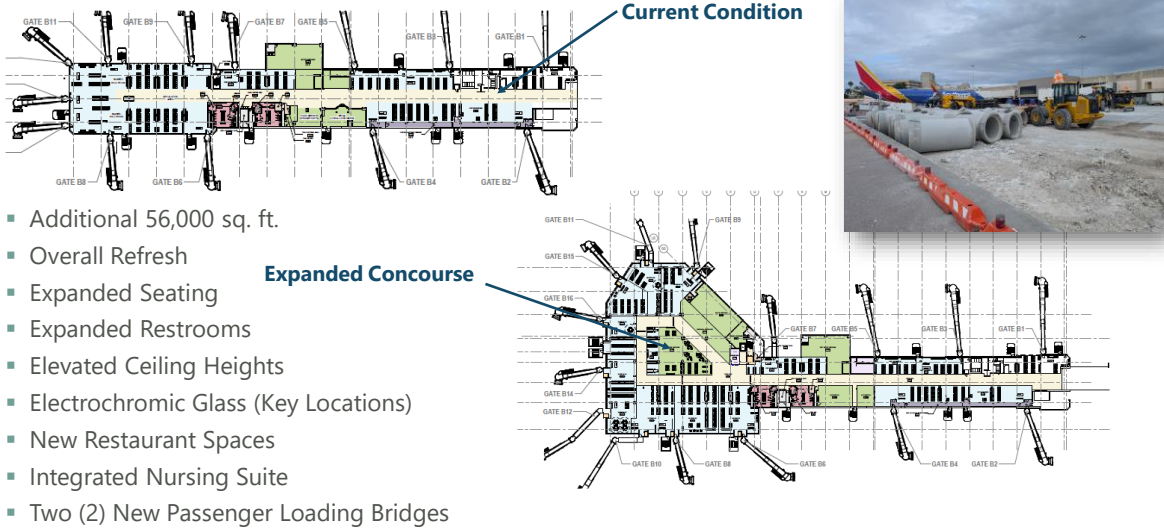

- **Phase I** - expansion of restroom facilities and construction of approximately 3,000 square feet of new shell space for a future sit down restaurant between Gates B5 and B7
- **Phase II** – Interior renovations of existing concourse and water line relocation

8

8

Final Phase of Concourse B Expansion – In Progress

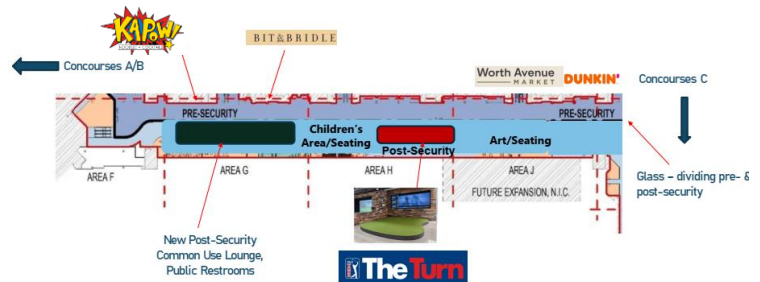

9

9

Main Terminal Modernization - Post-Security Connector

- Connecting Concourses A/B and C through new post-security space
- Replacing the existing skylight
- New terrazzo flooring
- Expanding security checkpoints
- New lounge space & restaurant/entertainment space
- Art Program/Children's Area

10

10

New Restaurants & Shops

11

New Restaurants & Shops

12

12

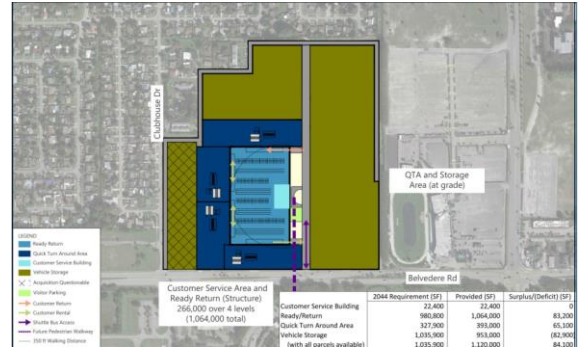

PBI Consolidated Rent-A-Car Facility

Program Goals

- Consolidating all rental car operations in a single location adjacent to the PBI Terminal Area
- Enabling existing sites to be redeveloped to alternative uses
- Consolidating bus operations (with eventual connection to main terminal)
- Reducing congestion at terminal curbs and emissions
- Improving the passenger experience

Next Steps

- Establishment of a Customer Facility Charge (CFC)
- Property Acquisition
- Issuance of CFC Bonds
- Design/Development
